Bonham In Led Zeppelin Bob Spitz takes their full measure separating myth from reality with his trademark connoisseurship and storytelling flair From the opening notes of their first album the band announced itself as something different a collision of grand artistic ambition and brute primal force of English folk music and African American blues Spitz s account of their artistic journey amid the fascinating ecosystem of popular music is irresistible But the music is only part of the legend Led Zeppelin is also the story of how the sixties became the seventies of how innocence became decadence of how rock took over Led Zeppelin wasn t the first band to let loose on the road but as with everything else they took it to an entirely new level Not all the legends are true but in Spitz s careful accounting what is true is astonishing and sometimes disturbing Led Zeppelin gave no quarter and neither has Bob Spitz Led Zeppelin is the long awaited full reckoning the band richly deserves

George Case, 2021-03-05 In this insightful and timely book author George Case shows how an important strain of rock music spoke as much to a working class populist audience as to the rebellious youth audience we typically associate with this music helping to reset the boundaries of left and right in American society From the Inside Russ DiBella, 2011-03-03 In 1978

when music found its way into Russ DiBella's life largely by way of external circumstances a natural progression of sorts began to unfold which would eventually marry his affection for words with a nascent interest in drumming and lyric writing What began as a teenage rite of passage his first rock concert would spawn a lifelong passion for all things music manifesting itself in ways both deliberate and unanticipated Part memoir and part backstage pass *From the Inside* is actually written from the perspective of an outsider looking in although very often and surreptitiously from within With a detailed history of how music became such an actively integral part of his life even before an awareness of his parents' unintended influence and an in-depth behind-the-scenes look at several concerts to include a respectable gathering of drumsticks along the way DiBella recounts with enthusiasm and occasional humility more than thirty years of experiences as admirer accomplice and collector Less a narrative about unofficial access to rock stars *From the Inside* sneaks a peek behind the proverbial curtain to discover some of the inner workings of live concerts Meeting drum techs guitar techs and other assorted crew and band members and observing load ins soundchecks and even a few shows from the other side of the stage offers an intimate look at activities otherwise inaccessible to the typical concert goer Not wanting for moments of rock n roll flash encounters with rockers Mick Jagger Eddie Van Halen and Neil Peart as well as country artists Brad Paisley and Montgomery Gentry among many others provide additional insight and add elements of celebrity to this otherwise personal account Clearly written with an appreciation both for music and those artists who've inspired *From the Inside* is the story of a life examined through the lens of music **Back to Schoolin'** Kevin Courtright, 2009-09 *Back to Schoolin'* is the culmination of years of conscious and

subconscious study in the school of music known as Led Zeppelin Having studied the band and its music for nearly thirty years author Kevin Courtright has acquired a tremendous body of knowledge and insight into music and the music business

which is modeled by Zeppelin He presents this knowledge through three major categories The Music the Presentation and Relationships and the Business Dispersed within these three major categories are a total of thirty two chapters each of which is broken into three sections The Inspiration the Information and the Implementation Mr Courtright s goal is to pass on this body of knowledge to others whether musicians or not The book is fascinating in its presentation and educational in its content Back to Schoolin is recommended reading for anyone interested in not just rock music but music in general Kevin Courtright is a Los Angeles based composer and author whose latest opus is the book Back to Schoolin What Led Zeppelin Taught Me About Music With 25 years of composing and study behind him and a long time devotion to the beauty and intricacies of progressive rock music Kevin is in a unique position to illustrate the far reaching and lasting impact of one of the most influential musical groups of the 20th Century Born outside the District of Columbia raised near the City by the Bay and transplanted to Los Angeles Kevin manages to escape his schooling with his creativity intact His skill as a writer leads to the writing and directing of the hilarious mockumentary Man On Top He steps away from the keyboard once a week to teach from the greatest book ever written and on Sundays you will find him lending his bass voice to the Choir of Grace Community Church
