Divorce A Biblical Christian Perspective:

Christian view of divorce according to the teachings of the New testament Shaner,2023-07-10 *Divorce and Remarriage* H. Wayne House,1990-04-20 Editor H Wayne House introduces a lively debate on varying Christian views of divorce and remarriage Contributors include J Carl Laney William Heth Thomas Edgar and Larry Richards A Christian View of Divorce Donald W. Shaner,1969 *A Difficult Passage* Glenn A. Lafferty,2013-05 There s nothing good about a divorce It is one of the most painful experiences a person can endure What s worse is that if one is a Christian and divorced what he or she often finds is that the institution meant to heal the brokenhearted the church often sounds more like an adversary rather than an advocate Too often they are intentionally re classified as second class Christians Why is this so Should this be so A Difficult Passage is a call to rethink in Biblical and compassionate terms the traditional conservative views of divorce and remarriage Readers will navigate their way through difficult questions such as What was God s original intent when He designed marriage What role did history and culture play in shaping modern opinion and doctrine Once a person is married can they ever be considered unmarried in the eyes of God Did God make provision for divorce as a corrective measure to insure justice for the innocent Once divorced can a person ever remarry Does remarriage constitute perpetual sin From where did the modern church get its marital views **Christian Divorce Wars** Dr. Sharon Smith-Koen,2013-07-22 There is a war going on in the Christian realm and conservative churches across the nation choose to ignore and avoid hoping the turmoil will subside if we just pretend it does not exist Christian Divorce Wars is a book written from the heart of a woman once ripped apart by the ravishing of a divorce war that left her and her children trapped in a dug out of despair Although not a biographical portrait the book gives the reader a glimpse of the hurt and desperation of the wounded soldiers caught in this often overlooked war which rages within the walls of the sophisticated church The reader is taken on a journey from Genesis to Revelation and given an introspective view of Gods most treasured creation man and woman and why he looks with tear swelled eyes on parental disputes and the children caught in the crossfire The reader is also given a scope of how divorce has corralled its way through Gods Bride the church leaving a trail of emotionally dead soldiers in its tracks The book is chock full with research that brings one to the conclusion that divorce is an epidemic easily spread as the church continues to overlook the signs and symptoms The book reveals the Biblical counselor as the assistant necessary to bring the divorce war to a screeching halt when sought after by soldiers in the heat of the battle The reader is given a panoramic view of God as healer forgiver and friend who while looking at the divorce decree slams the gavel of His Word declaring Divorce Denied **The Christian Marriage & Divorce** Nahum E. Adamu,198? **Cracked: a Biblical Perspective on Divorce** Bishop Henry R. Griffin,2016-10-27 In my world of Conservative Christian policies a divorce was unthinkable Men and women whose training and background actively prohibited divorce and were very quick to chastise and condemn divorcees Therefore this work simply began as a group of self help notes designed to help me survive the many

unpleasant conversations I had with my religious friends I fully recognize some of the concepts provided in this book may contradict certain Conservative Christian viewpoints However they are all 100% scriptural This book was written to bring comfort to those who have experienced a divorce and want to remarry To accomplish this goal I had to crack the language code Too many of our modern bibles have adjusted the language to promote the Conservative Christian story I did not write this book to promote divorce Within the pages of this writing are helpful nuggets designed to assist with conversations between husbands and wives Ive also included strategies to help maintain a healthy marital relationship Finally this book was designed to assist individuals with overcoming the victimization stigmatization isolation embarrassment shame and the other sorrows based in ignorance that accompany a divorce in certain religious communities

So You Are a Believer... Who Has Been Through Divorce Joseph J. Pote, 2011-08-01 When the life of a Christian believer is struck by the tragedy of a failed marriage what is a godly response What is God's heart toward His children who have experienced divorce On the topic of divorce the Christian church has developed a system of biblically unsubstantiated myths that encourage legalistic attitudes toward believers who have experienced divorce For Christians who have experienced divorce belief in these myths acts as a barrier distancing their relationship with God and isolating them from fellow believers In this insightful book Joseph Pote takes a myth buster approach in frankly addressing these misconceptions beginning with the myth that divorce is sin Readers of this book will experience the liberating joy of lifted guilt and renewed intimacy with the Father as each myth is exposed in the light of God's truth revealed in this biblical perspective of covenant and redemption

Make Like Lazarus Mark Youngkin, 2017-10-16 Proceeding with life after divorce in a way that honors God can lead to great joy including the joy of a subsequent marriage Reflecting on his own journey Mark Youngkin offers hope for moving beyond the heartbreak of divorce Just as Jesus called Lazarus from his grave He calls those who have experienced divorce to return to life as well

Marriage Wilber T. Dayton, Wayne E. Caldwell, Carl Schultz, 1984 **One Flesh** Joe Fogle, 2000 **Covenant Divorce and Putting Away** Vern Peltz, 2017-10-26 Divorce is a very painful event especially in the Christian community It is misunderstood and can carry a tremendous amount of stigma and shame It often brings criticism separates friends and family causes the divorcees to leave their church and typically leaves them questioning their faith and future marriage options Yet it is a reality that people are faced with on a daily basis We can't ignore it and expect it to go away How do we deal with it What does the Bible say about it How is a believer to view and feel about it What does God think of Divorce Can a Divorced believer Remarry Surprisingly the Bible has quite a lot to say about the subject And it doesn't say what most Christians think it says Many sincere and God Loving people have suffered needlessly because of the misunderstandings incorrect teachings and doctrines that surround the subject This book gives solid scriptural insight into many aspects of Divorce including the fact that the Bible clearly shows that Divorce is not a sin as so many have been taught Before Divorce can be understood from God's perspective we need to understand Marriage from His perspective It was God who designed

and instituted marriage How He views marriages and what He considers to be a marriage are very important if we are going to understand Divorce and the possibility of Remarriage In order to help us understand God s perspective a considerable amount of the book deals with what a Covenant is and how it pertains to marriage These chapters are invaluable to anyone who would like to see marriage explained from the aspect of Covenant which is how God views marriages This portion of the book is a tremendous asset in helping improve and fine tune any marriage The process of Putting Away which results in Divorce is detailed Unfortunately this aspect of the process is virtually unknown to most believers Yet from God s perspective it is the most important element of the entire process If you are going to understand Divorce you must understand Putting Away The scriptural perspective of Remarriage is also dealt with If you or someone you know has struggled with the pain guilt confusion and uncertainty that follows most Christians who have been divorced this book will be a tremendous help to you

Remarriage after Divorce in Today's Church Zondervan,2009-12-15 Despite a strong belief in the institution and sacredness of marriage studies show that Christian spouses experience divorce at least as much as the secular population But whatever the reasons for a divorce beyond the divorce itself many Christians want to know does the Bible support remarriage The fact is that no consensus exists among evangelicals on their views of remarriage leaving many Christians confused This Counterpoints volume explores the biblical and practical cases for the three main evangelical views on remarriage after divorce Remarriage is not acceptable after divorce defended by Gordon J Wenham Remarriage is acceptable only after adultery or desertion defended by William A Heth Remarriage is acceptable for a variety of reasons defended by Craig S Keener Each of the three contributors offers his point of view succinctly and with biblical support and each interacts with the others to help readers come to their own conclusions The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

A Biblical Study of Divorce Dale Fisher, 2004-08 Having been taught the strict Traditional View the author studied the Scripture and concluded that this view is lacking both biblically and in practice as are the Traditional Dissolution Divorce the Betrothal and the Consanguinity views Studying all the pertinent passages the author adopted what he calls the More Liberal Dissolution Divorce View The two testaments teach the same view on divorce and remarriage with one exception The New Testament passages of Jesus and the Apostle Paul are interpreted in harmony with Greek grammar and the meaning of words The author concluded that the divorce teaching of Scripture is addressed only to believers and that it is time to stop the hypocrisy fostered by the other views of professing a certain belief but not daring to implement that belief in practice The author knows of no study in print that reaches these important conclusions

Divorce and Remarriage Tom Roberts, 2018-03-22 From the birth of Christianity and with the Christian churches separation from Judaism a tragic misunderstanding of marriage and divorce has occurred Not only have we lost the understanding of biblical marriage counsel and wisdom we have also lost the process of marriage and its biblical allowances for separation of man and wife under certain conditions Christianity often fails to understand the biblical practice of marriage as well as divorce and remarriage Our Lord employed rabbinic teaching to uplift the status of women in his temple discourses with Jewish sects such as the Sadducees and many groups of Pharisees Unless we understand the Semitic discussion within those groups and properly translate Our Lord's response to these questions his teaching is held in tension with that of the epistles of Paul Jesus and Paul are dealing with different case studies together with different communities of

faiths which affects how we should interpret the general message contained in the text These misinterpretations of this vital information have needlessly ruined the lives of many innocent victims It is long overdue for the Christian Church to reevaluate her response to this growing problem There is a blessing for those who will receive this teaching What the Bible Says about Divorce and Remarriage Wayne Grudem, 2021-01-28 New from Bestselling Author Wayne Grudem The topic of divorce is a complicated one even among Christians The Bible provides some clear answers but gray areas remain In this short booklet theologian Wayne Grudem offers a thought provoking analysis of what the Bible says and doesn't say about divorce and remarriage
