

SPAIN

PESTLE ANALYSIS

Spain is a country with a population of 46 million, nearly 9 per cent of the total population of the European Union (EU). Spain is the fifth largest economy in the EU and the world's 14th largest economy by GDP.

Spain is visited approximately by 70 million tourists, making it the third most visited country in the world after France and the United States. Spain is recognized by his diverse industrial base, in which domestic and international markets provide innovative new products and services across the manufacturing, agribusiness, infrastructure and renewable energy sectors. And commercial activities are centralized in the cities of Madrid and Barcelona.

Political and Legal Aspects

The Heritage Foundation realized an INDEX for the year 2020, in which their findings were:

Spanish regulation protects property rights. There generally aren't any regulations on foreign ownership of real estate. The land registration system is inflexible but it works efficiently. The judicial system is open and transparent but on occasions, slow-moving.

The government enforces anti corruption laws on atypically uniform basis, concerning campaign financing.
