Dungeon Crawl Classics #22

The Stormbringer Juggernaut

by Christina Stiles

AN ADVENTURE FOR CHARACTER LEVELS 14-16

Remember the good old days, when adventures were underground, NPCs were there to be killed, and the finale of every dungeon was the dragon on the 20th level? Those days are back. Dungeon Crawl Classics adventures don't waste your time with long-winded speeches, weird campaign settings, or NPCs who aren't meant to be killed. Each adventure is 100% good, solid dungeon crawl, with the monsters you know, the traps you remember, and the secret doors you know are there somewhere.

The coastal town of Argalis has been struck by three gale-force hurricanes in the last three weeks. While the first two storms succeeded in devastating the town, the final added insult to injury by destroying more lives than property. Argalis' leaders know a local storm giant called Stozart Stormbringer sent the hurricanes against them for failure to pay her annual "good weather" tribute. Argalis' leaders want an end to the storms, and they've decided the best solution is to eliminate the goddess herself. They need heroes willing to storm her castle and kill this storm tyrant once and for all!

If you enjoy this adventure, look for the rest of the Dungeon Crawl Classics series!
