Freakonomics Steven D. Levitt, Stephen J. Dubner, 2009-11-24 Which is more dangerous a gun or a swimming pool What do schoolteachers and sumo wrestlers have in common How much do parents really matter These may not sound like typical questions for an economist to ask But Steven D Levitt is not a typical economist He studies the riddles of everyday life from cheating and crime to parenting and sports and reaches conclusions that turn conventional wisdom on its head Freakonomics is a groundbreaking collaboration between Levitt and Stephen J Dubner an award winning author and journalist They set out to explore the inner workings of a crack gang the truth about real estate agents the secrets of the Ku Klux Klan and much more Through forceful storytelling and wry insight they show that economics is at root the study of incentives how people get what they want or need especially when other people want or need the same thing *Summary of Freakonomics by Steven D. Levitt and Stephen J. Dubner* QuickRead, Alyssa Burnette, The study of economics can be wilder than you think Have you ever wondered why we make the money mistakes that we do With such a wealth of financial advice available it seems stunning that we could make such bad investments or foolhardy purchases Freakonomics uses the principles of economic analysis to unpack this concept for us and explain why we make the choices we do And through Levitt and Dubner's critical study you'll learn the surprising truth about how we can apply economics to every facet of our lives from dating to big purchases Do you want more free book summaries like this Download our app for free at <https://www.quickread.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello@quickread.com A Study Guide for Levitt & Dubner's "Freakonomics: A Rogue Economist Explores the Hidden Side of Everything" Gale, Cengage Learning, 2015-03-13 A Study Guide for Levitt character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Literary News For Students for all of your research needs **Freakonomics** Steven D. Levitt, Stephen J. Dubner, 2005 Freakonomics is a groundbreaking collaboration between Levitt and Stephen J Dubner an award winning author and journalist They usually begin with a mountain of data and a simple question Some of these questions concern life and death issues others have an admittedly freakish quality Thus the new field of study contained in this book freakonomics It is true that readers of this book will be armed with enough riddles and stories to last a thousand cocktail parties But Freakonomics can provide more than that It will literally redefine the way we view the modern world **BOOK JACKET** **Super Freakonomics** Steven D. Levitt, Stephen J. Dubner, 2009-10-20 The New York Times best selling Freakonomics was a worldwide sensation selling over four million copies in thirty five languages and changing the way we look at the world Now Steven D Levitt and Stephen J Dubner return with SuperFreakonomics and fans and newcomers alike

will find that the freakquel is even bolder funnier and more surprising than the first Four years in the making SuperFreakonomics asks not only the tough questions but the unexpected ones What s more dangerous driving drunk or walking drunk Why is chemotherapy prescribed so often if it s so ineffective Can a sex change boost your salary SuperFreakonomics challenges the way we think all over again exploring the hidden side of everything with such questions as How is a street prostitute like a department store Santa Why are doctors so bad at washing their hands How much good do car seats do What s the best way to catch a terrorist Did TV cause a rise in crime What do hurricanes heart attacks and highway deaths have in common Are people hard wired for altruism or selfishness Can eating kangaroo save the planet Which adds more value a pimp or a Realtor Levitt and Dubner mix smart thinking and great storytelling like no one else whether investigating a solution to global warming or explaining why the price of oral sex has fallen so drastically By examining how people respond to incentives they show the world for what it really is good bad ugly and in the final analysis super freaky Freakonomics has been imitated many times over but only now with SuperFreakonomics has it met its match

Think Like a Freak: the Authors of Freakonomics Offer to Retrain Your Brain Summary Station Staff,Steven D.; Stephen J. Dubner Levitt,2014 Learn How To Think Like A Freak In A Fraction Of The Time It Takes To Read The Actual Book Today only get this 1 Amazon bestseller for just 2 99 Regularly priced at 9 99 Read on your PC Mac smart phone tablet or Kindle device The readers of Freakonomics and SuperFreakonomics sent the authors of these books countless questions Many of these questions were regarding various problems and issues that have affected society for a long time Basically the readers wanted the authors of the Freakonomics books to research their particular problems and find solutions The authors and the research team behind the Freakonomics books enjoy solving problems for people but there is only so much that any human can do Many of the problems that the authors encountered in their letters from readers were extremely difficult to solve and the mass quantity of questions made it physically impossible to even attempt to answer them all This problem was contemplated for some time by the Freakonomics team and they decided that the solution to this problem was to teach other people how to think like they do This explains why the book is titled Think like A Freak When the authors are talking about thinking like a freak they are referring to a person s ability to think about situations like an economist There is the basic idea that if you give a man a fish you feed him for a day but if you teach him how to fish you will feed him for a lifetime When people understand how to correctly evaluate any situation they will be more likely to find a plausible solution Here Is A Preview Of What You ll Learn When You Download Your Copy Today General Overview and Summary of Think Like A Freak Examples From Think Like A Freak The Reason Think Like A Freak Was Created Learn How To Approach Situations Like An EconomistDownload Your Copy Today The contents of this book are easily worth over 9 99 but for a limited time you can download Summary of Think Like A Freak The Authors Of Freakonomics Offer To Retrain Your Brain for a special discounted price of only 2 99 To order your copy click the BUY button and download it right now [Think Small](#) Owain Service,Rory

Are You Anybody? Jeffrey Tambor,2017-05-16 You know him from his breakout role as Hank Kingsley on The Larry Sanders Show his outrageous turn as George and Oscar Bluth on Arrested Development and his Emmy Award winning performance as Maura Pfefferman on Transparent A Broadway star a television legend an accomplished screen actor whose singular wit and heartrending performances have been entertaining audiences for more than four decades but the question remains Who the hell is Jeffrey Tambor In his illuminating often hilarious and always honest memoir Tambor looks back at the key moments in his life that taught him about creativity and play and pain and fear The son of what you might call eccentric Russian and Hungarian Jewish parents Tambor grew up in San Francisco a husy kid with a lisp who suffered in his otherness and found salvation in the theater While he learned his art from the best of the best Al Pacino George C Scott Garry Shandling Mitch Hurwitz Jill Soloway he also introduces his many unexpected teachers from the nameless man in a Detroit bookstore who gave him the love of reading to his young children who at this ridiculously late stage in his life have reintroduced him to play bravery and the simple joy of not giving a shit Tambor shares the triumph of landing his first Broadway role but not before experiencing the humbling that is commercial work and how even saying my socks don t cling can prove a challenge He invites you behind the scenes of his wildly successful television shows but he doesn t leave out the pit stops he made at addiction Scientology and what it feels like to get fourth billing after Sylvia the Seal on The Love Boat At last Tambor answers the question Are you anybody with a promise that success doesn t mean perfection and failure most definitely is an option *Replication* Harold B. Miller,2022-03-22 You think you have a beautiful business that you feel is replicate able across the state you live in across the country or across the world Is the way you created your business model

really scale able Can you replicate yourself and create a franchise that is teach able and that offers a clear picture of your concept to the market Entrepreneurs across the world create amazing new models and platforms every day but not all of them are scale able as a franchise model Franchising is one of the fastest and most viable distribution platforms in the world and an incredible experience for new franchisors who are able to give of themselves to package train and provide ongoing coaching and support for their creation allowing amazing operators in the form of franchisees to benefit from their franchise offering But is your model really the one they should be investing in And are you as good at building a franchise team as you are running your beautiful business at the unit level Franchise consultant and Franchise Science CEO Harold Miller places your mind into the preparation and execution in a point to point franchise development to focus on the people the methods and the phases of franchising your business model and the key questions to ask yourself along with way by actually taking you through a full development with your own model in mind There are a number of great franchise books which talk a lot about past successes of various models and offer a useful history of franchising Replication The Art and Science of Franchising Your Business focuses on how to think about the option of franchising today and how various fundamentals will shift during the current labor and management marketplace Knowing how to prepare and what questions to ask yourself phase by phase can solve a lot of problems and save a lot of wasted capital by making better decisions on both the if and the how of franchising your business model

A Plague of Prisons Ernest Drucker, 2013-05-28 The public health expert and prison reform activist offers meticulous analysis on our criminal justice system and the plague of American incarceration The Washington Post An internationally recognized public health scholar Ernest Drucker uses the tools of epidemiology to demonstrate that incarceration in the United States has become an epidemic a plague upon our body politic He argues that imprisonment originally conceived as a response to the crimes of individuals has become mass incarceration a destabilizing force that damages the very social structures that prevent crime Drucker tracks the phenomenon of mass incarceration using basic public health concepts incidence and prevalence outbreaks contagion transmission potential years of life lost The resulting analysis demonstrates that our unprecedented rates of incarceration have the contagious and self perpetuating features of the plagues of previous centuries Sure to provoke debate and shift the paradigm of how we think about punishment A Plague of Prisons offers a novel perspective on criminal justice in twenty first century America How did America s addiction to prisons and mass incarceration get its start and how did it spread from state to state Of the many attempts to answer this question none make as much sense as the explanation found in this book The Philadelphia Inquirer

Economics Imperialism and Interdisciplinarity: The Watershed and After Ben Fine, 2023-10-20 In Economics Imperialism and Interdisciplinarity The Watershed and After Ben Fine selects and adds to his key articles tracking economics imperialism through three phases focusing on the last decade of the third phase anything goes as with freakonomics Each article is accompanied by a preamble setting the context in which it appeared with a new overall introduction and literature

survey drawing out the overall significance for contemporary scholarship Ranging over mainstream and heterodox economics the disputes between them the relationship between economics and other disciplines and authors such as Lazear Stiglitz and Akerlof the accelerating presence of economics imperialism is documented alongside its perverse critical neglect The volume is imperative for those engaging in political economy across the social sciences *Freakonomics Intl* Steven D.
