She may be moving to her new home and she may be planning on doing whatever it takes to make her billionaire father happy but she certainly won't be doing it with a smile on her face. No Brielle plans on coming to Montana hiring some ranch hand to do all the work and then getting out of there before the first winter snow has a chance to hit. Montana isn't a state that offers predictable weather and Brielle is going to find out that the land isn't the only thing she has to fear. When her hotter than any city boy ever dreams of being of a cowboy neighbor shows up on her doorstep Brielle decides that maybe Montana isn't so bad after all. That is until he laughs openly at her city girl ways. Then she has something to prove and she has no problem doing just that.
