Art of Suppression Pamela M. Potter,2016-06-28 This provocative study asks why we have held on to vivid images of the Nazis total control of the visual and performing arts even though research has shown that many artists and their works thrived under Hitler To answer this question Pamela M Potter investigates how historians since 1945 have written about music art architecture theater film and dance in Nazi Germany and how their accounts have been colored by politics of the Cold War the fall of communism and the wish to preserve the idea that true art and politics cannot mix Potter maintains that although the persecution of Jewish artists and other enemies of the state was a high priority for the Third Reich removing them from German cultural life did not eradicate their artistic legacies *Art of Suppression* examines the cultural histories of Nazi Germany to help us understand how the circumstances of exile the Allied occupation the Cold War and the complex meanings of modernism have sustained a distorted and problematic characterization of cultural life during the Third Reich

Introduction to Modernism Pericles Lewis,2007-05-03 Publisher description *What Is Design?* Anne J.

Banks,2005-06-13 This book is an overview of the process of design as it has evolved from the earliest visual images and artifacts from prehistory to our modern practice of design Originally written as a textbook for design students and design

professionals it is also oriented to the general public interest in the design arts and the fine arts Every object has a story to tell about its period in time its culture its maker and ways of making This thought was the idea behind the making of this book that we can read this story through the interpretation of the forms of objects Important influences on modern design have come from the Bauhaus and the French decorative arts However what the designer does is best expressed in the work of American industrial designer Norman Bel Geddes Excerpt page 55 Bell Geddes believed that design is primarily a matter of thinking and of envisioning how the customer would use the product While every product has a specific solution Bel Geddes instituted market research as an essential part of the design process In his redesign of the counter scale for the Toledo Scale Company he changed hand weights to a spring mechanism cast iron to aluminum enclosed the skeleton body in a white enamel shell and made the scale flush with the counter for ease of use while retaining its basic function Bel Geddes major innovation was the redesign of the Standard gas stove from a stylized furniture form to a single unit encased in clean white enamel Rethinking the stove as a skyscraper grid hung with steel plates he simplified the manufacturing process by creating twelve interchangeable components to form sixteen different models Source Norman Bel Geddes Horizons **The Madman's Gallery** Edward Brooke-Hitching, 2023-03-08 Brought to light from the depths of libraries museums dealers and galleries around the world these forgotten artistic treasures include portraits of oddballs such as the British explorer with a penchant for riding crocodiles and the Italian monk who levitated so often he is recognized as the patron saint of airplane passengers Discover impossible medieval land yachts floating churches and eagle powered airships Encounter dog headed holy men armies of German giants 18th century stuntmen human chessboards screaming ghost heads and more marvels of the human imagination A captivating odditorium of obscure and engaging characters and works each expertly brought to life by historian and curator of the strange Edward Brooke Hitching here is a richly illustrated and entertaining gallery for lovers of our art and history
