Major Problems In The Era Of The American Revolution 1760 1791 Documents And Essays Major Problems In American History Wadsworth:

Major Problems in the Era of the American Revolution, 1760-1791 Richard D. Brown, 2000 *American Crusades* Jon DePriest, 2018-11-15 *American Crusades* details evangelical pursuits to unite God's purposes with American empires. It argues that religious motivations contributed heavily to United States governmental policies and built sacred spaces in many attempts to influence American society. These embedded ambitions form the core of Americanism yet somehow remain hidden right in front of our eyes. In the action of caretaking they advanced their understanding of God's demand on their lives and purposes. Evangelical and theologically conservative Americans linked the sacred and secular shaping the ethos of the American people. The terminology of religious thinking quickly sacralized concepts like democracy and capitalism in an attempt to control and use them. Once packaged as a sacred space in need of custody, religious leadership sought to fulfill its kingdom responsibility and secure its future. Eventually a combination of religiously defined secular components coalesced into the term known simply as Americanism. Building on the success of the new nation and supporting the causes of Americanism throughout the world has imprinted a uniquely evangelical construct into the domestic and foreign policy structures of the United States. The shifting landscape of American culture drove evangelicalism into the margins in the 1970s while most scholars think that the decline of religious conservatism in culture meant that secularization controlled foreign policy as well. This is not true. Removed from the whims of domestic politics, Protestant evangelical patterns of action have resisted change in American foreign policy structures. Over time, however, the movement lost its faith distinctives while embedding religious principles in foundations of U.S. foreign policy. This book seeks to produce a reorganized narrative through a critical synthesis to locate white evangelicals' quest to be the foundational voice in America's shaping ideological lineage.

The Revolutionary War Begins Tim McNeese, 2003-09-01 This packet provides a detailed overview of the American battle for independence. From the earliest skirmishes at Lexington and Concord to the victory at Saratoga, this packet tracks both the logistical and intellectual dimensions of the revolution which, as John Adams said, took place in the hearts and minds of Americans before a single drop of blood was shed. *Revolutionary War (ENHANCED eBook)* Tim McNeese, 2003-09-01 *The Revolutionary War* provides a detailed overview of the American battle for independence and the forging of a nation. From the earliest skirmishes at Lexington and Concord to the decisive victory at Yorktown to the writing of the Constitution and the struggles of early national America, this book tracks both the logistical and intellectual dimensions of the revolution which, as John Adams said, took place in the hearts and minds of Americans before a single drop of blood was shed. As much as it vividly documents the particulars of battle, it is the dizzying aftermath of the war and the complexities of fulfilling the idea of America that form the impressive substance of this book. Also discussed are the social, cultural, and artistic advances of the post-Revolutionary period, including women's suffrage and the beginning of public education with

special emphasis given to the American Renaissance and the rising of distinctly American literature **Changing Politics in Early America** Tim McNeese,2003-09-01 This packet provides a detailed overview of life in the quickly developing United States It discusses the social cultural and artistic advances of the post Revolutionary period including the beginning of public education with special emphasis given to the American Renaissance and the rising of distinctly American literature Early American Culture Tim McNeese,2003-09-01 The Revolutionary War provides a detailed overview of the American battle for independence and the forging of a nation From the earliest skirmishes at Lexington and Concord to the decisive victory at Yorktown to the writing of the Constitution and the struggles of early national America this book tracks both the logistical and intellectual dimensions of the revolution which as John Adams said took place in the hearts and minds of Americans before a single drop of blood was shed As much as it vividly documents the particulars of battle it is the dizzying aftermath of the war and the complexities of fulfilling the idea of America that form the impressive substance of this book Also discussed are the social cultural and artistic advances of the post Revolutionary period including women s suffrage and the beginning of public education with special emphasis given to the American Renaissance and the rising of distinctly American literature
