Hall of Small Mammals Thomas Pierce, 2016-01-12 A wild inventive ride of a short story collection from a distinctive new American storyteller The stories in Thomas Pierce's Hall of Small Mammals take place at the confluence of the commonplace and the cosmic the intimate and the infinite A fossil hunter a comedian a hot air balloon pilot parents and children believers and nonbelievers the people in these stories are struggling to understand the absurdity and the magnitude of what it means to exist in a family to exist in the world In Shirley Temple Three a mother must shoulder her son's burden a cloned and resurrected woolly mammoth who wreaks havoc on her house sanity and faith In The Real Alan Gass a physicist in search of a mysterious particle called the daisy spends her days with her boyfriend Walker and her nights with the husband who only exists in the world of her dreams Alan Gass Like the daisy particle itself forever locked in a curious state of existence and nonexistence sliding back and forth between the two the stories in Thomas Pierce's Hall of Small Mammals are exquisite mysterious and inextricably connected From this enchanting primordial soup Pierce's voice emerges a distinct and charming testament of the New South melding contemporary concerns with their prehistoric roots to create a hilarious deeply moving symphony of stories

The Afterlives Thomas Pierce, 2019-01-08 Ridiculously good The New York Times author Thomas Pierce's debut novel is a funny poignant love story that answers the question What happens after we die Lots of stuff it turns out Jim Byrd died Technically For a few minutes The diagnosis heart attack at age thirty Revived with no memory of any tunnels lights or angels Jim wonders what if anything awaits us on the other side Then a ghost shows up Maybe Jim and his new wife Annie find themselves tangling with holograms psychics messages from the beyond and a machine that connects the living and the dead As Jim and Annie journey through history and fumble through faith they confront the specter of loss that looms for anyone who dares to fall in love Funny fiercely original and gracefully moving The Afterlives will haunt you In a good way
