Happiness Is A Choice Barry Neil Kaufman:

Happiness is a Choice Barry Neil Kaufman, 1991 I have long admired the word of Barry and Suzi Kaufman In this new book Barry very explicitly reveals the options and choices we can all make to find the road to happiness Bernie Siegel M D Author of LOVE MEDICINE AND MIRACLES Barry Kaufman demonstrates clearly and dramatically that the potential for happiness is inside each of us He and his wife have observed that people who are most successful in finding happiness share certain traits And he has used these traits to create six Shortcuts to Happiness that you can begin using immediately Kaufman demonstrates clearly and dramatically how to make the choice by making love a viable vital useful force in our daily lives

The Road to Happiness Mac Anderson, BJ Gallagher, 2011-01-01 Are you as happy as you want to be Does everyone else s life seem perfect And yours well not so much Many of us tie our happiness to external factors or feel on the short end of the stick when comparing our lives to those of other people But sometimes appearances can be deceiving In fact freeing ourselves from perfection can be the one of the keys to being happy with who we are The truth is if you can t find happiness inside yourself you ll never find it in the outside world no matter where you move Wherever you go there you are You take yourself with you This is the essence of happiness learning to find inner contentment in any situation BJ Gallagher and Mac Anderson have teamed up again to put out another fantastic gift book The Road to Happiness is an easy read detailing the collective life wisdom of the two authors and will make a great gift or addition to your own personal library
