2025 - The endgame Joachim Sonntag,2020-09-20 These three documents Weather War document Future warfare Population figures of the countries authorized by US Air Force NASA CIA FBI DARPA all indicate the same endgame year 2025 The year of the planned establishment of the New World Order NWO Artificial intelligence Transhumanism Geoengineering Nanotechnology Genetic engineering Mass psychology Manipulation of consciousness Bioweapons and 5G serve to control and manipulate the population and to secure the transition to the NWO The Corona flu in 2020 is used to spread fear and panic among the population to make them accept the massive reduction of civil liberties The young generation expects a worse fate than the war generation of 1939 45 if we don t fight back Fate has a name Transhumanism 5G Is there still a chance of stopping this process The Covid Con Bernadette Smith,2023-06-22 The Covid vaccine hyped ad nauseum as necessary safe and effective bears no semblance to the truth This deceitful message about the mRNA spike protein laden genetically modifying experiment has led masses of unsuspecting people like lambs to slaughter After the roll out of the shot an epidemic of sudden deaths began OneAmerica insurance company has announced that individuals aged 18 to 64 died at a stunning 40 percent higher rate than usual The Covid Con details a disturbing web of deceit revealing the truth about the shot the PCR tests sicknesses and deaths from the injection and also the global totalitarian agenda that is driving this massive hoax The Covid Con explains in chilling detail how Covid was a ruse of epic proportions used to hoodwink humanity and commit the greatest crime in human history The Covid Con cites findings and opinions of experienced qualified and credentialed doctors scientists and government and industry whistleblowers who were all censored through big tech big government collusion The betrayal of the media public officials the NIH the FDA the CDC the WHO and other trusted institutions tends to shift the ground beneath our feet But we must stand strong in the truth or our freedoms will be lost forever **The Fall of the West** Nicholas Hagger,2022-11-25 In The Syndicate 2004 Nicholas Hagger described how in the 20th century a Syndicate of litist mega rich families levelled down the leading Western countries by promoting revolutions wars and independence movements against their empires and planned a New World Order and world government that would control the earth s resources for their own benefit In The Secret History of the West 2005 he traced the Syndicate s roots back to secret Freemasonic organisations and revolutions that undermined the West from the Renaissance to the early 20th century In The Fall of the West 2022 the third book in his trilogy on the West Hagger updates the story to include the pandemic and describes how Syndicate driven 21st century events from the War on Terror to Covid have brought the Western financial system to the brink of collapse and shifted power from the West to the East and China In this first impartial attempt to assemble all the evidence to date for the origin of Covid like fitting together available pieces of a jigsaw to reveal the main picture Hagger the first to discover the Cultural Revolution in China in March 1966 finds that the three main features of Covid 19 were man made by American NIAID funded medics in 2002 and patented 73 times since 2008 and seem

to have been surreptitiously used as a bio weapon in a Syndicate plan to limit the rise of China and its expanding trade A dangerous new Biological Age has been born and the West faces being levelled down and a sudden fall Hagger sees the post Covid West's dream of creating a good New World Order a vaccine protected democratic presidential part federal world government and World State with sufficient authority to abolish war and solve the world's post Covid problems as being challenged by the self interested Syndicate's levelling down and to survive it first has to go along with the Syndicate's plan for West and East to draw together into an authoritarian world government involving China and democratise later This is a thought provoking work with a prophetic vision of the future **World Empire and the Return of Jesus Christ ,**

Conspirators' Hierarchy John Coleman,1997 *Conspirators' Hierarchy* John Coleman,1992 Can you imagine an all powerful group that knows no national boundaries above the laws of all countries one that controls every aspect of politics religion commerce and industry banking insurance mining the drug trade the petroleum industry a group answerable to no one but its members To the vast majority of us such a group would appear to be beyond the realms of possibilities and capabilities of any given organization If that is what you believe then you are in the majority The conception of a secret elite group exercising control of every aspect of our lives is beyond our comprehension Americans are prone to say It can't happen here our Constitution forbids it That there is such a body called The committee of 300 is graphically told in this book When most people attempt to address our problems they speak or write about them this book tells precisely who they are and what they have planned for our future how they have been at war with the American nation for 50 years a war which we are on the brink of losing what methods they use and exactly how they have brainwashed us If you are Puzzled and perplexed as to why things are occurring that we as a nation don't like yet seem powerless to prevent why it is that the United States always seems to back the wrong horse Why the United States is in a depression from which it will not emerge why our former social and moral values have been turned aside and seemingly buried if you are confused by the many conspiracy theories the *conSPIrators hierarchy* the committee of 300 will clearly establish that these conditions have been deliberately created to bring us to our knees Once you have read the applying truths contained in this book understanding past and present political economic social and religious events will no longer be a problem This powerful account of the forces ranged against the United States and indeed the entire free world cannot be ignored **How Sex Became a Civil Liberty** Leigh Ann Wheeler,2013 *How Sex Became a Civil Liberty* shows how we came to see sexual expression sexual practice and sexual privacy as fundamental rights enshrined in the Constitution thanks to the work of ACLU leaders and attorneys who forged legal principles that advanced the sexual revolution *Twenty-five Years of Archaeology in Gloucestershire* Bristol and Gloucestershire Archaeological Society,Cotswold Archaeology,2006 Twenty five years is a long time in the study of prehistory and these papers given at a conference in Cheltenham in 2004 seek to review the excavations surveys chance finds and serious investigations carried out over two and a half decades **Science** John Michels (Journalist),2003 A weekly record of

scientific progress Yearbook of International Organizations 2014-2015 (Volume 4) Union Of International Associations, Union of International Associations, 2014-09-17 The Yearbook of International Organizations provides the most extensive coverage of non profit international organizations currently available Detailed profiles of international non governmental and intergovernmental organizations IGO collected and documented by the Union of International Associations can be found here In addition to the history aims and activities of international organizations with their events publications and contact details the volumes of the Yearbook include networks between associations biographies of key people involved and extensive statistical data Providing both an international organizations and research bibliography Volume 4 cites over 46 000 publications and information resources supplied by international organizations and provides nearly 18 000 research citations under 40 subject headings This volume also includes a research bibliography on international organizations and transnational associations The Conspirators' Hierarchy John Coleman, 1997 This work argues for the existence of a committee of 300 an elite body which controls every aspect of politics religion commerce and industry answerable to no one except itself It maintains that the confusion of social and moral values in the free world has been deliberately created

The Tavistock Institute for Human Relations John Coleman, 2024-11-16 The Tavistock Institute for Human Relations has had a profound effect on the moral spiritual cultural political and economic policies of the United States of America and Great Britain It has been at the forefront of the attack on the American Constitution No group produced more propaganda to encourage the United States to participate in the First World War at a time when the majority of the American people were opposed to it The same tactics were used by Tavistock's social scientists to get the US into World War II Korea Vietnam Serbia and the two wars against Iraq Tavistock began as a propaganda creation and dissemination organisation at Wellington House London in the run up to the First World War what Toynbee called that black hole of disinformation On another occasion Toynbee described Wellington House as a factory of lies From somewhat rudimentary beginnings Wellington House became the Tavistock Institute and shaped the destinies of Germany Russia Britain and the United States in a very controversial way The people of these nations did not know that they were being brainwashed The origins of mind control inner directional conditioning and mass brainwashing are explained in an easy to understand book written with great authority The fall of the Catholic dynasties the Bolshevik revolution the First and Second World Wars which saw the destruction of ancient alliances and frontiers the convulsions of religion the decline of morality the destruction of family life the collapse of the economic and political processes the decadence in music and art can all be attributed to the mass indoctrination mass brainwashing practised by the social scientists of the Tavistock Institute Among the members of the Tavistock faculty was Edward Bernays Sigmund Freud's nephew It is said that Herr Goebbels the Propaganda Minister of the German Third Reich used methods devised by Bernays as well as those of Willy Munzenberg whose extraordinary career is recounted in this book about the past present and future Without Tavistock there would have been no First and Second

World Wars no Bolshevik revolution no wars in Korea Vietnam Serbia and Iraq Without Tavistock the United States would not be hurtling down the road to dissolution and collapse
