Lust Elfriede Jelinek:

Lust Elfriede Jelinek, 1992 **Lust. Fiction** Elfriede Jelinek, 1992 In post World War II Austria Gerti a woman on the verge of a breakdown due to her husband's relentless sexual attentions wanders away from home one day and is rescued by an ambitious young man who turns out to be much like her husband *Troubling Maternity* Emily Jeremiah, 2003 The question of maternity is crucial for feminists to whom it represents both challenge and inspiration as it is for many thinkers engaged with the issues of agency corporeality and ethics This examination puts forward the idea of a maternal performativity drawing on the work of Judith Butler and numerous other feminist theorists to offer new ways of looking at 1970s and 1980s literary texts by ten German speaking women writers including Barbara Frischmuth Elfriede Jelinek Irmtraud Morgner and Karin Struck It argues that as yet maternal agency has not adequately been theorized a project which is urgent given the traditional view in Western culture of the mother as passive and suggests that Butler's notion of performativity can assist in this task It proposes a performative conception of both mothering and literature and links both of these to the question of ethics which is understood as involving embodiment and relationality To different extents all of the texts examined depict mothers as marginal abject or insane thus demonstrating the operations of exclusion and the need for a maternal agency to be developed and enacted The idea of maternal performativity is refined in five chapters which focus respectively on community corporeality the mother child relationship the family and discursive production The conclusion explores the ethics of literary practice and knowledge production and argues that in the light of the developing fields of new reproductive technologies and genetics it is imperative that we seek new understandings of embodiment community and care a task to which this study aspires to contribute **The Ends of Satire** Daniel Bowles, 2015-02-24 How are we to think of satire if it has ceased to exist as a discrete genre This study proposes a novel solution understanding the satiric in the postwar era as a set of writing practices figures of inversion myth making and citation By showing how writers and theorists alike deploy these devices in new contexts this book reexamines the link between German postwar writing and the history of satire and between literature and theory *Nostalgia After Nazism* Heidi M. Schlipphacke, 2010 *Nostalgia After Nazism* is a compelling sophisticated entry in the growing field of German and Austrian memory studies It introduces into German studies a nuanced set of tools drawn from the broad panoply of contemporary theory and sets those voices onto the broader historical landscape of post World War II confrontations between the West's recent history and its present The result is a highly readable impeccably documented volume that joins the best of literary history and close readings to a broad spectrum of theoretical models *Nostalgia After Nazism* offers an exemplary model for cultural scholarship after the supposed end of theory recapturing how theory history and the texts of culture are mutually illuminating Katherine Arens The University of Texas at Austin **German Text Crimes** Tom Cheesman, 2013 *German Text Crimes* offers new perspectives on scandals and legal actions implicating writers of German literature since the 1950s Topics range from literary echoes of the Heidegger

Affair to recent incitements to murder businessmen agents of American neo liberal power in works by Rolf Hochhuth and others GDR songwriters cat and mouse games with the Stasi feminist debates on pornography around works by Charlotte Roche and Elfriede Jelinek controversies over anti Semitism around Bernhard Schlink s *Der Vorleser* The Reader and Martin Walser s lampooning of the Jewish critic Marcel Reich Ranicki Peter Handke s pro Serbian travelogue the disputed editing of Ingeborg Bachmann s *Nachla* vexed relations between dramatists and directors ab uses of privacy law to censor contemporary fiction these are among the cases of text crimes discussed Not all involve codified law but all test relations between state power civil society media industries and artistic license

Post-war Women's Writing in German Chris Weedon,1997 A study of women s writing in the Federal Republic the German Democratic Republic Austria and Switzerland 1945 1990

High and Low Cultures Reinhold Grimm,Jost Hermand,1994 As the editors write in this volume while the dichotomy of high and low classical and popular elitist and trivial has occupied theorists of culture for centuries very few of them have paid more than scant attention to the various attempts at mediating between these two levels of cultural endeavor The essays collected here most delivered at the twenty second Wisconsin Workshop in October 1991 address exactly this aspect of cultural studies using modern Germany as their canvas The contributors range across the entire breadth of German cultural life analyzing developments in the arts literature poetry architecture and cinema as well as looking at contemporary writing by women and at changes in cultural depictions of sexuality Germany s political paroxysms throughout the last hundred years figure prominently in the evolution of its cultural consciousness so there is in these essays a strong sense of nation invented perfected lost and recovered but always fascinating A totally homogenized German culture one devoid of any higher aspirations will be the impoverished result of postmodernism the editors warn It is their goal to remind those who are all too eager to overlook the losses occurring in this process that this tendency can also besides its positive democratic aspect lead to one dimensionality

Critique of Violence Beatrice Hanssen,2014-02-25 *Critique of Violence* is a highly original and lucid investigation of the heated controversy between poststructuralism and critical theory Leading theorist Beatrice Hanssen uses Walter Benjamin s essay *Critique of Violence* as a guide to analyse the contentious debate shifting the emphasis from struggle to dialogue between the two parties Regarding the questions of critique and violence as the major meeting points between both traditions Hanssen positions herself between the two in an effort to investigate what critical theory and poststructuralism have to offer each other In the course of doing so she assembles imaginative new readings of Benjamin Arendt Fanon and Foucault and incisively explores the politics of recognition the violence of language and the future of feminist theory This groundbreaking book will be essential reading for all students of continental philosophy political theory social studies and comparative literature Also available in this series *Essays on Otherness* Hb 0 415 13107 3 50 00 Pb 0 415 13108 1 15 99 *Hegel After Derrida* Hb 0 415 17104 4 50 00 Pb 0 415 17105 9 15 99 *The Hypocritical Imagination* Hb 0 415 21361 4 47 50 Pb 0 415 21362 2 15 99 *Philosophy and Tragedy* Hb 0 415 19141 6 45 00 Pb 0 415

Artistic Labour of the Body Rose-Anne Gush, 2025-11-27 Artistic Labour of the Body connects VALIE EXPORT and Elfriede Jelinek with Theodor Adorno's aesthetics Focusing on postwar Austrian art and literature it theorises the use of the body in practices that addressed fascist legacies offering insights amid today's political shifts *The Threat and Allure of the Magical* Ashwin Manthripragada, Emina Mušanović, Dagmar Theison, 2014-08-11 This collection of essays is borne out of the 17th Annual Interdisciplinary German Studies Conference at the University of California Berkeley The essays gathered here cover a broad range of topics moving from intersections between the occult and the political to the entanglement of conceptions of the magical modernity media and aesthetics The first two essays primarily rely on historical analysis and present a wealth of original research One chronicles the construction of the witch in Early Modern print media while the other unfolds the complex relationship of an infighting Third Reich with a multifaceted occult deemed at once fascinating and menacing The third essay in the collection combines critical literary and feminist theories in order to address the magical as an aspect of the fairy tale a theme in the works of Jelinek and Adorno and as a challenge to Enlightenment reason The next two essays influenced heavily by narratology and semiotics present close readings of 19th century novellas that question the nexus of mediality and perception magic and narrative structure The first of these two essays deals with the liminality of the

marionette as it is caught between its mechanical and marvelous qualities in E T A Hoffman s *Rat Krespel* Councilor Krespel while the latter addresses the collapse of reality mirrored by the magical collapse of metaphor in Theodor Storm s *Pole Poppenspeler* Paul the Puppeteer The last essay rounds out the compilation with a focus on new media With close analyses of the films in Lang s *Mabuse* trilogy this essay charts their relation to the enchantment and disenchantment of the medium of film

Adoleszenz Ortrud Gutjahr, Johannes Cremerius, 1997 *Insiders and Outsiders* Dagmar C. G. Lorenz, Gabriele Weinberger, 1994 *Insiders and Outsiders* addresses various aspects of Jewish and Gentile interaction since the development of the German Jewish literary and cultural identity in the early nineteenth century Containing the work of prominent scholars critics and journalists involved with German Jewish studies from around the world this ambitious anthology of literary and cultural criticism suggests a reevaluation of important cultural and literary issues including the problem of cultural diversity with regard to German speaking countries and the question as to what constitutes German cultural identity in multicultural central Europe This volume highlights the centrality of the Jewish presence in the heart of German and Austrian culture as well as the important role German culture played in Jewish society While most previously published studies emphasize either the grandeur of German Jewish achievement or the tragedy of these two cultures in contact *Insiders and Outsiders* examines both the failures and the successes of this tense and troubling relationship It suggests that rather than being the product of a nurturing multicultural environment the achievements of German Jewish intellectuals and poets grew out of friction unrest and discomfort

Proverbium, 1999 Yearbook of international proverb scholarship *Perspectives on Gender in Post-1945 German Literature* Georgina Paul, 2009 Recent studies of German modernity have tended to approach the subject from either a uniquely masculine or uniquely feminine viewpoint In this work however Georgina Paul examines these two gendered perspectives side by side via a sequence of readings of major thematically related German literary texts by both male and female authors

Lexis and Creativity in Translation Dorothy Kenny, 2014-04-08 Computers offer new perspectives in the study of language allowing us to see phenomena that previously remained obscure because of the limitations of our vantage points It is not uncommon for computers to be likened to the telescope or microscope in this respect In this pioneering computer assisted

study of translation Dorothy Kenny suggests another image that of the kaleidoscope playful changes of perspective using corpus processing software allow textual patterns to come into focus and then recede again as others take their place And against the background of repeated patterns in a corpus creative uses of language gain a particular prominence In *Lexis and Creativity in Translation* Kenny monitors the translation of creative source text word forms and collocations uncovered in a specially constructed German English parallel corpus of literary texts Using an abundance of examples she reveals evidence of both normalization and ingenious creativity in translation Her discussion of lexical creativity draws on insights from traditional morphology structural semantics and most notably neo Firthian corpus linguistics suggesting that rumours of the demise of linguistics in translation studies are greatly exaggerated *Lexis and Creativity in Translation* is essential reading for anyone interested in corpus linguistics and its impact so far on translation studies The book also offers theoretical and practical guidance for researchers who wish to conduct their own corpus based investigations of translation No previous knowledge of German corpus linguistics or computing is assumed
