FOR STUDENTS AND PROFESSIONALS NOW UPDATED FOR THE LATEST TRENDS AND EMERGING ISSUES Project Management or the Project Management bible as it is widely known provides practical guidance on all aspects of project management. It features a streamlined approach to PM functions in full alignment with the concepts and standards outlined in PMI's latest A Guide to the Project Management Body of Knowledge (PMBOK) Guide without stinting on detailed coverage of the tools and methods used at all stages of a project. This 12th Edition has been updated to reflect recent changes to the PMBOK Guide Sixth Edition and features in-depth coverage of emerging topics including global stakeholder management, causes of failure, agile project management, project governance, failure, customer approval, milestones, classifying project metrics, and more. Also, supplementary materials are available for students, professionals, and instructors. Understand organizational structures and project management functions. Learn how to control costs, manage risk, and analyze trade-offs. Examine different methods used for planning, scheduling, QA, and more. Work effectively with customers and stakeholders from around the globe. As projects increase in scope and complexity, managing them across time zones, language barriers, and technology platforms requires a systematic approach that accounts for every detail. All the more reason to keep Project Management 12th Edition within arm's reach throughout all stages of the projects you manage.

Mastering the PMI Risk Management Professional (PMI-RMP) Exam Klaus Nielsen, 2022-12-02 Risk Management Professionals seek to identify, analyze, and document the risks associated with a company's business operations, as well as monitor the effectiveness of risk management processes and implement needed changes. The PMI Risk Management Professional (PMI RMP) certification not only highlights the ability to identify and assess project risks, mitigate threats, and capitalize on opportunities, but it also enhances and protects the needs of the organization. Gaining distinction as a PMI RMP sets the Risk Management Professional apart from other professionals and brings credit to an organization. The exams from the Project Management Institute are not easy, so whether you are running a course as an instructor or studying by yourself, you need a good study guide to maximize time spent studying and one which enhances the chances of passing the exam. Test takers sitting for the exam need a study guide that suggests which study materials are best to read in preparation for the exam, presents exercises to enhance learning and understanding, and provides sample exam questions. Most study guides just explain the contents of the exam without providing the tools to maximize learning. Klaus Nielsen, an Authorized Training Partner with PMI, translates the PMI examination content outline for April 2022 into what people need to do and know in preparation and provides them with exercises and prep questions as a quick and easy check to ensure they are on the right path in preparation for taking the exam. This book helps maximize the chance of passing the exam.
