Management Of Technology By Tarek Khalil:

Management of Technology Tarek M. Khalil, 2000 This text brings an engineer's perspective to the discussion of effective management of technology. It stresses technology's role in creating wealth and achieving competitiveness. There is emphasis on the importance of considering both the speed and scope of change in technological development. **Management of Technology** Tarek Khalil, **Management of Technology Innovation and Value Creation** Mostafa Hashem Sherif, 2008 The International Association for Management of Technology IAMOT is one of the largest scientific associations dealing with the education, research and application of management of technology. The annual conferences held by IAMOT assemble the most important scientists and experts in the field. The 16th conference held in 2007 included papers by experts from 32 countries. This book compiles the best of those papers presented at the conference. It covers topics and issues related to the knowledge economy, commercialization of knowledge, green technologies and sustainable development. Management of Technology Laure Morel-Guimaraes, Tarek M.
