Historical Thought Margaret MESERVE, Margaret Meserve, 2009-06-30 Renaissance humanists believed that the origins of peoples could reveal crucial facts about their modern political character Margaret Meserve explores what happened when European historians turned to study the political history of a faith other than their own Meserve investigates the methods and illuminates the motives of scholars negotiating shifting boundaries between scholarly research and political propaganda between a commitment to critical historical inquiry and the pressure of centuries of classical and Christian prejudice between the academic ideals of humanism and the everyday demands of political patronage Drawing on political oratory diplomatic correspondence crusade propaganda and historical treatises Meserve shows how research into the origins of Islamic empires sprang from and contributed to contemporary debates over the threat of Islamic expansion in the Mediterranean Humanist histories of the Turks were sharply polemical portraying the Ottomans as a rogue power But writings on other Muslim polities include some of the first positive appraisals of Muslim statecraft in the European tradition This groundbreaking book offers new insights into Renaissance humanist scholarship and the longstanding European debates over the relationship between Christianity and Islam **Historical Role of Islam** Zikr-ur-Rahman, 2004 Islam Is Not Merely

A Religion Or Faith It Is In Fact A Complete Code Of Conduct And A Way Of Life By Virtue Of Its Logical And Scientific Force And A Down To Earth Empirical And Democratic Approach It Has Influenced The Contemporary World In All Walks Of Life Its Role In The Evolution And Development Of Civilization And Culture Has Acquired An Exemplary Classical Significance This Study Deals With Islam S Historical Role In Making Of A New World Order **History of Islamic Philosophy** I.M.N.

Al-Jubouri, 'Imād al-Dīn Jubūrī, 2004 Very occasionally a book appears which provides a perfect bridge between amateurs and professionals This event is usually less likely to happen in the somewhat arcane field of philosophy and almost beyond concept in the English speaking world when the subject is entwined with the history of Islam The finer points of philosophical issues are also discussed and presented to enable anyone whether a scholar or not Arabic or Westerner to understand the truths these ancients sought **The Oxford Handbook of Islamic Archaeology** Bethany J. Safi,2021-10-18 The book examines the growing tension between social movements that embrace egalitarian and inclusivist views of national and global politics most notably classical liberalism and those that advance social hierarchy and national exclusivism such as neoliberalism neoconservatism and national populism In exploring issues relating to tensions and conflicts around globalization the book identifies historical patterns of convergence and divergence rooted in the monotheistic traditions beginning with the ancient Israelites that dominated the Near East during the Axial age through Islamic civilization and finally by considering the idealism realism tensions in modern times One thing remained constant throughout the various historical stages that preceded our current moment of global convergence a recurring tension between transcendental idealism and various forms of realism Transcendental idealism which prioritize egalitarian and universal values pushed periodically against the forces of realism that privilege established law and power structure Equipped with the idealism realism framework the book examines the consequences of European realism that justified the imperialistic venture into Africa the Middle East and Latin America in the name of liberation and liberalization The ill conceived strategy has ironically engendered the very dysfunctional societies that produce the waves of immigrants in constant motion from the South to the North simultaneously as it fostered the social hierarchy that transfer external tensions into identity politics within the countries of the North The book focuses particularly on the role played historically by Islamic rationalism in translating the monotheistic egalitarian outlook into the institutions of religious pluralism legislative and legal autonomy and scientific enterprise at the foundation of modern society It concludes by shedding light on the significance of the Muslim presence in Western cultures as humanity draws slowly but consistently towards what we may come to recognize as the Global Age The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9781003203360> has
