Oyakhilome, 2016-08-03 **The Precarity of Masculinity** Uroš Kovač, 2022-03-11 Since the 1990s an increasing number of young men in Cameroon have aspired to play football as a career and a strategy to migrate abroad Migration through the sport promises fulfillment of masculine dreams of sports stardom as well as opportunities to earn a living that have been hollowed out by the country's long economic stalemate The aspiring footballers are increasingly turning to Pentecostal Christianity which allows them to challenge common tropes of young men as stubborn and promiscuous while also offering a moral and bodily regime that promises success despite the odds Yet the transnational sports market is tough and unpredictable it demands disciplined young bodies and introduces new forms of uncertainty This book unpacks young Cameroonians' football dreams Pentecostal faith obligations to provide and desires to migrate to highlight the precarity of masculinity in structurally adjusted Africa and neoliberal capitalism *The Intercourse of Troubled Thoughts* Joseph Emeka

Anumbor,2010-08-13 This book is a direct offspring of the schism in the Worldwide Anglican Communion concerning its traditional and future identity which came apart in 2003 over the election of V Gene Robinson a practicing gay priest as the Bishop of New Hampshire United States When 62 out of 107 leaders of the Episcopal Church US Anglicans confirmed his ordination at its triennial conference later that year the ice that held God s frozen people together for so long began to thaw For the 38 provinces of World Anglicanism it s been a sloppy and loud reversal of communion since its February 10 15 1997 Second Anglican Encounter in the South at Kuala Lumpur Malaysia The prophetic theme of that meeting The Place of Scripture in the Life and Mission of the Church in the 21st Century has been challenged by theologically enlightened American British and Canadian Councils Revisionist ministers and methods then began to dictate the life and mission of these dioceses

With the Holy Spirit Daniel Igwe,2017-08-24 Youre Never Alone God is a revelation and Christianity is a relationship built on that God who is a relationship being created humans to be in an eternal relationship with Him Man is a spirit has a soul and lives in a body The true measure of spirituality is the ability to relate with God personally When we cooperate with the Holy Spirit He will lead us to the multi dimensional knowledge of Gods secrets and mysteries For us to cooperate with Him we must know who He is and develop consciousness of His presence There is limited understanding of His personality When we mention the Holy Spirit what comes to the mind of most people is a dove fire wind force power a form or figure Some Christian folks are quick to say that He is easily grieved and this is the main reason so many are afraid of relating with Him The Holy Spirit do not have anger issues neither is He a fault finder instead He is full of compassion slow to anger and of great mercy The Holy Spirit is in love with us and always seeks for our good This inspiring and life transforming book will help you understand the person of the Holy Spirit and how to cooperate or partner with Him Daniels uplifting message through this book focuses on Salvation through faith in Jesus as the only way to belonging to God The personality of the Holy Spirit The manifestations of the Holy Spirit The pursuit of the presence of God The Holy Spirit as Jesus unlimited Getting dressed with God in preparation for eternity Jesus promised to be with us till the end of the age and because of this He sent us a wonderful person called the Holy Spirit who knows everything about us Daniel inspires and encourages with this message the need for a supernatural cooperation with the Holy Spirit for a successful Christian experience

The Prosperity Gospel in Africa Marius Nel,2020-06-15 Africans prevailing interest in the prosperity gospel is not only connected to the influence of American prosperity teachers reaching a worldwide audience through their imaginative use of the media but is also related to the African worldview and African traditional religion and its lasting influence on contemporary Africans and the way they think about prosperity as well as their interest in prosperity in post colonial Africa The research from a classical Pentecostal perspective about the impact of the prosperity message on Africa is necessary timely and relevant because of its influence in the African Pentecostal movement and its potential to harm the faith of believers leading to the potential disillusionment of Christian believers who put their trust and money in formulas and recipes that seemingly only work for others especially the prosperity leaders who lead by example with incredulous riches and wealth

The Chaos of the Prosperity Gospel John Ntui-Abung,2017-02-17 Over the years John Ntui has written so many articles on Christian apologetics and defense from false teachers On his journey he became increasingly aware that Christianity is being ravaged by the prosperity gospels so John decided as a theologian and pastor to confront the heresy of his age where Christianity is being reduced by a group of sophist to a mere meal ticket He then decided to write in order to correct the influence of a defective Christianity in the minds of those who truly desire to know God Join Pastor John on a ride to uncover the tricks of these false prophets who are ravaging the Gospel for their own gain and taking the lead of spreading the gospel from Africa to ends of the earth Americans in their quest for a flamboyant lifestyle invented the prosperity gospels and Nigerians consumed by their lust are spreading it to the ends of the earth John Ntui Abung
