E-book: Essentials of Corporate Finance Ross,2016-04-16 E book Essentials of Corporate Finance Fundamentals of Corporate Finance Alternate Edition Bradford Jordan,Randolph Westerfield,Stephen Ross,2012-01-18 The best selling Fundamentals of Corporate Finance FCF has three basic themes that are the central focus of the book 1 An emphasis on intuition the authors separate and explain the principles at work on a common sense intuitive level before launching into any specifics 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance 3 A managerial focus the authors emphasize the role of the financial manager as decision maker and they stress the need for managerial input and judgment The Tenth Edition continues the tradition of excellence that has earned Fundamentals of Corporate Finance its status as market leader Every chapter has been updated to provide the most current examples that reflect corporate finance in today s world The supplements package has been updated and improved and with the enhanced Connect Finance and Excel Master student and instructor support has never been stronger Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need when they need it and how they need it so that your class time is more engaging and effective *Fundamentals of Corporate Finance* Stephen A. Ross,Randolph Westerfield,Bradford D. Jordan,2010 The best selling Fundamentals of Corporate Finance FCF is written with one strongly held principle that corporate finance should be developed and taught in terms of a few integrated powerful ideas As such there are three basic themes that are the central focus of the book 1 An emphasis on intuition underlying ideas are discussed in general terms and then by way of examples that illustrate in more concrete terms how a financial manager might proceed in a given situation 2 A unified valuation approach net present value NPV is treated as the basic concept underlying corporate finance Every subject covered is firmly rooted in valuation and care is taken to explain how particular decisions have valuation effects 3 A managerial focus the authors emphasise the role of the financial manager as decision maker and they stress the need for managerial input and judgment The Ninth Edition continues the tradition of excellence that has earned Fundamentals of Corporate Finance its status as market leader Every chapter has been updated to provide the most current examples that reflect corporate finance in today s world The supplements package has been updated and improved and with the new Excel Master online tool student and instructor support has never been stronger The Alternate Edition includes 6 more chapters than the Standard Edition **Alternative Alternatives** Sona Blessing,2011-10-14 In the aftermath of the financial crisis investors are searching for new opportunities and products to safeguard their investments for the future Riding high on the wave of new financial opportunities are Alternative Alternatives AA However there is a dearth of information on what Alternative Alternatives are how they work and how they can be profited from The book defines what Alternative Alternatives are based on research and the following hypothesis If the source origin of the risk lies

outside of the financial markets then it should be insulated from the vagaries of those markets The book identifies and examines such and other unique idiosyncratic and difficult to replicate sources of risk assets and strategies The recent credit and sovereign debt crisis have served to defend the hypothesis and have upheld the conclusion that alternative alternative assets and strategies offer a risk return profile that is distinct to those offered by traditional and main stream hedge fund strategies These strategies include timberland investing insurance risk transfer asset loan based lending aviation shipping trade entertainment litigation financing etc collectables and extraction strategies such as volatility and behaviour finance This book will be a one stop resource to the new investment class known globally as Alternative Alternatives AA and will provide a comprehensive but accessible introduction to these assets It provides an in depth analysis of the assets and strategies which will leave investors with everything they need to identify and allocate to the best AA for them It reviews the asset on a standalone basis providing an explanation of the product its characteristics a SWOT analysis and details its risk reward drivers The book also looks at how to integrate the asset within a portfolio its peculiarities the challenges and the constraints of each Next the book shows how Alternative Alternatives are used in the real world how they are implemented and the results that they have achieved Finally the book looks at the scope scalability and prospects for each asset in the future

Alternative Lending Promitheas Peridis,2022-09-30 The book covers alternative lending using the emergence of Debt Funds in the EU as a case study The book explores the risks that they can pose to financial stability and the regulatory and supervisory tools available to mitigate these risks Through this analysis the book uncovers the risks and potential risk mitigation tools that can be applied to the alternative lenders including debt funds and other potential alternative lenders After identifying the reasons behind the growth of alternative lenders using as example the assets of Alternative Investment Funds AIFs and in particular debt funds and the simultaneous decrease of the banks assets the book analyses the systemic importance of the alternative lenders and the risk channels through which the systemic risk can spread to the banking sector and the financial system Then the book deals with the financial innovation market failure theory and demonstrates that financial innovations e g debt funds securitisations can cause market failures resulting in regulatory interventions Of interest to banking and financial regulation academics researchers and practitioners this book analyses the regulatory provisions in place for both credit institutions and debt funds including the Basel Accords the Capital Requirements Directives and Regulations and the Alternative Investment Fund Managers Directive AIFMD and its implementation in various EU jurisdictions before offering a proposal for a new three defensive framework applicable to debt funds and to other potential alternative lenders
