Duramazwi Desmond Dale,1981 The companion volume to A Basic English Shona Dictionary is now widely available for the first time outside Africa It contains some 6 000 main entries and an additional 700 words derived or borrowed from other languages For each entry definitions in Shona and English translations are given Some introduction on the structure of the Shona language is provided **Duramazwi redudziramutauro nouvaranomwe** Herbert Chimhundu,Emmanuel

Chabata,2007 Dictionary of terms used in language and literature studies giving phonological and grammatical information as well as definitions variants and synonyms in Shona An English language listing of terms with their Shona equivalents is provided in the second part *Duramazwi ReChishona* Herbert Chimhundu,1996 A Shona dictionary *Language Matters in Contemporary Zimbabwe* Collen Sabao,Esther Mavengano,2024-06-17

Speaking to a broader global preoccupation with the state of languages and language development this book considers issues surrounding the diverse languages linguistic communities and cultures of Zimbabwe Reflecting on Shona Xitsonga Sotho Xhosa Tjwao Nambya IsiNdebele Nyanja Tshivenda English and Braille the book uncovers both the internal and external factors that impact language structures language use and language ideologies across the country The book considers how colonial legacies and contemporary language domination and minoritisation have led to language endangerment It considers the fate of communities whose languages are marginalised and in the process poses questions on what can and should be done to preserve Zimbabwean languages The authors offerings range across subjects as diverse as music linguistic innovation education human rights literature language politics and language policy in order to build a rich and nuanced picture of language matters in the country Coming at a critical moment of increasing mobility migration cultural plurality and globalisation this book will be an important resource for researchers across African literature linguistics communication policy and politics **Languages and Education in Africa** Birgit Brock-Utne,Ingse Skattum,2009-05-11

The theme of this book cuts across disciplines Contributors to this volume are specialized in education and especially classroom research as well as in linguistics most being transdisciplinary themselves Around 65 sub Saharan languages figure in this volume as research objects as means of instruction in connection with teacher training language policy lexical development harmonization efforts information technology oral literature and deaf communities The co existence of these African languages with English French and Arabic is examined as well This wide range of languages and subjects builds on recent field work giving new empirical evidence from 17 countries Botswana Ethiopia Ghana Kenya Madagascar Malawi Mali Mozambique Niger Nigeria Senegal South Africa Swaziland Tanzania Uganda Zambia and Zimbabwe as well as to transnational matters like the harmonization of African transborder languages As the Editors a Norwegian social scientist and a Norwegian linguist both working in Africa have wanted to give room for African voices the majority of contributions to this volume come from Africa *Dictionaries. An International Encyclopedia of Lexicography* Rufus Gouws,Ulrich Heid,Wolfgang Schweickard,Herbert Ernst

Wiegand,2013-12-18 The basis for this additional volume are the three volumes of the handbooks Dictionaries An International Encyclopedia of Lexicography HSK 5 1 5 3 published between 1989 and 1991 An updating has been perceived as an important desideratum for a considerable time In the present Supplementary Volume the premises and subjects of HSK 5 1 5 3 are complemented by new articles that take account of the practice internal and theoretical developments of the last 15 years Special attention has been given to the following topics the status and function of lexicographic reference works the history of lexicography the theory of lexicography lexicographic processes lexicographic training and lexicographic institutions new metalexicographic methods electronic and especially computer assisted lexicography **Festschrift Rufus**

H. Gouws Willem Botha,Paul Mavoungou,Dion Nkomo,2013-06-01 The range of languages covered by the lexicographic investigations reported on e g Afrikaans English Northern Sotho Yilumbu Fang French and Dutch is a clear indication of the wide ranging influence of Rufus Gouws to whom the work is dedicated Southern Africa Political & Economic Monthly ,1996 **Zambezia** ,2002 *Lexikos* ,2001 *Encyclopedia of Language and Linguistics* ,2005-11-24 The first edition of ELL 1993 Ron Asher Editor was hailed as the field s standard reference work for a generation Now the all new second edition matches ELL s comprehensiveness and high quality expanded for a new generation while being the first encyclopedia to really exploit the multimedia potential of linguistics The most authoritative up to date comprehensive and international reference source in its field An entirely new work with new editors new authors new topics and newly commissioned articles with a handful of classic articles The first Encyclopedia to exploit the multimedia potential of linguistics through the online edition Ground breaking and International in scope and approach Alphabetically arranged with extensive cross referencing Available in print and online priced separately The online version will include updates as subjects develop ELL2 includes c 7 500 000 words c 11 000 pages c 3 000 articles c 1 500 figures 130 halftones and 150 colour Supplementary audio video and text files online c 3 500 glossary definitions c 39 000 references Extensive list of commonly used abbreviations List of languages of the world including information on no of speakers language family etc Approximately 700 biographical entries now includes contemporary linguists 200 language maps in print and online Also available online via ScienceDirect featuring extensive browsing searching and internal cross referencing between articles in the work plus dynamic linking to journal articles and abstract databases making navigation flexible and easy For more information pricing options and availability visit www.info.sciencedirect.com The first Encyclopedia to exploit the multimedia potential of linguistics Ground breaking in scope wider than any predecessor An invaluable resource for researchers academics students and professionals in the fields of linguistics anthropology education psychology language acquisition language pathology cognitive science sociology the law the media medicine computer science The most authoritative up to date comprehensive and international reference source in its field **Education and Development in Zimbabwe** Edward Shizha,Michael T. Kariwo,2012-01-01 The book represents a contribution to policy formulation and design in an increasingly knowledge economy in Zimbabwe It challenges

scholars to think about the role of education its funding and the egalitarian approach to widening access to education The nexus between education democracy and policy change is a complex one The book provides an illuminating account of the constantly evolving notions of national identity language and citizenship from the Zimbabwean experience The book discusses educational successes and challenges by examining the ideological effects of social political and economic considerations on Zimbabwe s colonial and postcolonial education Currently literature on current educational challenges in Zimbabwe is lacking and there is very little published material on these ideological effects on educational development in Zimbabwe This book is likely to be one of the first on the impact of social political and economic meltdown on education The book is targeted at local and international academics and scholars of history of education and comparative education scholars of international education and development undergraduate and graduate students and professors who are interested in educational development in Africa particularly Zimbabwe Notwithstanding the book is a valuable resource to policy makers educational administrators and researchers and the wider community Shizha and Kariwo s book is an important and illuminating addition on the effects of social political and economic trajectories on education and development in Zimbabwe It critically analyses the crucial specifics of the Zimbabwean situation by providing an in depth discourse on education at this historical juncture The book offers new insights that may be useful for an understanding of not only the Zimbabwean case but also education in other African countries Rosemary Gordon Senior Lecturer in Educational Foundations University of Zimbabwe Ranging in temporal scope from the colonial era and its elitist legacy through the golden era of populist universal elementary education to the disarray of contemporary socioeconomic crisis covering elementary through higher education and touching thematically on everything from the pernicious effects of social adjustment programmes through the local deprofessionalization of teaching this text provides a comprehensive wide ranging and yet carefully detailed account of education in Zimbabwe This engagingly written portrayal will prove illuminating not only to readers interested in Zimbabwe s education specifically but more widely to all who are interested in how the sociopolitical shapes education how ideology policy international pressures economic factors and shifts in values collectively forge the historical and contemporary character of a country s education Handel Kashope Wright Professor of Education University of British Columbia
