

The book cover features a central illustration of Hogwarts Castle perched on a dark, rocky cliff. The castle is a large, multi-towered structure with red roofs and white walls, set against a bright blue sky with a large white sun and a single bird in flight. Below the cliff, a body of water reflects the scene. In the foreground, the silhouettes of three children (Harry, Ron, and Hermione) are visible as they look across the water. The entire scene is framed by a decorative border with a red background and gold filigree. The border includes circular medallions with various symbols: a phoenix in the top left, a lion in the top right, a snake in the bottom left, and a dragon in the bottom right. The text 'J.K. ROWLING' is in a simple serif font, while 'Harry Potter' is in a large, stylized gothic font with a lightning bolt for the 'P'. 'AND THE SORCERER'S STONE' is in a smaller, simple serif font.

ENGLISH DESCRIPTION Harry Potter and the Sorcerer s Stone is the first volume of British author J K Rowling s now classic series of fantasy novels With trembling hands Harry turned over the envelope and saw a purple wax seal with a coat of arms a lion an eagle a badger and a snake all surrounding a large letter H Harry Potter has never heard of Hogwarts before until letters start falling at the doorstep of 4 Privet Drive The address is written in green ink on a yellowed parchment envelope with a purple wax seal stamped on it and his repugnant aunt and uncle rush to remove and hide them Later on Harry s eleventh birthday Rubeus Hagrid a gigantic man whose eyes sparkle like black beetles shows up with extraordinary news Harry Potter is a wizard and he has been awarded a place at Hogwarts School of Witchcraft and Wizardry An incredible adventure is about to begin **Females and Harry Potter** Ruthann Mayes-Elma,2006-08-02

Females and Harry Potter is a deconstruction of the representations of women s agency in Harry Potter and the Sorcerer s Stone Using critical discourse analysis and focusing on five themes rule following and breaking intelligence validating and enabling mothering and resistance Mayes Elma explores the construction of traditional gender roles in the book Additionally the author locates the foundations of feminist epistemology binary oppositions gender boundaries and woman as other that is

deeply embedded within the book's themes. Traditional gender constructions of both men and women are found throughout the *Sorcerer's Stone*. Ultimately the book explores the sexism inherent in the Harry Potter series: a hero and his male friends are the focus and center of activity and the female characters are enablers at best. Passive and invisible female characters exist only as bodies bound by traditional gender conventions; they resist evil but never gender stereotypes. Mayes Elma concludes with a discussion of the implications for development of school curricula that enable students to critically deconstruct these texts.
