Chiselled Horizons: A Multi-Cultural Approach to Visual Literacy Taina Brown,Alejandro Mieses Castellanos,2019-01-04 This volume was first published by Inter Disciplinary Press in 2016 Shaping visual literacy has been at the forefront of contemporary discourse as images have increasingly surpassed words in becoming the primary vehicles to persuade our emotions Visually encoded domains of symbols and signs inform the educational public and entertainment industries increasingly as an undifferentiated whole aided by globalizing media forces in various forms Whether top down peer peer one to many or many to many this volume attempts to derive sets of rules used to visually decode patterns present in certain media formats press cinema television and maps among others and the place of the spectator in their respective dynamics The topics discussed transition through various approaches to deconstruct mass media influences to engage critical thinking skills and ending with a collection of chapters dedicated to exploring their effects upon children and the capacity to

be implemented to foster collaboration based creative learning environments **Journal of Linguistics** ,1999

Encyclopedia of Language & Linguistics E. K. Brown,2006 *Indo-European Studies Bulletin* ,1998-05 **Scholars of Early Modern Studies** ,1999 *Discourse and Communication* Ma Luisa Blanco Gómez,Juana I. Marín Arrese,2010 The present volume deals with different issues related to discourse and communication from a cognitive and functional perspective Some of the chapters focus on analysing different types of text such as advertisements conversation tales and songs and multimodal texts Others present a more theoretical approach to key aspects in the field like syntax politeness subjectivity and intersubjectivity Copular Sentences in Russian Asya Pereltsvaig,2007-04-06 This book provides a detailed study and a novel Minimalist account of copular sentences in Russian focusing on case marking alternations nominative vs instrumental and drawing a distinction between two types of copular sentences On the assumption that Merge is defined in the simplest way possible it is argued that not all syntactic structures are anti symmetrical One of the copular sentence types is analyzed as a poster child for symmetrical structures while the other type is treated as asymmetrical The originality of this study lies in treating the copula in the two types of copular sentences neither as completely identical nor as two distinct lexical items instead the two types of copula are derived through the process of semantic bleaching Furthermore it is argued that the two types of the copula need to combine with post copular phrases of different categories It is concluded that Russian draws a distinction between saturated DPs and unsaturated NPs in spite of its renowned lack of overt articles
