War Department,1943 **How to Rebuild and Restore Classic Harley-Davidson Big Twins 1936-1964** Rick Schunk,2012-10-21 DIVWhen it comes to collector motorcycles none hold the allure of the classic Harley Davidson Big Twins built from 1936 to 1964 But owning and maintaining these tempermental machines provides endless challenges Even the

most pristine restored example needs a tremendous amount of care maintenance and repair The rebuilding and restoring of these machines is not so much a defined task as a never ending process This book serves to guide owners through that process div Beginning with a practical section on understanding choosing and purchasing a classic Harley this book focuses on the nuts and bolts of classic Harley ownership Through step by step photography and thoughtful informative instruction the reader will learn how to disassemble a chassis rebuild a fork lace a wheel and paint the major parts for any restoration It also provides thorough instruction on repairing overhauling and restoring all major components such as the engine transmission and electrical system

How to Build a Kit Bike Jonathan Wood,Timothy Remus,2002-10 Scratch built motorcycles remain very popular In order to simplify the process many companies in the American V twin aftermarket are selling kits Three of these companies Custom Chrome Arlen Ness and Biker1s Choice have excellent programs All offer very complete kits that allow the builder to assemble a complete motorcycle without any additional purchases All that1s missing is labor and paint The book will document with detailed photos and copy the assembly from beginning to end of three motorcycles from the firms mentioned above Because of the technical nature of this book there will be more images and less copy than in other Wolfgang Publication books Each sequence will be illustrated by at least 200 images Approximately 60% of these images will be in color This book will also contain side bars on tools and basic assembly techniques all designed to aid the first time builder

Motorcycle, Solo (Harley-Davidson Model WLA) United States. War Department,2021-05-19 In Motorcycle Solo Harley Davidson Model WLA the United States War Department presents an authoritative guide to the revered military motorcycle that became emblematic of American ingenuity during World War II This technical manual skillfully delineates the design operation and maintenance of the Harley Davidson WLA employing clear precise language and instructional diagrams that reflect the pragmatic literary style common in wartime documentation This manual not only serves as a crucial document for military personnel but also offers insights into the intersection of technology and warfare encapsulating a specific moment in American history when mechanized mobility was vital to military strategy The United States War Department responsible for overseeing military logistics during a tumultuous era utilized expertise from engineers and wartime veterans to create this manual The emphasis on practical guidance underscores the Department s commitment to efficiency and readiness while the selection of the Harley Davidson WLA a model celebrated for its durability and reliability illustrates the importance of

innovation in the face of adversity The War Department aimed to ensure that servicemen could maximize the potential of this motorcycle in diverse terrains and conditions reflecting broader wartime needs for adaptability and resilience I highly recommend this manual to historians military enthusiasts and collectors alike Its detailed illustrations and straightforward instructions make it a valuable resource for understanding not only the Harley Davidson WLA but also the greater context of military resourcefulness during World War II Whether you are a scholar researching wartime logistics or a motorcycle aficionado curious about the legacy of military bikes this guide offers a compelling glimpse into the ingenuity of an era defined by conflict
