that we do not so much in our argument as in our love It is time to listen *New Day Revolution* Sam Davidson, Stephen Moseley, 2007 Gives helpful hints practical tips and step by step instructions on how to positively impact the local community and the world at large with whatever time a person has Provided by publisher **Wide Open Spaces** Jim Palmer, 2007-12-02 Jim Palmer's critically acclaimed *Divine Nobodies* was only half the story the deconstruction and shedding of a religious mentality that hindered his knowing God In his next book Jim takes the reader along into the wide open spaces of exploring and experiencing God beyond religion Jim writes It is no secret that God can be lost beneath the waving banner of religion *Divine Nobodies* is my story of how this happened to me Sometimes you have to disentangle God from religion even Christ from Christianity to find the truth With the help of some unsuspecting nobodies I uncovered a new starting line with God As I've put one foot in front of another I've experienced God in ways that are deeply transforming Each chapter revolves around a central question related to knowing God on fresh terms Is God a belief system Is the Bible a landing strip or launching pad Can what we're feeling inside be God Are we too religiously minded to be any earthly good Brian McLaren wrote I am tempted to say that Jim Palmer could well be the next Don Miller but what they have in common along with an honest spirituality and extraordinary skill as storytellers is a unique voice The Library Reviews said of him Jim Palmer's casual yet compelling writing style cuts through the religious rhetoric and gets to the real issues readers will love this author His sense of humor is alternately mixed with shocking sentences and poignant moments Laced throughout is a refreshing honesty that ties his ideas together with a ribbon of reality each turn of the page strips away a little more of the contrived mystery of Christianity until the simplicity and sincerity of it stands in realistic splendor More and more people seek a deeper spirituality beyond status quo religion Others are left empty and weary from a shallow and narrow pop Christianity Palmer says that God's kingdom of love peace and freedom can be a present reality in any person's life He proclaims that God is indeed in the process of birthing something deep and wide among unlikely people in unconventional ways which is changing the world one nobody at a time **American Book Publishing Record**, 2006 *Being Jesus in Nashville* Jim Palmer, 2012-03-07 Author and former pastor Jim Palmer should be dead Over the course of a year that included two near death experiences as Palmer set out to disentangle Jesus from the religious machinery of Christianity he discovered a profound and unexpected answer to the question on his mind What would Jesus do Exploring what it really means to be Jesus in his hometown of Nashville Tennessee Palmer learns that Jesus was special not because he was more divine than the rest of us but because he was courageously more human than most Unfortunately this realization crystallized for him while he was hanging upside down in his overturned car expecting to die When Palmer was miraculously pulled from the wreckage alive he emerged with a new courage to embrace his life as never before In *Being Jesus in Nashville* Palmer shares his personal stories ideas concepts and an innovative approach to humanity as he learns that being Jesus means seeing people as they truly are letting it happen not making it happen being at peace whatever happens putting no limitations on God living

without separation from God following your own path living as everyone's neighbor With spiritual insight and refreshing theological glimpses Palmer shares how he traded in his Christianity for Jesus and how this brought him closer to God

Finding God in the Waves Mike McHargue, 2016-10-27 Through the lens of neuroscience McHargue makes his case for valuing religion not for its factual explanatory power but rather for its ability to give meaning to human existence For those who fear science will rob them of both God and Christian community this work may offer much needed hope that Christianity and science can coexist Publishers Weekly I thoroughly recommend this book It is written with humility honesty and a liberal sprinkling of humour not only thought provoking but also a jolly good read A review does not do it justice so I suggest you read the book Methodist Recorder What do you do when God dies It's a question facing millions today as science reveals a universe that's self creating western culture departs from its Christian heritage and the idea of God begins to seem implausible at best and barbaric at worst Mike McHargue understands the pain of unravelling belief In *Finding God in the Waves* Mike tells the story of how his evangelical faith dissolved into atheism as he studied the Bible a crisis that threatened his identity his friendships and even his marriage Years later Mike was standing on the shores of the Pacific Ocean when a bewildering seemingly mystical moment motivated him to take another look But this time it wasn't theology or scripture that led him back to God it was science In *Finding God in the Waves* Science Mike draws on his personal experience to tell the unlikely story of how science led him back to faith Among other revelations we learn what brain scans reveal about what happens when we pray how fundamentalism affects the psyche and how God is revealed not only in scripture but in the night sky in subatomic particles and in us For the faithful and sceptic alike *Finding God in the Waves* is a powerful page turning read about belonging life's biggest questions and the hope of knowing God in an age of science **God on Your Own**

Joseph Dispenza, 2010-12-08 In this spiritual self help memoir a former Roman Catholic monk recounts his journey away from religion toward his own personal spirituality After spending eight years in a monastery Joseph Dispenza walked away from his life as a monk and the religion of his youth in search of a different kind of spiritual path Outside the confines of organized religion Dispenza was able to create a spiritual life that gives direction and meaning to all he does and all he is *God on Your Own* is a book for anyone who has left or is thinking of leaving organized religion but wants to continue on a spiritual path Dispenza a noted author and retreat leader provides a spiritual road map for those who want to make the transition from conventional religion toward a richer and more satisfying direct relationship with the Source without rules dogmas or doctrines Throughout the book Dispenza offers wise compassionate guidance speaking as one seeker to another He has made this journey himself gleaning spiritual truth from across traditions and practices *God Knows No Religion* Amber Malcolm, 2019-08-22 This book was not written as an insult to any religion This is for those of you who feel like you don't have a voice or that you let others make your decisions for you even though it is not the decision you want Those of you who have felt like there is something more than what you have been living and taught your entire life Those of you who have

hidden behind others because you were too afraid of being great Those of you who feel like you re trapped in a life that you don t belong in and don t know how to get out of Those of you who have felt that you were just not born into the right family or just not privileged enough and those of you who feel like you are mediocre and only deserve a mediocre life This book is meant to inspire others to a new understanding and as an answer to many questions that most have had throughout their religious experiences and their lives It is written as a simplified process to help you along your journey Although there are many great religious groups who have done wonders for humanity and for people searching to find peace religion is also a business And just like any other business it must have the financial support from the to function and continue to grow Religion might be your journey and that is a wonderful and perfect journey for you This book is one girl s journey through religion and out of religion and a full look inside her naked soul A journey that she felt inspired to share with those who feel that there is something missing from their lives and that there is more for them A journey to help those who are ready for their own resurrection on this earth and to help others see their truth raise their consciousness and inspire you to the greatness in which you are If you protect the lies you protect the village and if you protect the village you will always have them at your mercy Only you can decide what your truth is

The Divine Secret of Nothing Vincent Morales,2010 A man shares his synthesis of ancient and quasi empirical thinking that helped him to become more open to receive the grace that he needed to conquer the passions of the flesh to return to God what belongs to Him The man utilizes scriptural verses the wisdom of saints and philosophers and insightful illustrations to empower and encourage the reader in the good fight to conquer the passions of self for the reward that God gives to a person for conquering the passions and returning what belongs to Him is nothing less than as St Teresa of Avila said the reward of Himself This book might be difficult for some people to read due to its controversial content Nevertheless it is an illuminating and thought provoking read for people who want to know God as Complete Goodness as well as the man s revelatory thoughts on the Bible the devil the fallen angels creation and the afterlife

Caught Between Heaven & Earth Nancy Van Alphen,2019-03-27 An Incredible True Story of Awakening In Caught Between Heaven Earth Nancy van Alphen takes us on her unexpected spiritual journey that changed her from agnostic to believer A humorous peak into her childhood during which she had but a mere smattering of religion paints the picture of an ordinary girl living an ordinary life As a teen she concluded God was unprovable and never looked back until God decided He wasn t content being a mere possibility Alone one night Nancy happened upon a video of a young man given little time to live Heartfelt compassion morphed into anger as she raised her fists and railed about suffering to a God in whom she didn t really believe To her utter amazement God responded Thus begins her journey in which she traverses a surreal chasm between doubt and belief caught between Heaven and Earth as she struggles to understand messages she was given about suffering reincarnation including her own and humanity s true identity With a sprinkling of light hearted family anecdotes Nancy recalls her progressively more profound experiences within the context of earthly

reality Interactions with God Jesus and angels chip away at her agnosticism until one day something so amazing happens it obliterates all traces of doubt Between scenes Nancy looks at various religious traditions and present day near death experiences uncovering information supporting what she was told by Divine source helping her round out her new picture of reality Her conclusion presents four habits of LOVE by which to live to foster evolution of one s soul as well as the spiritual evolution of humanity Praise for Caught Between Heaven Earth I am proud of Nancy for her courage in sharing her story with us that we might find light in it It is valuable that she is open and sharing of her reproachment to God Nancy went in as an agnostic and exited as a full on believer Kudos to Nancy for her persistence in continuing the work in having courage and resilience and in doing it in a world too often filled with darkness What a lesson for the rest of us Dr Doris Eliana Cohen PhD Repetition and Dreaming on Both Sides of the Brain Nancy van Alphen takes you by the hand and ushers you into her mind and then into her heart where you experience her intimate and breathtaking journey from agnosticism to spirituality Her authentic report begins with angels at her door That day marked the beginning of her transformation which she describes in honest detail Hers is a journey similar in its mystical nature to that which I and countless others have experienced in this time of rising awareness The truths that unfold to Nancy in surprising even astonishing ways will resonate in the heart of experiencers and non experiencers alike Emily Rodavich Mystical Interludes and Mystical Interludes II **NO GOD?**

Transgressive insightful and candid Leaving God Behind is a memoir of following God beyond God to a place of self compassion surrender and homecoming **I'm Spiritual Not Religious** David Cooper,2015-06-22 **Unitive Awareness** Marshall Davis,2021-06-17 In 2012 my life opened up into Unitive Awareness These days it is often called nonduality It is the fulfillment of the prayer Jesus offered on our behalf on the night before he died In the Gospel of John Jesus prayed for his disciples in the first century Then he said My prayer is not for them alone I pray also for those who will believe in me through their message that all of them may be one Father just as you are in me and I am in you May they also be in us so that the world may believe that you have sent me I have given them the glory that you gave me that they may be one as we are one I in them and you in me so that they may be brought to complete unity Other translators render this last phrase perfectly one or completely one Coming to know this oneness was the culmination of over forty years of spiritual investigation during my life During those forty years there had been two previous openings to the Divine three in all spaced approximately twenty years apart In each instance the separate personal human self dissolved into awareness that I experienced as union with God The two initial openings were temporary The first in 1973 lasted only a few minutes and the second in 1993 lasted months But the third in 2012 has not ceased in the nine years since It remains the ever present substratum of living At the time of this spiritual awakening I had recently been called to serve as the pastor of a community church in rural New Hampshire As a pastor I attempted to preach in such a way as to bridge the gap between my experience and the experience of the people in my church who were under my spiritual charge Upon my retirement from pastoral ministry in 2016 I was able to speak about unitive awareness more often and more directly I did not have to address where people were spiritually I could speak from where I was spiritually Then in 2020 the coronavirus epidemic struck It turned out to be a blessing for my ministry The enforced seclusion of the pandemic gave me the time and opportunity to share my thoughts on the subject with a wider audience I started a podcast called The Tao of Christ and a YouTube channel called Christian Nonduality In this setting I was able to explore in depth the nondual awareness that had become the fabric of life Those who were interested could tune in those who were not could tune out I was able to explore how best to articulate Christian nonduality For over a year I posted from one to three episodes per week I began to hear from people from all around the world who resonated with what I had to say Many listeners had left Christianity but had retained a belief that the teachings of Christ were still important and contained something more profound than the church taught Others were Christians who had remained in the church but felt like outsiders They struggled to remain faithful to a religion that did not proclaim Jesus gospel of oneness with God Others came from non Christian backgrounds and were excited to learn that the truths that they knew were also taught by the Christ Out of this year of podcasts and videos have emerged three books The Gospel of Nonduality goes through the Gospel of John expounding the nondual teachings of Jesus Biblical Nonduality reveals the nondual pointers in many famous stories and sayings in the Old and New Testament This present book contains teachings on a variety of spiritual topics They were

originally broadcast as independent episodes and therefore the reader will notice some overlap in the topics of discussion
This book is published in the hope that it will make the teachings of Christian Nonduality more widely available
