Spirit Wind Peter L. H. Tie, Justin T. T. Tan, 2020-12-29. Spirit Wind is a collaborative investigation into the works and person of the Holy Spirit, clearly and richly demonstrating diversity in theological perspectives but unity in the Christian faith. All theological discussions should aim at humbly respecting theological distinctiveness while sincerely encouraging theological conversations. Spirit Wind offers itself to achieve just that. Spirit Wind consists of nine chapters written by nine Chinese theologians born in the Orient and trained in the West who are now serving passionately as seminary professors in Australia, Singapore, Taiwan, or the United States. Each author endeavors to explain the person and works of the Holy Spirit not only from Chinese standpoints but also from biblical, historical, and cultural/pastoral perspectives, and yet all chapters are theological in nature. No theologian claims to capture all matters about the Spirit, but every author of this book is captivated by the powerful presence, sovereign freedom, and beautiful operations of the Holy Spirit. You will be too.

Pentecostal Theology for the Twenty-First Century May Ling Tan-Chow, 2016-05-13. In our post-9/11 world where there is a growing religious fundamentalism and when both exclusion and easy tolerance are inadequate options, this book offers a creative alternative, arguing that Pentecostalism has the potential to be a peaceful harbinger of plurality. The potential lies in its spirituality, a lively pneumatology, and eschatology. The eschatological Spirit is seen as orientated towards the other, crossing boundaries in redemptive embrace, transcending exclusion and easy tolerance. This book's non-Western perspective and the empirical contextual study of Singapore's multicultural and multi-faith context are unique contributions to religion and society. This is a book for students, pastors, teachers, and theologians concerned for an approach to mission that is sensitive to their context, who want to learn from a creative theological voice from what has been perhaps the largest religious movement in history, and who see the immense potential in lively theology by Christians of the Chinese diaspora who can speak to the many millions of ethnic Chinese Christians. This book will also appeal to those outside Christianity who are interested in its attempts to engage with a

complex multi ethnic and multi religious situation such as that in Singapore *The Message Thinline, Large Print (Leather-Look, Arrow Saddle Tan)* Eugene H Peterson, 2022-09-06 Open The Message Thinline and God's Word comes alive Enjoy the easy to understand modern translation of The Message with this portable slim edition in attractive new covers Just over one inch thick The Message Thinline Large Print slips easily into your bag your desk and your life it's a high quality reading Bible without being bulky The Message translation awakens longtime Bible readers and welcomes new believers into the passion and personality that fill God's Word What features make this a great reading Bible Everyday language makes for an approachable translation A single column layout lets you enjoy reading the Bible as much as your favorite book Two satin ribbon markers help you keep your place An easy to read type size allows for a comfortable reading experience The Story of the Bible in Five Acts shows you the big picture The Message is a reading Bible translated from the original Greek and Hebrew Scriptures by scholar pastor author and poet Eugene H Peterson Thoroughly reviewed and approved by twenty biblical scholars The Message combines the authority of God's Word with the cadence and energy of conversational English
