Offering a diverse range of perspectives from scholars and practitioners involved in English language teaching (ELT) globally, *International Perspectives on Creative Writing in Second Language Education* tackles foundational questions around why fiction and creative writing have been traditionally omitted from ESL and EFL curricula. By drawing on empirical research and first-hand experience, contributors showcase a range of creative genres including autobiography, scriptwriting, poetry, and e-portfolios and provide new insight into the benefits of second language creative writing for learners' language proficiency, emotional expression, and identity development.
