Corporate Social Responsibility: Critiques, Policies and Strategies (Vol. 1-2) (Set) Prasenjit Maiti, 2010-05-01 Corporate Social Responsibility as an analytical tool can be used in the field of Business Management to facilitate different business practices from both an ethical angle and a utilitarian perspective Business managers should try to entrench networks of trust loyalty

and cooperation within and without their organizations This also makes good business sense in terms of rational choice theory Good business is also about establishing customer friendly images in a manner that highlights values such as reliability trustworthiness quality economy and durability These values evolve over time and are underpinned by a sustained relationship of confidence So specific products more often than not become identified with brand names either for niche or for broadbased markets Brand equity and positioning so generally depend upon the successful merchandizing of products and their images The problematique of this edited anthology is structured around the polemic of civil societal institutions networks and embeddedness and democratic governance inclusive growth and participatory development among other critical areas of social scientific research This line of theoretical research is expected to contribute new knowledge and facilitate innovative research to better understand the interactions and interplay between actors and their institutions This anthology would benefit corporate managers business leaders management researchers students social scientists and the general reader

Corporate Social Responsibility: Critiques, Policies and Strategies (Vol. 2) Prasenjit Maiti, 2010-01-01 Corporate Social Responsibility as an analytical tool can be used in the field of Business Management to facilitate different business practices from both an ethical angle and a utilitarian perspective Business managers should try to entrench networks of trust loyalty and cooperation within and without their organizations This also makes good business sense in terms of rational choice theory Good business is also about establishing customer friendly images in a manner that highlights values such as reliability trustworthiness quality economy and durability These values evolve over time and are underpinned by a sustained relationship of confidence So specific products more often than not become identified with brand names either for niche or for broadbased markets Brand equity and positioning so generally depend upon the successful merchandizing of products and their images The problematique of this edited anthology is structured around the polemic of civil societal institutions networks and embeddedness and democratic governance inclusive growth and participatory development among other critical areas of social scientific research This line of theoretical research is expected to contribute new knowledge and facilitate innovative research to better understand the interactions and interplay between actors and their institutions This anthology would benefit corporate managers business leaders management researchers students social scientists and the general reader

Organizational Behaviour: Text and Cases, 3rd Edition Singh Kavita, 2015 The third edition of Organizational Behaviour Text and Cases offers a concise yet comprehensive coverage of the theories that determine behaviour in organizations The relationship between effective organizational behaviour and the effective functioning of an organization is established through a clear and lucid style of presentation With the help of necessary concepts tools and techniques necessary for understanding behaviour in organizations this book attempts to unfold human behaviour at four levels starting from the individual processes and moving on to the interpersonal organizational and change processes It encourages active learning through exercises field projects and case studies and develops competencies that are essential for

becoming successful managers and effective employees in organizations The three new chapters Career Planning and Management Performance and Reward Management and Gender Issues in Management help readers understand organizational behaviour in the current Indian business scenario better KEY FEATURES Classroom tested case studies pertaining to actual incidents from the workplace Several examples from BPCL HCL Technologies Wipro Infosys and SAP highlighting the best practices in the industry Caselets focusing on behavioural issues in organizations Field projects involving students in data collection and analysis Marginalia summarizing crucial points and serving as quick references A companion website featuring multiple choice questions learning objectives an instructor s manual and PowerPoint lecture slides enabling effective presentation of concepts

Journal of Individual Employment Rights ,1992 **Getting a College Degree Fast** Joanne Aber,1996 You can t go very far these days without a college degree Is this how you feel Do you face limited employment opportunities have your special dreams been dashed because you lack the college diploma that can pave the way to a successful career Do you believe a degree could or would have made the difference in your life Do you think that achieving a college degree is impossible for someone your age with your income and with your family or work responsibilities If you answered yes to any of these questions Getting a College Degree Fast can help you reach your goals by outlining the steps you can take right now to obtain a quality degree at any school By showing you how to take advantage of available accredited short cuts and testing programs with credits accepted at many of the finest schools in the country Dr Joanne Aber will be your guide to testing connections to unlimited possibilities

Small Group and Team Communication Thomas E. Harris,John Sherblom,2008 Praised for its writing style research base and range of topics covered Small Group and Team Communication develops issues of diversity ethics technology and the organizational use of groups and teams within a systems theory framework Clearly organized and logically presented this text provides the opportunity for outstanding discussions of critical issues Harris and Sherblom effectively integrate real world examples hypothetical situations social science theories and scholarly research into a unified discussion of small group and team communication Through extensive examples new case studies and updated exercises the 4th edition of Small Group and Team Communication engages students and guides them from theoretical discussions into applications of the concepts presented

The Cumulative Book Index ,1999 **Understanding Behaviors for Effective Leadership** Jon P. Howell,Dan L. Costley,2001 What defines a true leader Is it someone who dutifully follows the latest leadership model or theory accepted by our culture InUnderstanding Behaviors for Effective Leadership Howell and Costley take a unique approach to leadership By de emphasizing leadership theories and focusing on the actual behaviors of successful leaders this book will help you gain a thorough understanding of why effective leaders are known by what they do not by what they say Organized into three parts for easy comprehension the book provides valuable information on what effective leaders do how they do it and when they use key behaviors Inside you ll find Examples in every chapter that highlight current and historical

leaders who exhibit the behaviors and styles presented by the authors The characteristics of an effective leader and how they demonstrate these traits to followers Self assessment exercises designed to help you comprehend and apply the concepts as you learn them Experiential exercises short cases illustrations and figures that work together to help you apply the material to real leadership situations *Management and Organizational Behavior* Jon Lepley Pierce, Donald G. Gardner, Randall B. Dunham, 2001 Management and Organizational Behavior An Integrated Perspective blends the traditional management and organizational behavior topics by presenting the technical aspects of management and managerial practice as well as its social psychological and behavior consequences The authors present an integrative model that positions Management philosophy as a force which shapes the practice of management and organization design both of which impact and explain organizational behavior The text emphasizes that to be a strategic manager there must be an understanding of the organization management process individuals as members and the deep interrelationship between all these areas
