Losing My Religion Book Download:

Losing My Religion William Lobdell, 2009-03-06 Lobdell's spiritual journey fascinates not least on account of the irony of his trajectory from agnosticism to belief to atheism while covering religion Booklist starred review William Lobdell's journey of faith and doubt may be the most compelling spiritual memoir of our time Lobdell became a born again Christian in his late 20s when personal problems including a failed marriage drove him to his knees in prayer As a newly minted evangelical Lobdell a veteran journalist noticed that religion wasn't covered well in the mainstream media and he prayed for the Lord to put him on the religion beat at a major newspaper In 1998 his prayers were answered when the Los Angeles Times asked him to write about faith Yet what happened over the next eight years was a roller coaster of inspiration confusion doubt and soul searching as his reporting and experiences slowly chipped away at his faith While reporting on hundreds of stories he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders He investigated religious institutions that acted less ethically than corrupt Wall St firms He found few differences between the morals of Christians and atheists As this evidence piled up he started to fear that God didn't exist He explored every doubt every question until finally his faith collapsed After the paper agreed to reassign him he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt *Losing My Religion* is a book about life's deepest questions that speaks to everyone It is must reading for people of faith and nonbelievers alike

Understanding Religious Abuse and Recovery Patrick J. Knapp, 2021-04-21 Currently there are at least four major identifiable perspectives on how people best understand and recover from religious abuse Both secular and faith based Christian adherents can be variously identified in each of these approaches This book examines these viewpoints and evaluates their various strengths and limitations It concludes that each perspective is helpful to the extent possible given the limitations of its respective philosophic or theological assumptions This book summarizes each viewpoint and suggests a larger contextual perspective helpful to better understand involvement in and recovery from religiously abusive environments The conclusion is an integration of the various conceptual frameworks and a different model SECURE is described that includes essential principles and practical strategies necessary for recovery from religious abuse Suggestions are made for future research and study both for academics with interest in the cultic studies and counseling fields and for various people negatively affected by religious abuse and in need of recovery **Corporal Cannon** Savannah

Cannon, 2022-09-16 One woman's dramatic account of her stint in the U S Marine Corps exploring the prejudice and mistreatment of women in combat zones Not even old enough to drink Corporal Savannah Cannon is a young enlisted United States Marine deployed to support Operation Enduring Freedom in Afghanistan in 2010 As a tactical data networking specialist she is sent away from everyone she knows and attached to a Regimental Combat Team where women are not allowed to repair communications Her experiences over the next few months shed light on the unique and difficult positions

women are placed in when supporting combat roles while offering a raw look at the painful choices women must sometimes make Cannon finds herself in a combat zone ostracized from family friends and even her fellow Marines as the men are told to avoid her The connections she makes are born from trauma and desperation and the choices she makes will echo throughout many lives Corporal Cannon is not the story of a heroine it is the hard hitting account of just one of the flawed individuals who make up the United States fighting forces Mistakes in the battlefield can have dire consequences personally and professionally Reflecting on her time in service the author weaves a story of past and present and the healing that can come with admitting our mistakes and moving past them *Look At My People* Kevin M. Ward,2024-06-13 Look at My People are the words I received from Jesus Christ as I was considering leaving a church These Words of Jesus Christ have opened the doors to many visions healings and dreams You will read how satan wanted me dead from birth and the attempts on my life and how My Savior Jesus Christ has rescued me **CUET Previous Years' Papers E-Book: Download The PDF for FREE!** testbook.com,2022-07-07 CUET Previous Years Papers E book PDF by Testbook is a collection of shift wise PYPs Solving these questions will help you develop conceptual understanding improve your speed and get an idea of the expected questions for the exam Download the FREE E book PDF and start your preparation for CUET today *Missing Pieces* T.J. McKenna,2023-02-13 Twice Cephas has travelled through time but once again his time is running out The Final Holy War rages between Four and the Cult Hunters and neither side is taking prisoners As The Corps begins to spread its deadly new biotoxin around the globe Zip orders a full out assault in an attempt to steal enough vaccine to save her followers The bloodbath only serves to pit the remaining Christians against each other with even Bethany House divided His small flock now scattered Cephas and Martha race to solve the greatest puzzle of his life one in which the missing pieces are scattered throughout his past present and future With hope fading even Cephas can't recognize which of the dark days ahead represents the Moment of Darkness that Christ foretold he would someday face As the pieces come together and the picture becomes clear Cephas is forced to face his greatest fear alone In this puzzle the final piece is him **Wrecked for God** Dianne Leman,2021-03-02 Growing up in a Christian home dictated by legalism and religious ideals Dianne Leman set out to find something more than the fear of not being enough or doing enough to earn God's favor In her search she found that Jesus was bigger better and more beautiful than she had ever dared to dream and it wrecked her for good In her faith altering book Leman guides believers out of Christian lives of doing into union with the Lord Jesus Christ that provides rest freedom delight and grace that is not exhausting but exhilarating This non striving guide will help you lose your religion and strengthen your faith pray in power offer mercy to the messy people and much more Break the shackles of religion and embrace the fruitful fulfilling life with Jesus that you never thought possible *For My Blemishless Lord* Suganya Anandakichenin,2023-12-31 For my Blemishless Lord presents the text and translation of the exquisite poem Amala ti Pir by Tirupp v r which is part of the r vai ava canon the N l yira Divya Prabandham 6th 9th centuries CE together with the three r

vai ava commentaries in Tamil Sanskrit Manipravalam 13th 14th centuries by key figures in the medieval religious history of South Asia namely Periyav cc Pi ai A akiya Ma av a Perum N ya r and Ved nta De ika Offering the first fully annotated complete translation of these exegetical writings this volume analyses the language commentary techniques and theological positions of the commentators Looking also at cultural religious and other allusions made by them it places them in their literary social and religious backgrounds during a period of budding dissent within the r vai ava community to which they contributed at least in part This rich resource is made available in English for the first time for students of Tamil and Manipravala theology religious history and philology

Religion Online August E. Grant, Amanda F. C. Sturgill, Chiung Hwang Chen, Daniel A. Stout, 2019-03-07 Religion Online provides new insights about religiosity in a contemporary context offering a comprehensive look at the intersection of digital media faith communities and practices of all sorts Recent research on Apple users video games virtual worlds artificial intelligence digital music and sports as religion supports the idea that media and religion once considered separate entities are in many cases the same thing New media and religious practice can no longer be detached this two volume set discusses how religionists are embracing the Internet amidst cultural shifts of secularization autonomous religious worship millennials affinity for new media and the rise of fundamentalism in the global south While other works describe case studies this book

explains how new media are interwoven into the very fabric of religious belief behavior and community Chapters break down the past present and projected future of the use of digital media in relation to faith traditions of many varieties extending from mainline Christianity to new religious movements The book also examines the impacts of digital media on beliefs and practices around the world In exploring these subjects it calls on the study of culture namely anthropology to conceptualize a technological period as significant as the industrial revolution *Like a Normal Person* Julie Fontes,2024-10-02 In this raw and candid memoir a gray area drinker embarks on a journey of self discovery and sobriety Tired of numbing her emotions with alcohol she decides to treat sobriety as a creative act rather than a punishment As she confronts her past and the reasons behind her drinking she realizes that no one is coming to save her she must save herself Through moments of struggle and triumph she learns to embrace her vulnerabilities and find strength in her sobriety This is a powerful story of resilience self discovery and the healing power of taking control of one s own life **Winning People, Losing America** C. Coliér McNair,2016-11-29 Secular society coupled with religious culture has inadvertently created a climate in America that blindly praises political correctness and the legislation of questionable laws Religious traditionalists must now contend with how to remain spiritually relevant in perilous and polarizing times without compromising age old biblical practices and principles A glorified biblical commentary you might say this book addresses almost everything you wanted to ask your local traditional religious leader but was afraid to If I cant share my wisdom and experiences and exercise my talents gifts and skills at the slight chance I may inspire and help others what good is my life **Seeking Oz** Makena McChesney,2018-06-22 Facing marital problems and eventually divorce author Makena McChesney found herself a single mother Seeking comfort she was befriended by the charismatic pastor of a nondenominational Christian fellowship of believers and she joined the cult in 1978 In *Seeking Oz* she discusses the twelve years of entrapment in this cult predominantly in the 1980s in a rural community in the United States In this memoir she answers the often asked question How did you end up in a cult Starting with her formative years in a mainstream Pentecostal Christian church she underscores the underlying issues that contribute to victimization conditions that develop from being raised in a fear based shame based religion McChesney narrates her journey through restrictive doctrines in early childhood and adolescence through a resultant dysfunctional marriage and ultimately through the twelve cult years McChesney travels down the Yellow Brick Road and through the Dark Forest as she finds herself getting increasingly entangled and her choices taken from her As the entanglement progresses to a form of imprisonment she angrily and secretly challenges the God of her religion in the way of questions for which she demands and expects answers Answers pour forth in waves of several disturbing events that impact her and her family until a time of death and destruction that serves to eventually pave a way out She tells her story not to condemn the offenders but to encourage victims to be strong and take personal responsibility I had forewarned Bud that I needed to talk to him and he was waiting for me when I arrived I briefly explained that I was having chest pain and would like some relief from teaching for a time

Without any dialogue Bud motioned for me to sit in a chair near him while he pulled a book from his small bookshelf He quietly and solemnly reached for his reading glasses and under the dim light of a lamp he read me a short story The story was about a widow who was raising her small child alone when she contracted a fatal disease She was concerned about leaving the earth and her young dependent child Though she was worried as fate had it someone came forward and offered to raise the child when she died As it turned out it was for the best because that person was better equipped than even the mother to do the job When Bud finished the story I felt mortification Bud removed his glasses set them on a nearby desk with the book leaned back in his chair folded his hands across his chest and offered no further explanation for reading me such a story
