Plant Intelligence And The Imaginal Realm Beyond Doors Of Perception Into Dreaming Earth Stephen Harrod Buhner:

Plant Intelligence and the Imaginal Realm Stephen Harrod Buhner, 2014-05-14 A manual for opening the doors of perception and directly engaging the intelligence of the Natural World Provides exercises to directly perceive and interact with the complex living self organizing being that is Gaia Reveals that every life form on Earth is highly intelligent and communicative Examines the ecological function of invasive plants bacterial resistance to antibiotics psychotropic plants and fungi and the human species In *Plant Intelligence and the Imaginal Realm* Stephen Harrod Buhner reveals that all life forms on Earth possess intelligence language a sense of I and not I and the capacity to dream He shows that by consciously opening the doors of perception we can reconnect with the living intelligences in Nature as kindred beings become again wild scientists nondomesticated explorers of a Gaian world just as Goethe Barbara McClintock James Lovelock and others have done For as Einstein commented We cannot solve the problems facing us by using the same kind of thinking that created them Buhner explains how to use analogical thinking and imaginal perception to directly experience the inherent meanings that flow through the world that are expressed from each living form that surrounds us and to directly initiate communication in return He delves deeply into the ecological function of invasive plants bacterial resistance to antibiotics psychotropic plants and fungi and most importantly the human species itself He shows that human beings are not a plague on the planet they have a specific ecological function as important to Gaia as that of plants and bacteria Buhner shows that the capacity for depth connection and meaning filled communication with the living world is inherent in every human being It is as natural as breathing as the beating of our own hearts as our own desire for intimacy and love We can change how we think and in so doing begin to address the difficulties of our times

[The Return of Collective Intelligence](#) Dery Dyer, 2020-01-07 Reveals how we can each reconnect to collective intelligence and return our world to wholeness balance and sanity Explains how collective intelligence manifests in flocks of birds instantaneous knowing in indigenous peoples and the power of sacred places Offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and underscores the importance of ceremony pilgrimage and initiation Draws on recent findings in New Paradigm science traditional teachings from indigenous groups from North South and Central America and Siberia as well as sacred geometry deep ecology and expanded states of consciousness For our ancestors collective intelligence was a normal part of life We see it today as the mysterious force that enables flocks of birds swarms of bees and schools of fish to function together in perfect synchrony communicating and cooperating at some undetectable level At its most subtle it is an instantaneous knowing shared by members of a group of the wisest course of action that will benefit all As Dery Dyer reveals collective intelligence still resides within each of us and it is the key to restoring balance and harmony to our world She shows how it occurs spontaneously when individuals who share a need and a purpose instinctively self organize into a group and function with no leader or

central authority Such groups exhibit abilities much greater than what any of their members possess individually or what can be replicated with artificial intelligence Dyer explains due to an unquestioning dependence on technology modern humanity has forgotten how to connect with collective intelligence and fallen into collective stupidity otherwise known as mob mind or groupthink which is now endangering the interconnected web of life on Earth Drawing on recent findings in New Paradigm science traditional teachings from indigenous groups as well as sacred geometry deep ecology and expanded states of consciousness the author shows how the ability to think and act collectively for the highest good is hardwired in all living beings She explains how to release ourselves from enslavement by technology and use it more wisely toward the betterment of all life Underscoring the vital importance of ceremony pilgrimage and initiation she offers ways for us to reconnect to the infinite source of wisdom that fuels collective intelligence and which manifests everywhere in the natural world Revealing that once we relearn how to hear the Earth we can heal the Earth Dyer shows how each of us has a vital role to play in restoring our world to wholeness

Earth Acupuncture Gail Reichstein Rex, 2016-02-18 Applying the principles of Chinese medicine and Native American shamanism to answer the call of the Earth and heal its polluted landscapes Explains how to build a healing relationship with the natural world by making offerings of thanks and listening to the Earth's responses Details methods of diagnosis and several types of Earth acupuncture treatment including building stone circles planting crystals and working with wooden and copper rod needles Shares the author's journey of healing a river with these methods After experiencing a powerful vision of the nuclear power plant near her home and its toxic effects on the Hudson River acupuncturist Gail Rex was inspired to help heal the river and surrounding lands but was unsure how to begin Soon after at a workshop with Cherokee wisdom teacher Venerable Dhyani Ywahoo she discovered the answer she could treat the landscape just as she treated her patients by taking its pulses and treating the points of stagnant energy and pollution with acupuncture Tracing her journey from initial vision and pulse taking to building a stone circle to open a major energy meridian of the Hudson the author reveals how our rivers valleys and forests are capable of illness and healing just like a living being She explains simple practices for attuning with the living landscape and responding appropriately to the messages and images received from the Earth's intelligence By making offerings of thanks and asking the land's permission before every interaction Gail Rex demonstrates the power of right relationship in action Drawing upon the principles of Chinese medicine and her work with Native American shamanic traditions Rex shows how the landscape itself reveals both its imbalances and the opportunities for treatment Using a broad range of diagnostic tools including direct observation principles of feng shui listening to pulses and working with maps she demonstrates ways of identifying the master points of the surrounding landscape She then explores different methods of Earth acupuncture treatment including building stone circles planting crystals and working with wooden and copper rod needles to treat these specific points and restore energy balance Offering not only a proactive method for healing the environment Rex also reveals how to communicate with the rivers mountains

trees and rocks that surround us allowing each of us to develop an authentic spiritual relationship with the living body of the Earth
