Exploring Sociology Bruce Ravelli,Michelle Webber,2016 **Exploring Sociology** Bruce Douglas Ravelli,Michelle Webber,2010 **Exploring Sociology** Bruce Ravelli,Michelle Webber,2012-01-01 Written with students in mind Exploring Sociology A Canadian Perspective is truly a students first resource Revised to reflect student feedback and input the second edition is even more accessible inspiring and relevant With the intent of helping you succeed in sociology courses and in life the authors have provided you with the tools to help you think like a sociologist **Exploring Sociology--a Canadian Perspective [by] Bruce Ravelli, Michelle Webber ,2010 *Exploring Sociology* Bruce Ravelli,Michelle Webber,2014-12-29 *Perspectives on Flourishing in Schools* Sabre Cherkowski,Keith Walker,2018-08-15 This book provides perspectives and insights across the educational system for how we might move toward living out this wish in all schools The chapters provide perspectives on fundamental questions that have been guiding recent research on wellbeing in schools How do school communities flourish together How does supporting educator wellbeing connect to teaching learning leading in schools What characteristics qualities and strategies support the wellbeing of the whole school community This book is unique in that it answers these questions from the perspectives of teachers students administrators in K 12 schools as well as from university and the wider community Importantly these chapters provide a repertoire of varied answers to the question that underpins this shift in research toward a positive organizational perspective How can we leverage what works well to grow more to instill in each community member a sense of their value and capacity to contribute These chapters serve as examples invitations and inspiration for readers to notice in their own contexts ways they can grow wellbeing through a focused attention on building appreciative strengths based positive approaches to teaching learning and leading in all schools **Routledge International Handbook of Qualitative Nursing Research** Cheryl Tatano Beck,2013-04-17 Qualitative research once on the fringes now plays a central part in advancing nursing and midwifery knowledge contributing to the development of the evidence base for healthcare practice Divided into four parts this authoritative handbook contains over forty chapters on the state of the art and science of qualitative research in nursing The first part begins by addressing the significance of qualitative inquiry to the development of nursing knowledge and then goes on to explore in depth programs of qualitative nursing research The second section focuses on a wide range of core qualitative methods from descriptive phenomenology through to formal grounded theory and to ethnography and narrative research The third section highlights key issues and controversies in contemporary qualitative nursing research including discussion of ethical and political issues evidence based practice and Internet research The final section takes a unique look at qualitative nursing research as it is practiced throughout the world with chapters on countries and regions from the UK and Europe North America Australasia Latin America to Japan China and Korea With an international selection of established scholars contributing this is an essential overview and will help to propel qualitative research in nursing well into the twenty first**

century It is an invaluable reference for all nursing researchers *Routledge Handbook of Sport for Development and Peace* Holly Collison, Simon C. Darnell, Richard Giulianotti, P. David Howe, 2018-10-09 Sport and physical activity are now regularly used to promote social and economic development peacebuilding and conflict resolution on an international scale The emergence of the Sport for Development and Peace SDP sector comprised of governments NGOs sport organizations and others reveals a high level of institutionalization of this activity while SDP now constitutes an important element of the scholarly analysis of sport This volume analyses and critically discusses the central elements of and research issues within the field of SDP and also provides a series of case studies substantive and geographic of key research It is the most holistic and far reaching text published on this topic to date Featuring multidisciplinary perspectives from world leading researchers and practitioners from around the world the book covers a wide range of topics including SDP structures policies and funding streams how SDP relates to human rights social exclusion and corporate social responsibility SDP and gender SDP and disability SDP and health SDP and homelessness and SDP and the environment The Handbook of Sport for Development and Peace is a vital resource for researchers students and educators in the fields of sports studies physical education sport for development and peace sport based youth development sport and politics sociology of sport and sport policy **The Routledge International Handbook of Organizational Autoethnography** Andrew Herrmann, 2020-07-16 For nearly 40 years researchers have been using narratives and stories to understand larger cultural issues through the lenses of their personal experiences There is an increasing recognition that autoethnographic approaches to work and organizations add to our knowledge of both personal identity and organizational scholarship By using personal narrative and autoethnographic approaches this research focuses on the working lives of individual people within the organizations for which they work This international handbook includes chapters that provide multiple overarching perspectives to organizational autoethnography including views from fields such as critical postcolonial and queer studies It also tackles specific organizational processes including organizational exits grief fandom and workplace bullying as well as highlighting the ethical implications of writing organizational research from a personal narrative approach Contributors also provide autoethnographies about the military health care and academia in addition to approaches from various subdisciplines such as marketing economics and documentary film work Contributions from the US the UK Europe and the Global South span disciplines such as organizational studies and ethnography communication studies business studies and theatre and performance to provide a comprehensive map of this wide reaching area of qualitative research This handbook will therefore be of interest to both graduate and postgraduate students as well as practicing researchers Winner of the 2021 National Communication Association Ethnography Division Best Book Award Winner of the 2021 Distinguished Book on Business Communication Award Association for Business Communication **A Hospitable World?** David Jordhus-Lier, Anders Underthun, 2014-10-30 The hospitality and tourism sector is a large and rapidly expanding industry worldwide and can rightfully be described as a

vehicle of globalisation Hotels are among the cornerstones of the industry often drawing workers from the most vulnerable segments of multicultural labour markets accommodating and entertaining tourists and business travelers from around the world This book explores the organisation of work worker identities and worker strategies in hotel workplaces as they are located in heterogeneous labour markets being changed by processes of globalisation It uses an explicitly geographical approach to understand how different groups of workers experience and respond to challenges in the hospitality industry and is based on recent theoretical debates and empirical research on hotel workplaces in cities as different as Oslo Goa London Las Vegas and Toronto A multi scalar analysis is taken where concrete worker bodies and their physical emotional and embodied labour are seen in relation to among other aspects the regulation of national and regional labour markets city governments with global city ambitions and global corporate actors and labour migration patterns The book sheds light on the hotel workplace as a hierarchical and fragmented social space as well as addressing questions on worker mobility the fragmentation of work scales of organisation and how workers can help shape the regulation of their industry This timely volume brings together contributions from international academics and is valuable reading for all those interested in hospitality tourism human geography and globalisation *Making Language Visible in the University* Bee Bond,2020-08-05

This book focuses on the nexus of language disciplinary content and knowledge communication against the background of the economic cultural and ideological forces of Higher Education s current push for internationalisation It suggests the need for a greater synergy between language and content experts and argues that change needs to be implemented through policy rather than on an ad hoc basis by individual teachers It is a call to action for English for Academic Purposes practitioners to find a way out of the silo of their own centres and work to assert influence over the wider context in which they work The book begins and ends in the practice of teaching with a focus throughout on understanding the barriers and enablers to that practice within a particular context **Sociology** Lorne Tepperman,James E. Curtis,Patrizia Albanese,2009-05-07 In this contributed text students are introduced to the fascinating world of sociology through an impressive collection of writings Editors Lorne Tepperman and Patrizia Albanese have assembled an array of experts to explain key concepts of sociology in ways that students will understand and enjoy The subjects covered including socialization gender education deviance politics and the environment are relevant relatable and combine the essentials of sociology with additional coverage of issues not typically featured in other texts *Sociology A Canadian Perspective* explores Canadian society and its place in the world The core text is aimed very specifically at full year introductory sociology courses instructors who want a higher level text to challenge and engage their students and instructors who prefer the flexibility in choice in terms of content and ancillary material that a big book brings All aspects of the text have been thoroughly revised and updated for this second edition including new chapters on theory mass media and sexuality as well as new references inserts learning materials and photos As an added feature the text now comes packaged with engaging video clips from the CBC on DVD These mini documentaries

relate to topics in the text and are guaranteed to stimulate classroom discussion *Assembling Financialisation* Zannie Langford, 2023-10-13 Farmers Indigenous organisations government and private sector intermediaries from remote Northern Australia often negotiate with private finance capital to gain funds for agricultural development The concept of financialisation is used to explore the drivers and effects of agrifood restructuring in the area while assemblage theory is applied to position local actors as potential sites of power in negotiating connections between local spaces and global finance This book demonstrates that while financialisation is a useful signifier of patterns of global change it is assembled by a diverse range of often contradictory work **Sport Management in Australia** David Shilbury, Pamm Phillips, Adam Karg, Katie Rowe, Hunter Fajak, 2023-08-14 This is the only book to introduce the history organisation management and development of sport in Australia Now in a fully revised and updated sixth edition it is the perfect foundation text for anybody looking to understand the policies processes and practices that help maintain Australia's position as a powerhouse of global sport This book outlines trends in participation the role of government and private organisations different models of delivering sporting services and the benefits and drawbacks of increasing commercialisation Covering sport at all levels from community sport to elite level including mega events such as the Olympics and Commonwealth Games this sixth edition includes three brand new chapters looking at the sport workforce innovative delivery models and sustainable sport This book also considers the Australian system in a global context drawing comparisons with other sporting systems around the world Every chapter offers useful features such as review questions case studies and practical examples Sport Management in Australia is an essential text for any sport management sport policy or sport development course This book is accompanied by PowerPoint slides and exam questions for each chapter Principles of Sociology James E. Curtis, Lorne Tepperman, 2006 A brief version of Lorne Tepperman's and James Curtis Sociology Canadian Perspectives this text introduces students to the study of sociology through an overview of sociological theories and research methods and a discussion of how these are applied to the study of major social processes and institutions A team of contributors explain key concepts and theories by examining Canadian society within a global context **Canadian Periodical Index**, 1997 *Sociology*, 2012-04-05 Sociology A Canadian Perspective third edition is a comprehensive and engaging introduction to sociology Drawing on the many dimensions of social life this text offers a detailed overview of social theory and Canadian society **Association for Social Anthropology in Oceania Newsletter** Association for Social Anthropology in Oceania, 1995 *Sociology* Lorne Tepperman, Patrizia Albanese, 2015-12-01 Still the most comprehensive and accessible Canadian introduction to sociological theory and issues available this fourth edition encourages students to identify and analyze how sociology intersects with their own lives With chapters contributed by over 30 renowned Canadian sociologists writing in their areas of expertise this book offers extensive Canadian and international examples and a unified voice throughout New to this edition is a chapter on technology and society that examines a number of fascinating issues from technology and inequality to online identity

tocyberbullying and online deviance giving students insight into how technology has affected their everyday lives The text also includes a new Researchers in Action boxed feature that profiles Canadian sociologists giving students examples of the exciting work that has been undertaken in varioussub disciplines of sociology right here in Canada Incisive authoritative and engaging Sociology A Canadian Perspective offers an in depth introduction to this dynamic discipline Families in Society,2007
