Excerpt from Lincoln Sheet Music Check List Sheet music seems to have found no place in the various classifications of Lincolniana compiled by bibliographers Possibly the selections containing both words and music should have received recognition along with other printed leaflets but then of course instrumental music would not be eligible Single sheets printed on one side containing Lincoln verses and sometimes music are properly listed as broadsides and not included here As far as we can learn this check list is the first attempt to compile and identify sheet music and might be called a preliminary study in this field About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
