Autism Judy Rushton, 2014 One of the most misunderstood autistic behaviors is the meltdown Every parent finds themselves dealing with a temper tantrum at sometime but tantrums involving children and youth with autism are typically more frequent and severe These tantrums are often referred to as meltdowns Parents and caregivers of children with autism know that dealing with meltdowns is a part of their daily lives This book is designed to help parents and adults who live and work with children with autism know how to manage meltdowns Managing meltdowns isn t easy but it is possible

Sulky, Rowdy, Rude? Bo Hejlskov Elvén, Tina Wiman, 2017-01-19 Children can go through difficult phases this is a natural part of growing up Conflicts and arguments are nothing exceptional but rather a part of everyday family life The authors of this practical and imaginative book show how parents can create consistent and effective structures methods and responses so that children can learn for themselves how to practise self control and cooperation in a secure environment where they both belong and have autonomy Based on years of experience working with children including those with special needs the authors structure their methods around the low arousal approach With many creative suggestions and real life examples this book has the potential to change family life for the better forever

No More Meltdown! Jessica Park, 2020-08-11 Focus only on what works Help your child with autism meltdowns Develop strategies for your child or teenager by mindful parenting Reflect and correct compassionately Develop your own parenting toolbox full of only what works Conflict managment as a special needs parent can be challenging Make it easy by having a working journal to look back on
