Dracula Prince Of Many Faces His Life And His Times:

Dracula, Prince of Many Faces Raymond T. McNally, Radu R Florescu, 2009-11-11 A biography of the real fifteenth century Wallachian leader known as Vlad the Impaler who inspired the classic horror novel by Bram Stoker Dreaded by his enemies emulated by later rulers like Ivan the Terrible honored by his countrymen even today Vlad Dracula was surely one of the most intriguing figures to have stalked the corridors of European and Asian capitals in the fifteenth century Vlad Dracula also served as the inspiration for Bram Stoker's classic vampire tale However as this biography proves the real Dracula is far more interesting than the fictional vampire Houston Chronicle Covering Vlad Dracula's entire life and subsequent legend this book includes a fascinating chapter on the mystery of Dracula's empty grave New York Times Book Review Praise for Dracula Prince of Many Faces Florescu and McNally manage to capture the ruthlessness romance and courage that characterized Dracula's ultimately pitiable life A fascinating look at political intrigue in fifteenth century Eastern Europe Lamar B Graham Boston Phoenix Literary Supplement

Dracula, Prince of Many Faces Radu R. Florescu, 2014-06-29 Dracula Prince of Many Faces reveals the extraordinary life and times of the infamous Vlad Dracula of Romania 1431-1476 nicknamed the Impaler Dreaded by his enemies emulated by later rulers like Ivan the Terrible honored by his countrymen even today Vlad Dracula was surely one of the most intriguing figures to have stalked the corridors of European and Asian capitals in the fifteenth century

The Vampire Goes to College Lisa A. Nevárez, 2013-12-23 This collection of original essays presents pedagogical tools methods and approaches for incorporating the figure of the vampire into the learning environment of the college classroom in the hopes of ushering the Undead out of the coffin and into the classroom The essays foster interdisciplinary collaboration and dialogue and serve as a collective resource for those currently teaching the vampire as well as newcomers to vampire studies Opening with a foreword by Sam George the collection is organized around such topics as historicizing the vampire teaching the diverse vampire and engaging the student learner Interwoven throughout the volume are strategies for incorporating writing instruction and generating conversations about texts texts defined broadly so as to include film and other media The vampire allows instructors to explore timeless themes such as life and death love and passion immortality and monstrosity and Otherness

Witchcraft in Romania Ioan Pop-Curșeu, Ștefana Pop-Curșeu, 2022-11-30 This book provides a history of witchcraft in the territories that compose contemporary Romania with a focus on the sixteenth to nineteenth centuries The first part presents aspects of earthly justice religious and secular analysing the codes of law trials and verdicts and underlining the differences between Transylvania on one hand and Moldavia and Wallachia on the other The second part is concerned with divine justice describing apocalyptic texts that talk about the pains of witches in hell but also the ensembles of religious painting where in vast compositions of the Last Judgment various punishments for the sin of witchcraft are imagined

Hexing with a Chance of Tornadoes Mandy M. Roth, Grimm Cove Series 2 I thought Grimm Cove would be mind numbingly dull after New York City but my bestie needed

emotional support and I wasn't about to let her go it alone Imagine my surprise when I discovered I'm part of a legendary demon slaying lineage with dormant witch powers I was having trouble believing it myself until I ended up with a master vampire's target on my back to prove it If that wasn't enough to deal with my father who's apparently not as dead as advertised okay so he's mostly not as dead as advertised is a very big deal in supernatural circles So naturally I'm stuck grappling with magic I barely understand monsters gunning for my head and the awkward realization that my dad's resume might soon involve slaying some of my new friends The cherry on top The infuriatingly attractive alpha of the local wolf pack claims we're fated mates Between his protective streak our explosive chemistry and the ancient evil trying to kill me boring is officially off the table Seriously is there a spell to turn off inconvenient attraction Because I have zero time for this level of chemistry when there's an ancient evil trying to kill me and I'm trying to work out my daddy issues For fans of urban fantasy romantasy paranormal romance gothic literature small town romances shifters werewolves vampires slayers ghosts myths and legends Dracula Frankenstein and fated mates [Vampires Through the Ages](#) Brian Righi, 2011-12-08 Interred in shadows no more the vampire mythos is illuminated in this captivating exploration of one of the world's most sinister and feared creatures Join Brian Righi as he unearths the truth behind myths and beliefs both ancient and modern He traces the evolution of the vampire from Dracula's mysteriously empty grave and the enduring legend it spawned to terrifying documented cases of the real life blood drinkers of today Sordid and sultry the vampire's long and gruesome history is revealed Various cultures beliefs and superstitions surrounding bloodthirsty immortals Chilling true accounts of the unquenchable bloodlust of historical figures such as Vlad the Impaler and Countess Bathory Stories and lore from villagers as recalled from the author's travels through Romania Serial killers who suffered from delusions of vampirism How the early Christian church inadvertently fed into the 18th century Eastern European vampire scare **The Death of Kings** Michael Evans, 2007-01-01 A King's death was a critical and highly dramatic moment often with major political consequences This is an account of what is known about the deaths of all medieval English kings **Rethinking International Law and Justice** Charles Sampford, Spencer Zifcak, 2016-04-08 General principles of law have made and are likely further to make a significant contribution to our understanding of the constituent elements of global justice Dealing extensively with global headline issues of peace security and justice this book explores justice arising in specific areas of international law as well as underlying theories of justice from political science and international relations With contributions from leading academics and practitioners the book adopts an interdisciplinary approach Covering issues such as international humanitarian law and examining the significance of non state actors for the development of international law the collection concludes with the complex question of how best to rethink aspects of international justice The lessons derived from this research will have wide implications for both developed and emerging nation states in rethinking sensitive issues of international law and justice As such this book will be of interest to academics and practitioners interested in international law environmental law human

rights ethics international relations and political theory **Disgust and Desire** Kristen Wright, 2018-01-03 Monsters have taken many forms across time and cultures yet within these variations monsters often evoke the same paradoxical response disgust and desire We simultaneously fear monsters and take pleasure in seeing them and their role in human culture helps to explain this apparent contradiction Monsters are created in order to delineate where the acceptable boundaries of action and emotion exist However while killing the monster allows us to cast out socially unacceptable desires the prevalence of monsters in both history and fiction reveals humanity's desire to see and experience the forbidden We seek write about and display monsters as both a warning and wish fulfilment and monsters therefore reveal that the line between desire and disgust is often thin Looking across genres subjects and periods this book examines what our conflicted reaction to the monster tells us about human culture *Transylvanian Vampires* Adriana Groza, 2014-02-28 Authentic vampire tales exist in Transylvanian folklore yet the Transylvanian vampire is nothing like the bloodthirsty count of Bram Stoker's imagination or the romantic hero of popular fiction The Romanian tradition reflects the norms of peasant life and wisdom embedded in age old communities This book consists of 21 narratives developed from brief accounts recorded by local anthropologists and historians from the late 19th and early 20th centuries The goal is to capture the major themes found in the existing sources The book also includes translations of 17 brief folk stories about Vlad epe known as Dracula Contrary to the prevailing fictive image these stories portray Vlad as a wise although strict ruler and a proud defender of his country's autonomy An introduction discusses the Transylvanian village and its rich folk traditions making explicit the comparison to the historic and to the fictional Dracula **On the Trail of King Richard III** L. M. Ollie, 2012-07-10 Every age has its heroes and its villains Richard III King of England 1483 1485 was a villain a monster perhaps but that's Shakespeare's version sourced from documents which were either pro Tudor or blatantly anti York the War of the Roses The Continuation But was he so very evil Not according to a small group of enthusiastic individuals called Ricardians who seek to have the truth told The central character of this work of fiction Laura Kempe is determined to undertake her own investigation using a combination of common sense instinct and more than a touch of ESP She gets more than she bargains for however when she reaches for the ultimate prize the truth about what happened to the Princes in the Tower and unwittingly unleashes a chain of events which threaten to destroy her and her travelling companions Witty amusing and provocative this is a story overflowing with little known facts bizarre encounters and finally unrelenting evil A traveler's tale Absolutely But be warned For those who seek knowledge must come prepared for often it seems that Truth is jealously guarded to the death and sometimes beyond Reputed to be the most concise and historically accurate rendering of King Richard III yet set within the confines of an intelligently written exciting and frequently amusing story line **The Unknown Europe** James R. Payton Jr., 2021-11-03 The fascinating history of Eastern Europe includes highs of soaring cultural achievement and lows of almost unimaginable repression But we in the West don't know much about Eastern Europe or its history this book helps us see why We got

interested when the region became a threat during the Cold War but what we learned focused on the Communist period after World War II not Eastern Europe itself or its deep history a history that continues to live in the hearts of its peoples James Payton offers an accessible treatment of the history of the region an opportunity to learn about Eastern Europeans as they are He overviews that story from pre history to the present examining eleven turning points that profoundly shaped Eastern European history His treatment considers the backgrounds to the turning points the events and the long lasting impacts they had for the various Eastern European nations This helps us understand how Eastern Europeans themselves see their history the long haul over the centuries with the influence and impact of events of the sometimes distant past shaping how they see themselves their neighbors and their place in the world **Genocide and Gross Human Rights Violations** Kurt

Jonassohn, Karin Solveig Björnson, *Genocide and Gross Human Rights Violations* offers actual studies of genocide in India China Colonial Africa the Soviet Union Burma and the former Yugoslavia Beyond narrating the most horrendous atrocities the book focuses on the nature of gross human rights violations and genocides and how best to stop them Jonassohn formulates a typology that distinguishes events that have different origins occur in different situations and follow different processes This work is motivated by the hope that it might be possible to reduce the number of genocides and to intervene in those that do occur **Vampirology** Kathryn Harkup, 2021-06-08 Our fascination with the vampire myth has scarcely

diminished since Bram Stoker's publication of the classic *Dracula* tale in 1897 but how much of the lore is based in fact and can science explain the origins of horror's most famous fiend *Vampirology* charts the murky waters of the vampire myth from stories found in many cultures across the globe to our sympathetic pop culture renditions today to investigate how a scientific interpretation may shed light on the fears and phenomena of the vampire myth *The Duke of Darkness: A*

Steamy Regency Romantic Suspense Novel Cora Lee, 2018-11-27 Enjoy this spicy Regency romance with two dangerous villains and characters who learn that family can be anyone you choose from national bestselling historical romance author Cora Lee His enemies called him the devil Hers call her a temptress Can they see past the rumors to find true love There were few people in the world the Duke of Rhuddlan could trust least of all his scheming brother Nicholas So when a spate of violence is perpetrated against people with a connection to the duke Rhuddlan knows who is behind it But how can he end this vicious campaign when Nick is backed by the King's own son Olivia Stone wants nothing more than to live quietly in her little cottage but with a cruel suitor determined to possess her and an income that is steadily diminishing she's left with no choice but to appeal to her wealthy cousin whom she's never met for assistance Will he give it Or will she be forced to marry a man she fears When Rhuddlan knocks on Olivia's door with a plan to help them both she's skeptical but sees no other option Working together sparks a flame between them neither could have predicted but when Nick discovers the relationship he becomes determined to destroy their hope for happiness Can Rhuddlan finally put an end to his brother's devastation before someone is killed Will Olivia still want him when she sees how ruthless he can be This medium 3 4 hour read novel is a

steamy Regency romance with a happily ever after no cliffhangers and is part of a multi author series that can be read in any order For fans of Chasity Bowlin Scarlett Scott and Wendy Vella **The Roots of Balkanization** Ion Grumeza,2010-08-04 Balkanization is a modern term describing the fragmentation and re division of countries and nations in the Balkan Peninsula as well as a dynamic meaning the Balkan way of doing things The Roots of Balkanization describes the historical changes that took place in the Balkan Peninsula after the collapse of the Roman Empire and their impact in Eastern lands It develops conclusions reached in the author s previous book Dacia Land of Transylvania Cornerstone of Ancient Eastern Europe covering 500 B C A D 500 Balkan multi ethnicity was formed after the fifth century when barbarian invaders settled and violently mixed with the native ancient nations By the use of sword and terror warlords became kings and their confederations of tribes became state nations New societies emerged under the blessing of the Orthodox Church only to fight against each other over disputed land that eventually came to be occupied by other invaders The involvement of western powers and the Ottoman expansion triggered more grievances and violence culminating with the fall of Constantinople in 1453 and the end of the Byzantine Empire The medieval culture of the Balkans survived and continues to play a major role in how business and political life is conducted today in Eastern Europe **The Siege and the Fall of Constantinople in 1453** Marios Philippides,Walter K. Hanak,2017-05-02 This major study is a comprehensive scholarly work on a key moment in the history of Europe the fall of Constantinople to the Ottoman Turks in 1453 The result of years of research it presents all available sources along with critical evaluations of these narratives The authors have consulted texts in all relevant languages both those that remain only in manuscript and others that have been printed often in careless and inferior editions Attention is also given to folk history as it evolved over centuries producing prominent myths and folktales in Greek medieval Russian Italian and Turkish folklore Part I The Pen addresses the complex questions introduced by this myriad of original literature and secondary sources Post/modern Dracula John S. Bak,2009-03-26 Post modern Dracula explores the postmodern in Bram Stoker s Victorian novel and the Victorian in Francis Ford Coppola s postmodern film to demonstrate how the century that separates the two artists binds them more than it divides them What are the postmodern elements of Stoker s novel Where are the Victorian traits in Coppola s film Is there a postmodern gloss on those Victorian traits And can there be a Victorian directive behind postmodernism in general The nine essays compiled in this collection address these and other relevant questions per the novel and the film at three distinct periods post modern Victorianism post modernism and finally postmodernism Part I on post modernist issues in Stoker s novel establishes the link between Victorian themes and postmodern praxes that begins with colonialist concerns and ends with poststructuralist signification Part II looks at the post modernist traits in Stoker s Dracula those obviously influenced by modernism but also with the help of the novel s plasticity vis vis the media over the last century by postmodernism Part III examines more closely the novel s postmodern characteristics particularly with respect to Coppola s 1992 film Bram Stoker s Dracula Dracula defies time and promises to

undermine any critical study of it that precisely tries to situate it within a given epoch including a postmodernist one Given its relationship to late capitalist economy to post Marxist politics and to commodity culture and given its universal appeal to human fears and anxieties fetishes and fantasies lusts and desires Stoker s novel will forever remain post modern always haunting our future as it has repeatedly done so our past Though scholars of Dracula and Gothic literature in general will find some of the essays innovative and engaging per today s literary criticism the book is also intended for both an informed general reader and a novice student of the novel and of the film As such a few essays are highly specialized in postmodern theory whereas others are more centered around the sociohistorical context of the novel and film and use various postmodern theories as inroads into the novel s or the film s study
