Phuket Guest Friendly Hotels:

Thailand Destinations B. Burnett Brown, 2013-09-12 Phuket Pattaya Bangkok Ko Samui Thailand For those that know or those that travel or have traveled these words generate visions of great beaches and wonderful sunsets delicious food and inexpensive dining crowded markets and unusual bargains sex and sin friendly people pleasant good times and a slower more laid back lifestyle They connect us to feelings of adventure romance intrigue excitement and happiness In this volume a long time resident of Thailand shares useful information and insights about these places Both the experienced traveler and those considering their first overseas journey will find this information worthwhile and helpful **Business Korea , The Durian Tourist's Guide To Thailand** Lindsay Gasik, 2014-06-01 The Durian Tourist's Guide to Thailand is a comprehensive travel guide to indulging in Southeast Asia's King of Fruit while enjoying the turquoise coast sandy beaches exotic temples ancient ruins and relaxing spas of a normal holiday in Thailand Designed for the eco conscious adventurer who has a taste for durian this book will help you connect with Thai fruit farmers and learn about sustainable horticultural practices in Thailand all while eating the best durian Thailand has to offer Inside the Durian Tourist's Guide to Thailand Full color maps photos and mouth watering durian pictures Guides to finding selecting and buying the best durian ever Insider tips to help you avoid getting ripped off for crummy durian Seasonal and regional information to help you figure out when and where to go Practical travel tips to help you navigate the back roads of Thailand Cultural insights to give you a richer more rewarding travel and eating experience Directories of fruit farms markets and orchard accommodations Advice on sourcing durian no matter where you stay in Thailand Tips on traveling as a vegetarian or other special diets E book Features Embedded links to recommended websites Links to interactive google maps so you can get specific directions to farms markets and homestays Effortless navigation between maps and sections Bookmarks to effortlessly shoot back to key pages If you're looking to do something different on your holiday adventure this easy to use guide is the best travel book you'll find to Thailand's orchards In fact it's the only one Authors Written and researched by Lindsay Gasik edited by Leanne Jewett About the Durian Tourist Sc 1500 Hotel Nights Daniel Tabbush, 2017-01-17 An honest critique of hotels and restaurants is missing from bookshelves and Daniel Tabbush would argue that in fact there's a plethora of the opposite All too often design characteristics at hotels and restaurants make little sense and no voice speaks out for the traveller to improve these defects Once we confirm and pay for a hotel we are hostages When we find a problem there is no way out and nobody speaks the truth We are asked how is everything and we reply fine So many publishers say that this book is too full of complaints it's the straightforward truth that nobody speaks out Absurd design flaws abound which can be seen in every kind of hotel even in the most luxurious establishments worldwide Bedframes that jut outward with a hard edge help a guest in no way other than to stumble and for shin injuries haphazardly placed two way light switches for room lights cause confusion rather than convenience thunderous air conditioning does not lend to a restful sleep These are often accompanied by dim romantic room

lighting which disallows reading writing or simply game playing a profusion of ceiling protuberances in an array of shapes sizes and textures is unpleasant on the eyes and upsetting and the incessant blinking of 12 00AM on a DVD player is a worthless hotel amenity for any hotel guest We all know it when we see it but it s rare to find a compendium of hotel design weaknesses For travellers 1500 Hotel Nights will be both entertaining as well as helpful in identifying and avoiding troublesome hotel design deficiencies For hotel managers and designers this book can assist in better understanding the viewpoint of the keen traveller and in developing a superior hotel room the travel experience itself
