Rob Gibson

The Claim Of Crofting The Scottish Highlands And:

The Claim of Crofting James Hunter,1991 Scotland's crofters have had to fight hard to retain both their land and their way of life In the nineteenth century their enemies were the landlords who regularly forced them from their crofts Twentieth century threats to crofting have been more insidious but every bit as real *Last of the Free* James Hunter,2011-03-25 Written by award winning Scottish historian James Hunter this groundbreaking and definitive account reveals how the Highlands and Islands of Scotland have evolved from a centre of European significance to a Scottish outpost Never before has the history of the region been recounted so comprehensively and in so much fascinating often moving detail But this book is not simply the story of humanity's millennia long involvement with one of the world's most spectacular localities It is also a major contribution to present day debate about how Scotland and Britain should be organised Landscapes of Protest in the Scottish Highlands after 1914 Iain J.M. Robertson,2016-04-15 In November 1918 the implementation of agrarian change in the Scottish Highlands threatened another wave of unemployment and eviction for the land working population which led to widespread and varied social protest Those who had been away on war service and their families faced returning to exactly the same social and economic conditions in the Scottish Highlands they had hoped they had left behind in the struggle to make a land fit for heroes Widespread and varied social protest rapidly followed It argues that previously there has been a failure to capture fully the geography chronology typology and rate of occurrence of these events The book not only offers new insights and a greater understanding of what was happening in the Highlands in this period but illustrates how a range of forms of protest were used which demand attention not least for the fact that these events unlike most of the earlier Land Wars period were successful There are functioning townships in the Highlands today that owe their existence to the land invasions of the 1920s The book innovatively concentrates on formulating explanation and interpretation from within and looks to the crofting landscape as base means and motive to disturbance and interpretation It proposes that protest is much more convincingly understood as an expression of environmental ethics from the bottom up coming increasingly into conflict with conservationist views expressed from the top down It focuses on individual case studies in order to engage more convincingly with an important evidential base that of popular memory of land disturbances and to adopt a frame and lens through which to explore the fluid and contingent nature of protest performances Based upon the belief that in the study of landscapes of social protest the old shibboleth of space as solely passive setting and symbolic register is no longer tenable is paid here to nature culture interactions to vernacular ecological b *Spatializing the History of Ecology* Raf de Bont,Jens Lachmund,2017-06-26 This book advances a spatial perspective on the history of ecology Intrigued by broader debates in the humanities on the spatial turn the authors contribute to a more explicit and systematic development of spatial thinking in the history of ecology exploring to which extent a spatial perspective can shed new light on the history of ecological science and using ecology as a critical site to gain broader insights into the history of the environment in the nineteenth and twentieth

centuries **Scottish Exodus** James Hunter, 2011-03-25 Millions of Scots have left their homeland during the last 400 years Until now they have been written about in general terms Scottish Exodus breaks new ground by taking particular emigrants drawn from the once powerful Clan MacLeod and discovering what happened to them and their families These people became among other things French aristocrats Polish resistance fighters Texan ranchers New Zealand shepherds Australian goldminers Aboriginal and African American activists Canadian mounted policemen and Confederate rebels One nineteenth century MacLeod even went so far as to swap his Gaelic for Arabic and his Christianity for Islam before settling down comfortably in Cairo This gripping account of Scotland's worldwide diaspora is based on unpublished documents letters and family histories It is also based on the author's travels in the company of today's MacLeods some of them still in Scotland others further afield Scottish Exodus is a tale of disastrous voyages famine and dispossession the hazards of pioneering on faraway frontiers But it is also the moving story of how people separated from Scotland by hundreds of years and thousands of miles continue to identify with the small country where their journeyings began **Devolution and the Scottish**

Conservatives Alexander Smith, 2013-07-19 This highly readable book is a unique ethnographic study of devolution and Scottish politics as well as party political activism more generally Available in paperback for the first time it explores how Conservative Party activists who had opposed devolution and the movement for a Scottish Parliament during the 1990s attempted to mobilise politically following their annihilation at the 1997 General Election It draws on fieldwork conducted in Dumfries and Galloway a former stronghold for the Scottish Tories to describe how senior Conservatives worked from the assumption that they had endured their own crisis in representation The material consequences of this crisis included losses of financial and other resources legitimacy and local knowledge for the Scottish Conservatives This book ethnographically describes the processes practices and relationships that Tory Party activists sought to enact during the 2003 Scottish and local government elections Its central argument is that having asserted that the difficulties they faced constituted problems of knowledge Conservative activists cast to the geographical and institutional margins of Scotland became banal activists Believing themselves to be lacking in the data and information necessary for successful mobilisation during Parliamentary elections local Tory Party strategists attempted to address their knowledge crisis by burying themselves in paperwork and petty bureaucracy **On the Other Side of Sorrow** James Hunter, 2014-07-03 Caring for the environment developing rural

communities and ensuring the survival of minority cultures are all laudable objectives but they can conflict and nowhere more so than the Scottish Highlands As environmentalists strive to preserve the scenery and wildlife of the Highlands the people who belong there and who have their own claims on the landscape question this threat to their culture which dates back thousands of years In this acclaimed and thought provoking book James Hunter examines the dispute between Highlanders who developed a strong environmental awareness countless generations before other Europeans and conservationists whose thinking owes much to the romantic ideals of the nineteenth century More than that he also suggests

a new way of dealing with the problem advocating drastic land use changes and the repopulation of empty glens an approach which has worldwide implications

Modern Scottish History: 1707 to the Present Anthony Cooke, Ian Donnachie, Ann MacSween, Christopher A. Whatley, 2008-01-28 This is the second volume of a distance learning history of Scotland course This book covers 1850 to the present The 26 major topics are covered in five books designed for self study and written to accompany the course These volumes are two tutorial volumes two volumes of reprinted articles and essays and a volume of documents The first half of the course covers the period 1707 to 1850 Beginning with the Union of 1707 and Jacobitism the course considers topics including industrialization politics religion the environment class demography and culture as well as looking at the differences between Highland and Lowland society and economy The project team for this part of the course includes C G Brown G Carruthers A J Cooke I Donnachie W H Fraser M T G Fry B Harris A I Macinnes I Maver T C Smout N L Tranter C A Whatley I D Whyte and D J Withrington The period 1850 to the present is covered in the second half of the course Again a wide range of topics is studied and some topics such as industrialization demography urbanization religion class education culture and Highland and Lowland society is continued The project team for this second part of the course includes R D Anderson R Anthony C G Brown E A Cameron R J Finlay J O Foster C Harvie W Kenefick R A Lambert I Levitt A J MacIvor R J Morris and P L Payne

The Highland Clearances Trail Rob Gibson, 2020-05-15 The Highland Clearances Trail answers the where why what and whens of the Highland Clearances Taking you around the significant sites of the Highland Clearances this vivid guide gives a scholarly introduction to a tragic moment in Scotland's history Perthshire Ross Shire Arran Sutherland and Caithness are among the many areas covered With full background information supplied along with maps and illustrations The Highland Clearances Trail provides an alternative route around the Highlands that will leave the reader with a deeper understanding of this sublime landscape

Cultural Change And The New Europe Thomas M. Wilson, 2019-03-08 Politicians can negotiate currency disputes redraw national boundaries and raise trade tariffs but what unforeseen problems may be caused by the melding of societal boundaries and the lowering of cultural tariffs Originating from a range of nationalities and ethnic groups the contributors to this volume focus on cultural and social processes of

Whaur Extremes Meet Catriona M.M. MacDonald, 2009-10-30 On the cusp of memory and history the story of Scotland's twentieth century is contested territory international yet parochial prosperous yet ailing and passionate yet temperate This thematic account of Scotland's twentieth century examines the economic social political and cultural aspects that shaped the country during the period Catriona MacDonald underlines the tensions inherent in the life of a nation distinguished by stark changes and surprising continuities a fragmented identity a shifting and at times uneasy accommodation in the UK nation state and an ongoing engagement with globalising tendencies In identifying the choices ambitions possibilities and contradictions that Scotland experienced during a century of profound change she uncovers a country in which one can truly say extremes met

Border Straddling Heritages Ali Mozaffari, David C. Harvey, 2025-11 In this geographically wide

ranging reassessment of the overlap between borders and heritage Ali Mozaffari and David C Harvey interrogate how hyperglobalization has simultaneously challenged and intensified notions of sovereignty and nationality advancing a theory of heritage that recognizes its potential for simultaneously reflecting upon and generating borders

Brexit and Beyond: Nation and Identity Daniela Keller, Ina Habermann, 2021-03-08 This volume explores the cultural significance of Brexit situating it in debates about nation and identity Contributors to this collection seek to contextualize Britain's decision to leave the EU and to assess its reverberations in language literature and culture Addressing such aspects as British exceptionalism myth making medievalism and nostalgia contributions range from travelogues Ladybird books and rural cinema going to ageing An important focus lies on marginalized groups and geographical fringes as contributors attend to the Irish situation and the scarcity of EU migrants in Brexit literature BrexLit Finally two essays widen the perspective to assess American parallels to the discourses about a Brexit that is still far from done

Heritage, Museums and Galleries Gerard Corsane, 2005 This reader provides a starting point and introductory resource for anyone wishing to engage with certain key issues relating to the heritage museums and galleries sector

Social Relations and the Life Course G. Allan, G. Jones, 2016-01-28 This collection of essays represents some of the most important recent research into changing patterns of family household and community life It brings together some of the leading sociologists in the field to explore how these informal social relationships change over time and the life course It will be essential reading on courses concerned with the family and youth sociology

Pabay Christopher A. Whatley, 2019-07-18 The tiny diamond shaped island of Pabay lies in Skye's Inner Sound just two and a half miles from the bustling village of Broadford One of five Hebridean islands of that name it derives from the Norse *papa ey* meaning island of the priest Many visitors since the first holy men built their chapel there have felt that Pabay is a deeply spiritual place and one of wonder These include the great 19th century geologists Hugh Miller and Archibald Geikie for whom the island's rocks and fossil laden shales revealed much about the nature of Creation itself Len and Margaret Whatley moved to Pabay from the Midlands and lived there from 1950 until 1970 Leaving a landlocked life in Birmingham for the emptiness of an uninhabited island was a brave and challenging move for which nothing could have prepared them Christopher Whatley their nephew was a regular visitor to Pabay whilst they lived there In this book based on archival research oral interviews memory and personal experience he explores the history of this tiny island jewel and the people for whom it has been home to create a vivid picture of the trials tribulations and joys of island life

Rural Entrepreneurship Gary Bosworth, Polly Chapman, Robert Newbery, Artur Steiner, Don J Webber, 2025-02-19 *Rural Entrepreneurship Harvesting Ideas and Sowing New Seeds* examines what we have learnt about different aspects of rural entrepreneurship and what still needs to be understood

Culloden And The Last Clansman James Hunter, 2011-09-30 An armed uprising A conspiracy An assassination A hanging These events starting with the crushing of Jacobite rebels at Culloden in 1746 and culminating six years later in the so called Appin Murder provided Robert

Louis Stevenson with the plot of his enduringly popular novel *Kidnapped*. But truth can be every bit as dramatic as fiction. And never more so than in this account of what lay behind the killing of government officer Colin Campbell by a hidden gunman on a May afternoon in 1752. Campbell was on his way to evict rebels from the Ardshiel estate near Appin, and Britain's rulers saw in his murder a terrorist act committed by Jacobite survivors of Culloden. When the alleged killer evaded a Scotland-wide manhunt and escaped abroad, politicians insisted someone had to pay for Campbell's death. The sacrificial lamb was James Stewart, a Culloden veteran who had been organising resistance to Campbell's evictions. James was found guilty in the show trial that followed and was hanged close to the murder scene. His body was left suspended there for years as a grim warning to anyone else thinking of challenging the new order the British state had imposed on the Jacobite Highlands.

The Poor Had No Lawyers Andy Wightman, 2011-08-01 In this updated edition of his utterly magnificent social history, the Scottish parliamentarian examines the privatization of Scotland's common land. *Sunday Herald UK*. As an author, activist, and politician, Andy Wightman has made a career of fighting for Scottish land reform. In this provocative and influential book, Wightman offers a revealing analysis of how and why landowners got their hands on the millions of acres that were once held in common. He also tells the untold story of how the Scottish legal and political establishment appropriated land through legal fixes. Throughout, Wightman poses some provocative questions: Have attempts to redistribute power made any difference? What are the implications of the debt-fueled housing bubble? The Smith Commission and the new Scottish Government's proposals on land reform: Can we get our common good land back? For all those with an interest in urban and rural land in Scotland, this edition of *The Poor Had No Lawyers*, updated with new statistics, provides a fascinating analysis of one of the most important political questions in Scotland.

Reimagining Culture Sharon Macdonald, 2020-05-15 Since the 1960s, policies to revive minority cultures and languages have flourished. But what does it mean to have a cultural identity? And are minorities as deeply attached to their languages and traditions as revival policies suppose? This book is a sophisticated analysis of responses to the Gaelic renaissance in a Scottish Hebridean community. Its description of everyday conceptions of belonging and interpretations of cultural policy takes us into the world of Gaelic playgroups, crofting, local history, religion, and community development. Historically and theoretically informed, this book challenges many of the ways in which we conventionally think about ethnic and national identity. This accessible and engaging account of life in this remote region of Europe provides an original and timely contribution to questions of considerable currency in a broad range of social science disciplines.

Right here, we have countless ebook **The Claim Of Crofting The Scottish Highlands And** and collections to check out. We additionally present variant types and also type of the books to browse. The all right book, fiction, history, novel, scientific research, as skillfully as various supplementary sorts of books are readily available here.

The Claim Of Crofting The Scottish Highlands And Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Claim Of Crofting The Scottish Highlands And PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge

promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Claim Of Crofting The Scottish Highlands And PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Claim Of Crofting The Scottish Highlands And free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Claim Of Crofting The Scottish Highlands And Books

What is a The Claim Of Crofting The Scottish Highlands And PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Claim Of Crofting The Scottish Highlands And PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Claim Of Crofting The Scottish Highlands And PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Claim Of Crofting The Scottish Highlands And PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Claim Of Crofting The Scottish Highlands And PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice:

Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
