photograph because of its 24 hour subway system and the many businesses that are open late into the night Never without a dull moment New York s energy inspired him to use the streets as a canvas for the majority of his work for over 35 years Photographing in the streets put Shabazz in the heart of all of the action he carried his camera everywhere always set and at the ready Like a fisherman seeking a fruitful catch Shabazz ventured into locations full of life and uncertainty in hopes of capturing a unique moment More importantly he sought to gain insight into the conditions of the larger world and its inhabitants Sights in the City is a testament to Shabazz s visual journey containing 120 color and black and white photographs most of which have never been published His images are both intimate and provocative in nature each having its own DNA

**The Grey Ghost** ,2016 In The Grey Ghost New York City Photographs Dan Winters turns his eye to New York City collecting nearly 100 black and white images he created there in the years after moving to New York from California in 1987 at the age of 25 A highly personal collection The Grey Ghost reveals an artist finding his voice discovering that elusive method that informs the manner in which we perceive and interpret our surroundings In these photographs featuring icons of New York City such as the Statue of Liberty and the Empire State Building as well as everyday moments captured on the street we find Winters presenting us with the seemingly ordinary and commonplace in a way that captivates us and makes us look much more closely As Winters writes New York has acted as a proving ground and a rite of passage for countless photographers beginning with Alfred Stieglitz and Paul Strand The majority of the images in The Grey Ghost were created between 1987 and 1990 but the book also includes images created as recently as 2016 For those interested in street photography New York City black and white imagery or the earlier work of one of today s most compelling photographers The Grey Ghost is a must have addition to your photo book collection

**Lower East and Upper West** Jonathan Brand,2018-01-25 The vibrant street life and people of New York City s Lower East Side and Upper West Side in the 1950s and 1960s are presented in this book of black and white photographs by Jonathan Brand A census taker and later an advertising copywriter Brand chronicled life as he encountered it on his walks through the city The book offers 104 striking images of New Yorkers engaged in everyday pursuits from the Bowery to Riverside Park juice stands and barbershops to Theatre in the Streets With an introduction by Julia Dolan The Minor White Curator of Photography at the Portland Art Museum Oregon this is the first book from a photographer who developed his art alongside many of the best known in his discipline Brand s photographs capture the energy odd juxtapositions and intimate moments of life in mid century New York City

**Godlis Streets** ,2020 David Godlis captures the grit and grandeur of 1970s 80s New York City in his street photography When he is on the street armed with his camera photographer David Godlis born 1951 describes himself as a gunslinger and a guitar picker all in one Ever since he bought his first 35mm camera in 1970 Godlis has made it his mission to capture the world on film just as it appears to him in reality Godlis is most famous for his images of the city s punk scene and serving as the unofficial official photographer for the Film Society of Lincoln Center For 40 years his practice has also

consisted of walking around the streets of New York City and shooting whatever catches his eye midnight diner patrons stoop loiterers commuters en route to the nearest subway station With an acute sense of both humor and pathos Godlis frames everyday events in a truly arresting manner This publication presents Godlis best street photography from the 1970s and 80s in a succinct celebration of New York's past The book is introduced by an essay written by cultural critic Luc Sante and closes with an afterword written by Blondie cofounder and guitarist Chris Stein Bill Cunningham's On the Street New York Times, 2019-05-28 This official book of photographs houses the 50 year collection of the most iconic and beloved photographs taken by prolific fashion photographer Bill Cunningham the King of Street Style The iconic Bill Cunningham was known for wearing a blue work jacket and riding a bicycle around New York City as he captured cutting edge street style before street style was even a thing He took pictures for The New York Times from 1978 until his death in 2016 and wrote the beloved columns On the Street and Evening Hours which began in 1989 This book will be an oversized collection of Bill's hallowed photography a mixture of published and unpublished organized by decade with essays by and about Bill's muses and subjects like Anna Wintour Cathy Horyn Vanessa Friedman and Ruth La Ferla Every fashion lover and fashionista from NYC and beyond will have to add this book to their collection Bright Nights, 2013 Tod Seelie loves New York but not the version depicted in postcards His city is an underground haven for people at society's edges people who come alive at night who make music and art and noise and mess This startlingly beautiful collection of images captures a gritty culture that belies the city's glamorous persona Here are punk bands and bike parades abandoned spaces and skeezy clubs junk filled lots and sketchy streets Interspersed throughout the book are texts from Seelie's friends and fellow artists along with an introduction by Jeff Stark editor of the iconic alternative events e mail list Nonsense NYC The photographs in the book create a love poem to the city that not only doesn't sleep it cavorts around at 3:00 am looking for the next adventure AUTHOR Tod Seelie has taken pictures in more than 25 countries on five continents His photographs have been exhibited in galleries around the world and appeared in publications including the New York Times Rolling Stone pin Thrasher Vice Der Spiegel Art Forum and American Way Seelie displays his work on multiple websites including Sucka Pants which he has maintained for almost a decade SELLING POINTS Colourful entertaining and slightly shocking this is the first book from Tod Seelie a photographer whose images elevate mere weirdness to a more striking realm of visual intrigue New York Times ILLUSTRATIONS 160 photographs **Helen Levitt** Shamooin Zamir, 2021 A close reading of Helen Levitt's famous photograph of three children at play on a New York stoop Helen Levitt's 1913 2009 photographs from the 1930s and 1940s of the communities of New York City's Harlem are startling achievements of street photography They catch the evanescent configurations of gesture movement pose and expression that make visible the street as surreal theater and everyday life as art and mystery The unguarded life of children at play became understandably Levitt's particular preoccupation Levitt resisted political readings of her work and distanced herself from the progressive impulses of social documentary

photography But class race and gender are everywhere at work in Levitt's images The diffidence and deceptive artlessness of the images also hide her devotion to both popular and avant garde cinema attention to the work of other photographers and frequenting of New York's museums and galleries Here Shamoon Zamir Professor of Literature and Art History at New York University Abu Dhabi examines the different registers and contexts of Levitt's work through a reading of New York one of Levitt's iconic images *Jamel Shabazz: Sights in the City, New York Street Photographs*, 2017-04-06 This limited edition of 25 copies includes a signed and numbered print titled Street Photographers of Times Square 1982 During the summer of 1980 under the direction of his photographer father Jamel Shabazz armed himself with a Canon AE1 SLR camera and began to photograph the landscape of his native New York City Photographing in the streets put Shabazz right in the heart of all of the action he carried his camera everywhere he went from Harlem to Times Square the Lower East Side to downtown Brooklyn always set and at the ready Like a fisherman seeking a fruitful catch Shabazz ventured into locations full of life and uncertainty in hopes of capturing a unique moment Consisting of 120 color and black and white photographs taken between 1985 and the 2000s most of which have never been published Sights in the City is the testament of Shabazz's visual journey
