On behalf of the candidate, namely: _____, the organization of which I am head, is committed to grant financial support covering living expense, tuition and research fees (as need by the scholarship) and grant employment in the course of his/her postgraduate study. The financial support is intended to last until the completion of the program of study. Moreover, I express the organization's agreement to refrain from obligatory assignments of the candidate which may jeopardize his/her program of study.

I am cognizant of the fact that the concrete realities of the country dictate that education in general, and postgraduate studies in particular, must be geared towards the solution of specific problems affecting the country. I am, therefore, aware of the fact that this specific training my organization is sponsoring must be geared towards fulfilling a definite national purpose. Accordingly, my organization is committed to maintain the monthly salary and an appointment position of the employment after the above mentioned candidate completes his/her postgraduate studies.

Haramaya University Letter Of Sponsorship:

Towards a Shared Vision for Higher Education Siawuch Amini, Michael Fremerey, Siawuch Amini, Michael Fremerey, Matthias Wessler (eds.), 2010 University Sponsorship of Charter Schools in Indiana Jonathan A. Plucker, Ada B. Simmons, Suzanne E. Eckes, Kelly E. Rapp, Sarah A. Benton, Jeffrey Nowak, 2004

There is a dearth of research on the subject of university sponsorship of charter schools. This report intends to increase the knowledge base on university sponsorship of charter schools by examining the climate in Indiana specifically in regard to the decision by only one Ball State of the eligible five universities: Ball State University, Indiana State University, Purdue University, Indiana University, and University of Southern Indiana to authorize charter schools. The Center for Evaluation and Education Policy (CEEP) gathered information on the process each university used to make a decision about sponsoring schools, the university administrators' perceptions of the benefits of and barriers to charter school sponsorship, and the administrators' opinions on the possibility of future sponsorship by their institution. Among the conclusions:

1. Although only one eligible university chose to become a charter school sponsor, each institution seriously investigated its potential role as a sponsor.
2. Reasons for not choosing to sponsor charter schools included the lack of sufficient finances and personnel to support sponsorship, the desire to preserve working relationships with the local school boards, and the belief after it became clear that one university was interested in becoming the major sponsor of charter schools in the state that having more than one sponsoring university would duplicate effort unnecessarily.
3. Other than Ball State, there are no universities in Indiana actively planning to become charter school sponsors; however, administrators at two universities appear willing to consider authorization in the future.
4. University sponsorship of charter schools in Indiana is comparable to university sponsorship in other states.

The report concludes with appendices: A. University and College Authorizers of Charter Schools by State; B. Letter to University Dean of the School of Education; C. University Interview Protocol; and D. Sponsorship Decision Making Process. Contains 4 footnotes. This report was prepared by the Center for Evaluation and Education Policy and submitted to the Indiana Department of Education's Office of Educational Options.
