Gates Of Fire:

Gates of Fire Steven Pressfield, 2005-09-27 NATIONAL BESTSELLER Steven Pressfield brings the battle of Thermopylae to brilliant life Pat Conroy At Thermopylae a rocky mountain pass in northern Greece the feared and admired Spartan soldiers stood three hundred strong Theirs was a suicide mission to hold the pass against the invading millions of the mighty Persian army Day after bloody day they withstood the terrible onslaught buying time for the Greeks to rally their forces Born into a cult of spiritual courage physical endurance and unmatched battle skill the Spartans would be remembered for the greatest military stand in history one that would not end until the rocks were awash with blood leaving only one gravely injured Spartan squire to tell the tale *Gates of Fire* Steven Pressfield, 1998-10-20 Thousands of years ago Herodotus and Plutarch immortalized Spartan society in their histories but today little is left of the ancient city or the social structure of this momentous culture One of the few antiquarian marks of the civilization that has survived lies scores of miles away from Sparta at a narrow Greek mountain pass called Thermopylae It was there that three hundred of Sparta's finest warriors held back the invading millions of the Persian empire and valiantly gave their lives in the selfless service of democracy and freedom A simple engraved stone marks their burial ground Inspired by this stone and intrigued by the lore of Sparta author Steven Pressfield has brilliantly combined scholarship with storytelling Narrated by the sole survivor of the epic battle a squire in the Spartan heavy infantry *Gates of Fire* is a mesmerizing depiction of one man's indoctrination into the Spartan way of life and death and of the legendary men and women who gave the culture an immortal gravity Culminating in the electrifying and horrifying epic battle *Gates of Fire* weaves history mystery and heartbreaking romance into a literary page turner that brings the Homeric tradition into the twenty first century *Gates of Fire* Elwyn M. Chamberlain, 1983 Three young Americans smuggle a million hits of LSD into India for Reasons both idealistic and venal sweeping mystical enlightenment compelling characters Brilliant writing in this rather spooky and very sexy first novel Detroit Free Press
