Empowering Your Life with Angels Deb Baker, Rita Berkowitz, 2004-10-05 We're all touched by angels. Angels take on many shapes and forms, some familiar, some otherworldly, and some that we don't even recognize as angels. *Empowering Your Life with Angels* shows readers how to recognize the angel in their life and the possibilities this presents. This volume includes exercises and meditations for utilizing angel guidance in love, work, and health; explores how to communicate with angels through dreams and other techniques; how to heal emotions with the help of angels; and much more. *Do You Believe in Angels?* was a Larry King Live panel discussion in August 2004 featuring Sylvia Browne, Mattie Stepanek, minister and novelist Max Lucado, and Father Michael Manning, a Roman Catholic priest. Readers of books on angels, afterlife, and spirit guides will love this book.

I Believe in Miracles Deidre Spencer, 2014-08-05 In *I Believe in Miracles*, author Deidre Spencer shares the knowledge she gained in her fight against cancer and she provides the tools necessary to discover how to heal. As a cancer survivor, Deidre has beaten the odds, conquering an aggressive form of cancer that had an additional genetic disorder component, making it difficult for the doctors to treat. Through it all, she demonstrates the strength of conviction to follow through on her beliefs and through sheer determination, positive thinking, and with support from family and friends, she pulled herself through those traumatic times. Initially, the doctors saved her from the brink of death when she had only two weeks left to live. She then survived a stem cell transplant, finding she was sensitive to the chemotherapy medicine and other drugs used in treating the side effects. She again came close to dying. When she pulled through the second time, she had to learn to eat and walk again. She realized then that she had to heal all of herself, not only physically but also mentally, emotionally, and spiritually. What she calls the four bodies, Deidre is now in full remission. *I Believe in Miracles* is a journey of self-discovery, trauma, and self-healing. Deidre believes that if she can do it, so can others.
