Black Men Worshipping S. Boyd, 2011-10-24 *Black Men Worshipping* analyzes the discursive spaces where Black masculinity is constructed performed and contested in American religion and culture It judiciously considers the anxiety that emerges from Black male negotiations with these constructions **Ebony**, 2004-09

EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine

We Have Plenty Lorena M. Parrish, 2025 In *We Have Plenty* Lorena Parrish traces the history of theologies of prosperity the ways such theologies appear in the Black church and the unique harms for Black women and communities Parrish then offers a womanist way forward a moral imagination for just social relations Jesus centered economic ethics and Black communal thriving T.D. Jakes Shayne Lee, 2003-01-01

Examines the rise of one of the most prolific spiritual leader of modern times T D Jakes has emerged as one of the most prolific spiritual leaders of our time He is pastor of one of the largest churches in the country CEO of a multimillion dollar empire the host of a television program author of a dozen bestsellers and the producer of two Grammy Award nominated CDs and three critically acclaimed plays In 2001 Time magazine featured Jakes on the cover and asked Is Jakes the next Billy Graham T D Jakes draws on extensive research including interviews with numerous friends and colleagues of Jakes to examine both Jakes s rise to prominence and proliferation of a faith industry bent on producing spiritual commodities for mass consumption Lee frames Jakes and his success as a metaphor for changes in the Black Church and American Protestantism more broadly looking at the ramifications of his rise and the rise of similar preachers for the way in which

religion is practiced in this country how social issues are confronted or ignored and what is distinctly American about Jakes's emergence. While offering elements of biography, the work also seeks to shed light on important aspects of the contemporary American and African American religious experience. Lee contends that Jakes's widespread success symbolizes a religious realignment in which mainline churches nationwide are in decline while innovative churches are experiencing phenomenal growth. He emphasizes the American-ness of Jakes's story and reveals how preachers like Jakes are drawing followers by delivering therapeutic and transformative messages and providing spiritual commodities that are more in tune with postmodern sensibilities. As the first work to critically examine Bishop Jakes's life and message, *T. D. Jakes is an important contribution to contemporary American religion as well as popular culture*. [The Art of Forgiveness](#) Gregory A. Clark, 2011-10-12. A father and his love taught his children of faith, hard work, and overcoming obstacles. Chef was a hard working man who demanded much and gave much to all he encountered. Little did his family realize just how important those life lessons would become as they faced the hardest of challenges without him. Although Chef had guided one child through the pitfalls of drugs and launched others to high achieving college degrees and careers, he wasn't able to help his youngest son succeed and thrive. At least not while he was still alive on this earth. You see, Chef was shot dead by the young son he so desperately wanted to save. *The Art of Forgiveness* is the story of the final chapters of Chef's life legacy as they played out after his death. It is a journey of faith and hope as a family coped with tragedy: times two. A father murdered and a son lost to drugs, mental illness, and the prison system. How was a family to recover from such great and tragic loss? Who would lead them? Was forgiveness even possible? Where would the road to healing start? This is the faith journey of the Clark family as they struggled through and succeeding in the ultimate form of redemption: forgiveness and love. Told by oldest son Greg, it is a tale of not only tragedy but also faith, healing, restoration, and peace. It is a story designed to encourage and inspire. [Now That You Have Your Boaz, Are You Ready?](#) Carol Payne, 2024-12-11. Do you believe in Fairy Tales? Most little girls do. It is something magical about the true love that is found when a maiden meets her prince. In adult life, we keep this dream alive, desiring to meet our Boaz, the man God has for us. But did you ever think that he could be damaged goods with cracks in his foundation? What do you do when he pushes you away, not because he doesn't want you but because he feels unworthy of the love you give? How do you love him past his pain? God is the key that unlocks this opportunity. However, to get Boaz, you must first be Ruth. Are you even ready? **The Commercial Church** Mary Hinton, 2011-05-19. In this new book on the rise of commercial black mega churches, Mary Hinton examines the rich legacy of the historic black church from the dual perspectives of theology and religious education. She explores the new religious models emerging from the tradition of the historic black church and questions whether they are continuing to operate and practice according to the wisdom of this unique form of American religion. Two mega church ministries, those of T. D. Jakes and Creflo Dollar, are examined in detail with regards to how they align with black church religious history. Hinton concludes by proposing that the fastest growing

religious phenomenon within and outside of the black community in the United States the mega church should no longer be analyzed based on size alone Instead Hinton urges readers to consider the ecclesiastical structures of churches in making appropriate assessments in determining should and should not be classified as a commercial church *The Missing Piece* Rob Hill,2018-06-05 For anyone who has suffered pain disappointment or a broken heart entrepreneur and motivational speaker Rob Hill Sr shares the transformational personal story of his struggles and the invaluable lessons those difficult challenges have taught him about looking within to find the power to heal and live a purposeful life Often the greatest opponent we face in the game of life is ourselves We spend hours days and years searching for answers to the questions of our hearts But the answer is there Our full awareness of self our understanding of purpose and our appreciation for the power of love are the missing pieces needed to heal the pain so many us feel It was the answer to the pain I felt These inspirational nuggets of wisdom are just a few of the priceless life lessons that have struck a chord with hundreds of thousands of people and earned Rob Hill Sr the title heart healer Ever since Hill made the courageous decision to dedicate his life to helping others his own painful coming of age experiences homelessness a damaged relationship with his father hours spent contemplating suicide have served as the basis for his positive message of healing and transformation Whether you struggle with fostering healthy relationships finding love believing in yourself overcoming the obstacles life tosses in your way or any other number of conflicting human experiences Hill s perceptive penetrating yet compassionate words will help you find your way The Missing Piece is the captivating story of the man behind the powerful uplifting message part memoir and part roadmap to deep personal contentment and success Getting In Shape God's Way Ron

Black Pain Terrie M. Williams,2008-01-08 Black people are dying everywhere we turn in the faces we see and the headlines we read and we feel emotional pain but we don t know how to tackle it it s time to recognize it and work through our trauma Terrie had made it she had launched her own public relations company with such clients as Eddie Murphy and Johnnie Cochran Yet she was in constant pain waking up in terror overeating in search of relief For thirty years she kept on her game face of success exhausting herself daily to satisfy her clients needs while neglecting her own When she finally collapsed she had no clue what was wrong or if there was a way out She learned her problem had a name depression and that many suffered from it limping through their days hiding their hurt As she healed her mission became clear break the silence of this crippling taboo and help those who suffer especially in the black community Black Pain identifies emotional pain which uniquely and profoundly affects the black experience as the root

of lashing out through desperate acts of crime violence drug and alcohol abuse eating disorders workaholism and addiction to shopping gambling and sex Few realize these destructive acts are symptoms of our inner sorrow In *Black Pain* Terrie has inspired the famous and the ordinary to speak out and mental health professionals to offer solutions The book is a mirror turned on you Do you see yourself and your loved ones here Do the descriptions of how the pain looks feels and sounds seem far too familiar Now you can do something about it The help the community needs is here a clear explanation of our troubles and a guide to finding relief through faith therapy diet and exercise as well as through building a supportive network and eliminating toxic people *Black Pain* encourages us to face the truth about the issue that plunges our spirits into darkness so that we can step into the healing light You are not on the ledge alone [The Danger Habit](#) Mike Barrett,2007-01-16 You've been called adrenaline junkie thrill seeker permanently out of the box difficult and just plain crazy And mostly it's true Whether you show your radical streak in extreme sports supercharged business ventures or high risk relationships you have a full blown danger habit As far as you can tell you were born with it And honestly you wouldn't have it any other way Except when your danger habit betrays you Then your craving for adventure turns into a magnet for disaster You leave a trail of broken commitments and unwise decisions You get trapped in stupid addictions You hurt the ones you love And you end up feeling like a big mistake But what if you were created extreme for a purpose What if the radical faith God has in mind for you doesn't have to come with a dark side What if it actually turned out to be your ultimate rush In his fast paced book *The Danger Habit* surfer and lifelong adventurer Mike Barrett explores the mindset of born radicals and the promise of what he calls adventure faith He combines personal story telling raw honesty and biblical wisdom in a reading experience that will capture your imagination and motivate you to reach for your huge life mission in Christ Story Behind the Book I caused significant pain to my own wife and kids while struggling with an addiction to risk the pursuit of extreme sports and an overwhelming feeling of being bored with many Christians and standard church life My epiphany came a number of years ago when God broke through it all and showed me how propped up my life was without His real presence and power In the end we sold our suburban home moved to the Oregon Coast and started a ministry to surfers Countless lives were changed my wife and I even became pastors Once dead to the life I had pursued God gave me back an adventure I could never have previously dared hope for Mike Barrett **Watch This!** Jonathan L. Walton,2009-02 Through their constant television broadcasts mass video distributions and printed publications African American religious broadcasters have a seemingly ubiquitous presence in popular culture They are on par with popular entertainers and athletes in the African American community as cultural icons even as they are criticized by others for taking advantage of the devout in order to subsidize their lavish lifestyles *Watch This* seeks to move beyond such polarizing debates by critically delving into the dominant messages and aesthetic styles of African American televangelists and evaluating their ethical implications from publisher description *The 7 Principles of Faith-Based Parenting* La Shawn B. Wells CLC JD,2014-09-09 Author La Shawn Wells and

his wife Toi raised three girls who stayed out of trouble earned athletic scholarships and are now well adjusted young women In The 7 Principles of Faith Based Parenting Wells describes the tools he and his wife used to help his daughters achieve success including the familys unshakable faith in God Focusing on the practical application of spiritual belief Wells offers tips to help make faith work for you He helps you Seek the truth and base your life on it Understand who you are by knowing your family history and traditions Be family oriented Be selective about your friends Change what you need to by removing bad habits Not fear failure while working toward success Always be yourself but also see yourself as others see you Based on real life challenges that everyday people face the principles provide insight into Wellss upbringing and shows how he pushed through some of his generational barriers to raise successful children **African-American Faith in America** Larry George Murphy, 2015-04-29 Examines how African traditions have influenced the practice of Christianity and Islam in the United States and how African Americans express their faith today
