Management For Dummies gives professionals like you everything you need to be successful project managers PMI CAPM PMP and Project Management Professional are registered marks of the Project Management Institute Inc **Project Management** Harold Kerzner,2017-04-18 PROJECT MANAGEMENT THE 1 GUIDE FOR STUDENTS AND PROFESSIONALS NOW UPDATED FOR THE LATEST TRENDS AND EMERGING ISSUES Project Management or the Project Management bible as it s widely known provides practical guidance on all aspects of project management It features a streamlined approach to PM functions in full alignment with the concepts and standards outlined in PMI s latest A Guide to the Project Management Body of Knowledge PMBOK Guide without stinting on detailed coverage of the tools and methods used at all stages of a project This 12th Edition has been updated to reflect recent changes to the PMBOK Guide Sixth Edition and features in depth coverage of emerging topics including global stakeholder management causes of failure agile project management project governance failure customer approval milestones classifying project metrics and more Also supplementary materials are available for students professionals and instructors Understand organizational structures and project management functions Learn how to control costs manage risk and analyze trade offs Examine different methods used for planning scheduling QA and more Work effectively with customers and stakeholders from around the globe As projects increase in scope and complexity managing them across time zones language barriers and technology platforms requires a systematic approach that accounts for every detail All the more reason to keep Project Management 12th Edition within arm s reach throughout all stages of the projects you manage **Successful Project Sponsorship** Michiel van der Molen,2015-09-03 Project success is a business management responsibility and project management is more than the work of a project manager the project sponsor plays a key role whatever their job title As the owner of the business case the project sponsor or project executive has the responsibility for communicating the aims of the project staying in touch with the changing environment and ultimately using their leadership skills to realize the benefits that the project has set out to achieve The project sponsor gives strategic direction to the project manager and empowers them to deliver the agreed result However as a busy business manager balancing the role of project executive with other management responsibilities the project sponsor wants more control for less effort The four proven principles in Successful Project Sponsorship help them to achieve precisely that This book leads the reader to success through the powerful and proven four principles of successful project sponsorship These principles are all focused on giving strategic direction to projects effectively and efficiently Instead of going into depth on project management theory and methodologies this book answers the practical questions project sponsors have to tackle and provides targeted solutions to real life issues such as How do I create a successful strategy How do I keep a project under control when the requirements are changing What can I do to keep the project on budget How do I recognize a good project manager and how do I deal with an out of control one The final part of the book gives tried and tested practical guidance on how to improve project sponsorship knowledge within your organization Written clearly and

concisely for the busy executive in line with the PMI's Lexicon of Project Management Terms and with special tips for Prince2 environments and agile projects this highly practical guide is the essential toolkit all business managers need to make a success of their project sponsor role Integrating Artificial and Human Intelligence through Agent Oriented Systems Design Michael E. Miller, Christina F. Rusnock, 2024-08-28 This book departs from the assumption that Artificial Intelligence AI systems will provide a maximum advantage by replacing human cognitive processing Instead this book subscribes to the assumption that AI systems will provide a maximal advantage when the system is specifically designed to augment human intelligence It provides methods for designing effective systems that include one or more humans and one or more AI entities and uses the approach that assumes automation does not replace human activity but fundamentally changes the structure of human work when AI is added to existing systems Integrating Artificial and Human Intelligence through Agent Oriented Systems Design discusses the potential impact of AI on human work and life and explores why teamwork is necessary today for complex work environments The book explains the processes and methods humans employ to effectively team with one another and presents the elements of artificial agents that permit them to function as team members in joint human and artificial teams It discusses design goals and illustrates how the methods that have been used to model the complex interactions among human and artificial agents can be expanded to enable the design of interaction between them to make possible the attainment of the shared goals Model Based Systems Engineering MBSE tools that provide logical designs of human agent teams the AI within these teams training to be deployed for human and artificial agent team members and the interfaces between human and artificial agent team members are all covered MBSE files containing profiles and examples for building MBSE models used in the design approach are featured on the author's website <https://lovesterresci.com> hat This book is an ideal read for students professors engineers and project managers associated with designing and developing AI systems or systems that seek to incorporate AI **PMP Certification: Excel with Ease 2/e** Subramanian Chandramouli, 2013 PMP Certification Excel with Ease is a self study guide and is essential to all Project Management Professional aspirants to clear the certification examination The book is based on A Guide to the Project Management Body of Knowledge PMBOK Guide fifth edition which presents a set of standard terminology and guidelines for project management *PMP Project Management Professional Study Guide, Fifth Edition* Joseph Phillips, 2018-02-02 This fully integrated study resource is completely updated for the PMBOK Sixth Edition This highly effective self study guide contains all of the information you need to prepare for the latest version of the challenging Project Management Professional exam Electronic content includes the Total Tester customizable exam engine worksheets reference PDFs and more than an hour of video training from the author Fully updated for the Sixth Edition of the PMI Project Management Body of Knowledge PMBOK Guide PMP Project Management Professional Study Guide Fifth Edition contains more than 900 accurate practice exam questions Each chapter includes a list of objectives covered a chapter review key terms a two minute drill and a self

test with detailed explanations for both the correct and incorrect answer choices Offers 100% coverage of all official objectives for the PMP exam Downloadable full color memory card for studying anywhere Written by a project management consultant and bestselling author **Strategies for Project Sponsorship** Vicki James,Ron Rosenhead,Peter

Taylor,2013-05-01 Optimize the Role of the Project Sponsor The project sponsor is critical to project success yet it is a role that is often assigned to a member of the organization with little knowledge or training in project management practices This creates challenges not only for the sponsor but for the project manager The organization suffers too if key members of the project team are not fully utilized as valuable resources are wasted In Strategies for Project Sponsorship the authors address this challenge from all three vantage points that of the project manager the project sponsor and the organization Based on their practical experience and solid research they offer practical methods that project manager s can use to optimize the participation of the sponsor They also offer clear and straightforward guidance for project sponsors on how to properly execute their duties and contribute to project success Executives will gain valuable perspective on the organization s projects and key players From defining the roles and responsibilities of the project sponsor to suggesting specific practices that maximize the working relationship between the sponsor and project manager this book is the ultimate guide Examples from real world sponsor experiences as well as tips techniques and tools enhance its applicability and practicality This book should be given to every newly assigned project sponsor read and referred to by every project manager and on the desk of every organizational executive as a reference **PM Network** ,1997 **The Resource Management and Capacity Planning**

Handbook: A Guide to Maximizing the Value of Your Limited People Resources Jerry Manas,2014-08-29 THE DEFINITIVE GUIDE TO MAXIMIZING LIMITED RESOURCES TO INNOVATE AND GROW Trying to accomplish too much with too few resources has become almost customary in business today More often than not though all that we accomplish is delayed projects mass confusion and missed opportunities not the achievement of business goals The Resource Management and Capacity Planning Handbook helps you tackle the critical challenges of resource management and capacity planning head on by providing a proven tool for making the leap from chaos to control the Capacity Quadrant a framework for addressing visibility prioritization optimization of existing resources and integrated planning and governance The Resource Management and Capacity Planning Handbook demystifies the complexities of resource capacity and demand management and offers clear ways for maximizing your limited resources to drive business growth and sustainability This groundbreaking guide includes The latest benchmark data from a comprehensive study of resource management Case studies from organizations that have used the book s methods with great success Tools for overcoming common barriers and making decisions involving time capture resource assignments and competing priorities Recommendations on ownership of the organization s resource management and capacity planning functions Considerations for addressing the human side of resource management and capacity planning The Resource Management and Capacity Planning Handbook gives you the

information insight and proven methods to take your company where it has never been before PRAISE FOR THE RESOURCE MANAGEMENT AND CAPACITY PLANNING HANDBOOK There are lots of leadership books scores of human resources books and plenty of project and portfolio management books This is the first book dedicated to what is essentially the drivetrain of organizations the effective use of its people toward its most important activities This is Manas s best and most ambitious book yet Judith E Glaser CEO Benchmark Communications Inc Chairman of The Creating WE Institute and author of the bestselling Conversational Intelligence Jerry s book and the Capacity Quadrant model he outlines give you a realistic view of your workforce and an approach to maximizing the people power in your organization that s easy to understand and apply It could very well help transform your company and make you a hero in the process Dave Garrett President and CEO ProjectManagement.com Unlike lifeless products people skills and capacity are difficult to measure and vary widely between good days and bad days Manas steps nimbly through this minefield with solid evidence and practical advice all laced together in an easy to read style R Max Wideman FCSCE FEIC FICE FPMI It didn t take me too long into reading when I realized how much we really needed this book I wish we had it when we started implementing Resource Capacity Planning and Investment Planning I will make sure all of my staff members have copies Gary Merrifield PMP Manager IT Project Delivery and Quality Assurance Blue Cross Blue Shield of Louisiana A great guide to the most important topic in management how to maximize your limited people resources Hans Heuschkel Senior Business Intelligence Analyst Project Manager Swiss insurance company
