Lonesome Traveler Jack Kerouac:

Lonesome Traveler Jack Kerouac, 2007-12-01 From the acclaimed Beat writer Jack Kerouac's unique collection of personal travel writing now reissued following his centenary celebration In his first directly autobiographical book Jack Kerouac relates the exhilarating stories of the years he spent restlessly traveling and writing his acclaimed novels He journeys from the California deserts crisscrossed by train tracks to the bullfights of Mexico to the Beat nightlife of New York City and across the Atlantic to Paris Morocco and London With echoes of landscapes that appear in his other novels including *The Dharma Bums* and *Desolation Angels* and featuring his distinctive exuberant style and jazzy impressionistic prose New Yorker *Lonesome Traveler* is a unique addition to Kerouac's body of work *Lonesome Traveller* Jack Kerouac, 1972 In his first frankly autobiographical work Jack Kerouac tells the exhilarating story of the years when he was writing the books that captivated and infuriated the public restless years of wandering during which he worked as a railway brakeman in California a steward on a tramp steamer and a fire lookout on the crest of Desolation Peak in the Cascade Mountains **Jack**

Kerouac's Duluo Legend James T. Jones, 1999 Noting that even casual readers recognize family relationships as the basis for Kerouac's autobiographical prose Jones discusses these relationships in terms of Freud's notion of the Oedipus complex

BOOK JACKET **Lonesome traveller** Jack Kerouac, 1981-01 **Rethinking Kerouac** Erik Mortenson, Tomasz Sawczuk, 2024-12-12 This long overdue reevaluation of Jack Kerouac gives fresh perspectives on his unique literary output his vexed relation to issues of race class and gender as well as his continuing cultural afterlife This collection of essays by esteemed Beat commentators reassesses one of the 20th century's most emblematic but often misunderstood American writers Despite amassing a substantial body of influential work and becoming a recognizable icon globally Kerouac has often suffered critical neglect and this volume seeks to offer a range of fresh perspectives on his unique artistic output as well as his continuing cultural afterlife Through an examination of classic texts like *On the Road* to more obscure ones like *Pic* these essays recalibrate our understanding of the writer by placing his creative output into dialogue with current cultural issues to provide a rethinking of how concerns such as race gender relations artificial intelligence populist rhetoric and queerness inform his work and its contemporary reception These essays also examine how the peculiarities of global circulation and social media influence the ongoing cultural appropriation of Kerouac in popular music literature and online Through these varied approaches *Rethinking Kerouac Afterlives Continuities Reappraisals* provides an indispensable account of the continued relevance of both Kerouac the writer and Kerouac the cultural icon in the 21st century *Lonesome Traveler* Jack Kerouac, 1960 **The Role of Jack Kerouac's Identity in the Development of his Poetics** Stefano Maffina, 2012-06-01 This work revolves round the analysis of Jack Kerouac's complex identity and his main artistic inspirations Even though the writer was born in Lowell MA he was raised in a Franco American family with strong bonds with the Quebec region The resultant split identity led to deep existential doubts that Kerouac was never able to overcome However the awareness of his

cultural dichotomy proved extremely important for his own work Indeed the Beat author was able to reach an original poetics which was inspired by both American and French writers Despite Kerouac s innovative style and writing method an analysis of the artists who influenced his work could help contextualize and better understand his literary and linguistic genius

Hard to Be a Saint in the City Robert Inchausti,2018-01-30 An exploration of Beat spirituality seen through excerpts from the writings of the seminal writers of Beat Generation themselves It s been said that Jack Kerouac made it cool to be a thinking person seeking a spiritual experience And there is no doubt that the writers he knew and inspired iconic figures like Allen Ginsberg William S Burroughs Gary Snyder and Michael McClure were thinkers seeking exactly that In this re claiming of their vision Robert Inchausti explores the Beat canon to reveal that the movement was at heart a spiritual one It goes deeper than the Buddhism with which many of the key figures became identified It s about their shared perception of an existence in which the Divine reveals itself in the ordinary Theirs is a spirituality where real life triumphs over airy ideals and personal authenticity becomes both the content and the vehicle for a kind of refurbished American Transcendentalism
