Handbook on Gender and Social Policy Sheila Shaver, 2018-09-28 Providing a state of the art overview this comprehensive Handbook is an essential introduction to the subject of Gender and Social Policy Bringing together original contributions and research from leading researchers it covers the theoretical perspectives of the field the central policy terrain of gender inequalities of income employment and care and family policy Examining gender and social policy at both the regional and national level the Handbook is an excellent resource for advanced students and scholars of sociology political science women s studies policy studies as well as practitioners seeking to understand how gender shapes the contours of social policy and politics The Wiley Handbook of Educational Policy Rosemary Papa, Shadow W. J. Armfield, 2018-04-19 Illuminates the multiple barriers that plague the education system and shows the way toward enlightened and inclusive educational policy and policymaking This book showcases new scholarship in the broad field of education policy and governance Authored by some of the field s foremost scholars as well as new and up and coming academics this definitive handbook offers a range of cultural economic and political perspectives on the state of education policy today It addresses historic current and future education policy incorporating changing social landscapes of education economy and policy The Wiley Handbook of Educational Policy covers the role of politics in education governance the politics of philanthropy and for profits the culture and economy of professional organizations the governance of technology integration and future political realities to global citizenry Themes and topics range not only across early childhood K 12 and tertiary forms of schooling but also across the policy questions and concerns that transcend these distinctions Each chapter features key words key questions conclusions and thought provoking ideas that provoke readers to think about ways to improve the current conditions under which educational policy makers work Provides a traditional understanding of educational policy Shows how educational policy has changed due to the boom of private funding Explores the changing demographics in education populations over the last 40 years Discusses policies and the ethics of using and overseeing technology in teaching and learning environments Looks at future trends from contemporary political origins The Wiley Handbook of Educational Policy is an important book that should be read by every administrator policy maker and educator working in the education system Personalizar la evaluaci3n Saville Kushner, 2002 Personalizar la evaluaci3n cuestiona los supuestos comunes en la evaluaci3n de programas invirtiendo la relaci3n tradicional entre stos y las personas En lugar de hacer hincapi3n en el programa como el contexto dentro del cual leer la vida de las personas y medir su significaci3n debemos documentar la experiencia individual y de grupo utilizando esto como una lente a trav3s de la cual leer los programas sociales y medir su significaci3n en la vida de las personas Este planteamiento unifica los enfoques de evaluaci3n democr3tica y participativa explorando sus complejidades KUSHNER utiliza aqu3 gran cantidad de ejemplos y estudios de casos para ilustrar c3mo se puede lograr una comprensi3n m3s profunda de la evaluaci3n de programas a trav3s de una variedad de cuestiones y

aplicaciones Asimismo estudia tres preocupaciones principales que se hallan en el núcleo del proceso de evaluación Aprender la manera de realizar la evaluación por medio de los relatos de la experiencia a menudo confusa y desordenada Comprender el rol de la evaluación como una forma de expresión personal y acción política Encontrar formas de dar cabida a políticas y programas de evaluación que expliquen la vida el trabajo y las ambiciones de las personas Esta obra nos presenta una valiosa aportación para quienes se inician en la investigación y la evaluación así como para el alumnado y profesionales que trabajan en el ámbito de la evaluación y utilizan métodos cualitativos y etnográficos Saville KUSHNER es Director del Centro para la Investigación en Educación y Democracia en la University of the West de Inglaterra

The Quest for Autonomy Andrew Hurrell,1990 *Scholars, Policymakers, and International Affairs* Abraham F. Lowenthal,Mariano E. Bertucci,2014-11-24 How to strengthen both academic research and international policies by improving the connections between scholars and policymakers *Scholars Policymakers and International Affairs* shows how to build mutually beneficial connections between the worlds of ideas and action analysis and policy Drawing on contributions from top international scholars with policy experience in the United States Europe Asia Canada and Latin America as well as senior policymakers throughout the Americas Abraham F Lowenthal and Mariano E Bertucci make the case that scholars can both strengthen their research and contribute to improved policies while protecting academia from the risks of active participation in the policy process Many scholars believe that policymakers are more interested in processes and outcomes than in understanding causality Many policymakers believe that scholars are absorbed in abstract and self referential debates and that they are primarily interested in crafting theories and impressing other scholars rather than developing solutions to pressing policy issues The contributors to this book confront this gap head on They do not deny the obstacles to fruitful interaction between scholars and policymakers but drawing on their own experience discuss how these obstacles can be and have been overcome They present case studies that illustrate how scholars have helped reduce income inequality promote democratic governance improve gender equity target international financial sanctions manage the Mexico U S border and enhance inter American cooperation These success stories are balanced by studies on why academic analysts have failed to achieve much positive impact on counternarcotics and citizen security policies The editors astute conclusion identifies best practices and provides concrete recommendations to government agencies international institutions nongovernmental organizations and funding sources as well as to senior university officials academic departments and centers think tanks established scholars junior faculty and graduate students Clearly written and thoughtfully organized this innovative book provides analytic insights and practical wisdom for those who want to understand how to build more effective connections between the worlds of thought and action

Newsweek *The Future of Evaluation* Wolfgang Meyer, Reinhard Stockmann, 2016-01-26 Evaluation has become an important instrument for rational governance and is used in an increasing number of countries and policy fields. Recent developments at the global, national and local level are changing the conditions and functions of evaluation worldwide. This book examines current global development trends and changing demands for evaluation. It addresses issues surrounding professionalisation and globalisation, examining the need to strengthen accountability for social development in various different policy fields, regions and countries to improve governance and its impacts on social betterment. It also considers issues of quality, utility and further education and the upgrading of evaluation in a broad variety of different organisations such as multilateral donor organisations, national public administrations, private consultancies, civil society organisations, universities and research institutes. With contributions from 30 different countries, this book combines a broad variety of viewpoints to examine the global future of evaluation.

Jesús recordado James D. G. Dunn, 2021-05-14 Jesús recordado es el primero de los tres volúmenes de *El cristianismo en sus comienzos*, una historia monumental sobre los primeros ciento veinte años de la fe cristiana, una obra fundamental sobre Jesús y los orígenes del cristianismo. Un libro absolutamente esencial para estudiosos y sacerdotes, pero accesible y recomendable también para las personas cultas en general, gracias al estilo claro y fluido de Dunn.

The Conservation Atlas of Tropical Forests Jeffrey Sayer, 1992-06-18 Recognizing that sound information is vital to the progress of conservation, IUCN have gathered together a visual portfolio of maps of rain forests in Africa. The accompanying text analyzes the extent and causes of deforestation and points a way towards sustainable forest development.
