The Wealth Choice Dennis Kimbro, 2013-02-19 Bestselling personal finance author Dennis Kimbro interviews prominent black millionaires to learn how they got where they are and offers key insights for those struggling to reach the next level. It's no secret that these hard times have been even harder for the Black community. Approximately 35 percent of African Americans had no measurable assets in 2009 and 24 percent of these same households had only a motor vehicle. Dennis Kimbro, observing how the weight of the continuing housing and credit crises disproportionately impacts the African American community, takes a sharp look at a carefully cultivated group of individuals who've scaled the heights of success and how others can emulate them. Based on a seven-year study of 1,000 of the wealthiest African Americans, *The Wealth Choice* offers a trove of sound and surprising advice about climbing the economic ladder even when the odds seem stacked against you. Readers will learn about how business leaders, entrepreneurs, and celebrities like Bob Johnson, Spike Lee, L.A. Reid, Herman Cain, T.D. Jakes, and Tyrese Gibson found their paths to wealth, what they did or didn't learn about money early on, what they had to sacrifice to get to the top, and the role of discipline in managing their success. Through these stories, which include men and women at every stage of life and in every industry, Dennis Kimbro shows readers how to develop a wealth-generating mindset and habits. Commit to lifelong learning. Craft goals that match your passion. Make short-term sacrifices for long-term gain. Take calculated risks when opportunity presents itself.
