The goal is to enable these actors to become transformative partners in implementing all Sustainable Development Goals (SDGs) in order to achieve UNDP's vision of poverty eradication and a reduction in inequalities. The strategy aims to position UNDP as a partner of choice for the private sector and foundations in SDG implementation while maximizing the impact of the private sector and philanthropy on sustainable development. The target audience for this strategy includes our partners in the private sector and philanthropy as well as UNDP Headquarters units, regional bureaux, regional hubs, and country offices that work with the private sector and foundations on development issues.
