Get That Job! Andy Gibb, 2011-07-01 Choosing your career changing your job and getting selected by

the organization that's right for you are amongst the most important decisions of your life. You need detailed practical advice on career choice, on what organizations look for in the people they recruit and on tips and techniques to get you through the stages of their selection process. These include presenting a CV, undergoing interviews, taking assessment tests, negotiating salaries and working with head hunters. All are covered in this book. Organizations are increasingly using sophisticated selection techniques so this book is important if you are not to lose out to someone less talented but better prepared.

Management Level Psychometric Assessments Mike Bryon, 2012-02-03 With intense competition for top management jobs and increased pressure on organizations to select the best candidates, more and more firms are now using challenging psychometric tests as part of their recruitment and assessment procedures. Also used to identify management potential in existing staff, tests are increasingly used to select the weakest employees when job cuts beckon. *Management Level Psychometric Assessments* offers more types of assessment than any other management testing book. Ideal for managers applying for supervisory roles or jobs on the board for promotions as well as new employment, it includes tests on quantitative reasoning, currency conversion, verbal reasoning, decision analysis, situational awareness and visual estimation. Along with detailed answers and explanations, it places particular emphasis on getting you test ready with advice on the presentation part of your assessment and crucial information on which tests you are most likely to face for your industry. *Management Level Psychometric Assessments* is an invaluable resource providing all the practice you need to pass those tests and succeed against the competition.

Management Level Psychometric Tests Andrea Shavick, 2005-07-29 Gone are the days when an impressive CV and a sparkling performance at interview were all you needed to land a great job.
