Dream Big How The Brazilian Trio Behind 3g Capital :

Dream Big Cristiane Correa,2017-09-07 The 3G Capital business model is based on philosophies of Goldman Sachs in finance and Walmart in retail It is a philosophy combining meritocracy and efficiency and gives the best workers the opportunities to become shareholders Following the merger of two of Brazil s largest brewers to form Ambev 3G s international expansion led to the founding of InBev and eventually to the purchase of Anheuser Busch and the creation of AB InBev the world s largest brewing company They have since become the owners of three other global American icons the Burger King hamburger chain and then Heinz and Kraft Foods together with their partner Warren Buffet s Berkshire Hathaway Subsequently they acquired control of SABMiller the world s second largest brewer and more recently have made an approach to acquire Unilever together with Berkshire Hathaway The culture forged by the trio who are 3G Capital is seen as highly effective by its admirers and overaggressive by its critics But there is little doubt that their approach has improved the performance of all of the companies in which they are involved and unlike many private equity companies 3G provides hands on management and remains committed for the long term Having been given unprecedented access to the trio and to over 100 people representing both sides of the negotiations the author presents a detailed behind the scenes portrait of the meteoric rise of three businessmen to their present role as managers of some the largest food and drinks companies in the world and how they have revolutionized all of the companies that they have acquired **Dream Big** Cristiane Correa,2013

The Lonely Quest of Unilever's CEO Paul Polman Jeroen Smit,2023-07-25 When Paul Polman became the CEO of the multinational Unilever in 2009 he set out on a quest to convince his colleagues his board and the outside world that companies do not have the right to exist if their only purpose is making money More importantly he set out to prove that a company could in fact be both profitable and sustainable The Great Battle or The Lonely Quest of Unilever s CEO Paul Polman investigates how Polman navigated between making money and doing the right thing Smit convincingly argues that Polman was too far ahead of his time but that his ideas about responsible capitalism are the very thing we need to turn the tide

Summary of Cristiane Correa's Dream Big Everest Media, 2022-04-29T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 Brazilian businessman Jorge Paulo Lemann was traveling in the Gobi desert in 2008 when his Blackberry started ringing non stop He was on holiday with his wife Susanna and a couple of friends former Brazilian president Fernando Henrique Cardoso and his wife Ruth They were anxious to see one of the world's largest deserts 2 The Brazilian threesome led by Jorge Lemann bought control of the Rio based brewer in 1989 They knew nothing about the beer industry but they were able to make money through an investment bank called Garantia 3 The American brewer Anheuser Busch was like a doting mother who let her spoiled children buy anything they wanted The InBev

executives were well aware of these differences They made a deal with Anheuser Busch in 2006 to allow them to become Inbev s official importer in the US 4 The meeting was arranged for June 2 in Tampa Florida Lemann asked Busch to come unaccompanied by any advisers or consultants Telles would be with him Although Busch an heir who did not know his company well would be facing two experienced businessmen and former bankers he rashly agreed to this proposal
