Corrections Robert D. Hanser, 2023-02-14 Introduction to Corrections provides students with a comprehensive foundation of corrections that is practitioner-driven and grounded in modern research and theoretical origins. This text uniquely illustrates how the day-to-day practitioner conducts business in the field of corrections in both institutional and community settings. Experienced correctional practitioner, scholar, and author Robert D. Hanser shows students how the corrections system actually works, from classification to security to treatment, to demonstrating how and why correctional practices are implemented. Key Features: Balanced coverage of research and practice offers students a comprehensive view of the field and evidence-based practices as they prepare for a career in corrections and/or the criminal justice system. Assessment and classification from both institutional and community corrections perspectives offer students a well-rounded understanding of the field of corrections. Exclusive Prison Tour and Inmate videos provide a view into the daily operations of the correctional facilities at Angola State Penitentiary and Richwood Correctional Center with commentary from correctional staff. Engaging chapter-opening vignettes highlight important issues in corrections and allow students to understand the challenges corrections practitioners face each day. Various issues associated with specialized offender typologies help students understand a variety of offenders they will encounter in the field, such as female offenders, geriatric offenders, mentally ill offenders, gang offenders, and others.
