Doing Research In Fashion And Dress An Introduction To Qualitative Methods:

Doing Research in Fashion and Dress Yuniya Kawamura, 2011-03-15 Provides readers with a guided introduction to the key qualitative methodological approaches and shows students how to do research by combining theoretical and practical perspectives

Doing Research in Fashion and Dress Yuniya Kawamura, 2020-01-09 Whether you're investigating fashion as a material object, an abstract idea, a social phenomenon, or a commercial system, qualitative techniques can further your understanding of almost any research topic. *Doing Research in Fashion and Dress* begins by guiding you through a brief history of fashion studies and the debates surrounding it, before introducing key qualitative methodological approaches including ethnography, semiology, and object-based research. Detailed case studies demonstrate how each methodology is used in practice. These case studies include Japanese subcultures, fashion photography, blogs, and semiotic studies of fashion magazine shoots and advertisements. This second edition also features a new chapter on internet sources and online ethnography, reflecting the adoption of social media tools not only by industry practitioners but also by academics. By contextualizing history, theory, and practice, *Doing Research in Fashion and Dress* offers a systematic examination of qualitative research methods in fashion studies in social sciences. A practical guide for anyone wishing to conduct fashion research in academia or in the business world. An accessible grounding in contemporary fashion studies literature.

Fashion-ology Yuniya Kawamura, 2023-07-13 This new edition of a classic work offers a concise introduction to the sociology of fashion and demystifies the workings of the fashion system. From the origins of fashion studies and the difference between clothing and fashion through to an examination of 21st-century subcultures and the impact of the digital age on designers, *Fashion-ology* explores fashion as a global institutionalized system. With accessible overviews of key debates, issues, and perspectives, Yuniya Kawamura provides a complete exploration of the field. Two new chapters have been added for this third edition, covering *The Diversification and Changing Landscapes of Fashion Systems* and *Ecological and Social Sustainability in Fashion*, respectively. There's also more on the metaverse as the latest fashion system, the de-Westernization of fashion, postmodern discourse on fashion's relationship to race, gender, and class, social media as consumption, production, evaluation, and marketing, fashion weeks including Modest Fashion Week, Black Fashion Week, the Global Sustainability Fashion Week, and Queer Fashion Week. There's also a guide to sociological research in fashion, making this essential reading for anyone studying fashion sociology, anthropology, or cultural studies.
