From Mosques To Khanqahs The Origins And Rise Of Sufi:

From Mosques to Khanqahs Spahic Omer,2016 **Beyond the Mosque** Rizwan Mawani,2019-09-19 I B Tauris in association with the Institute of Ismaili Studies While mosques are the central house of worship for a majority of Muslims around the world many of Islam s communities have developed their own distinctive religious spaces These complementary spaces serve the different cultures geographies and interpretations of Islam that continue to enrich the Muslim tradition In this book Rizwan Mawani encounters diverse communities and their sites of worship from the mosque and husayniya to the khanaqah and jamatkhana Readers are introduced to a variety of Muslim spaces modest and elaborate their distinct structures and the rituals practised within them as well as the purposes they serve as community centres and markers of identity Beyond the Mosque reveals architectural responses to evolving community needs and local environments from Senegal and China to Iran and India This illuminating survey celebrates the significant pluralism that characterises the living Muslim tradition today **Sufi Institutions** Alexandre Papas,2020-11-30 This volume describes the social and practical aspects of Islamic mysticism Sufism across centuries and geographical regions Its authors seek to transcend ethereal essentialist and spiritualizing approaches to Sufism on the one hand and purely pragmatic and materialistic explanations of its origins and history on the other Covering five topics Sufism s economy social role of Sufis Sufi spaces politics and organization the volume shows that mystics have been active socio religious agents who could skillfully adjust to the conditions of their time and place while also managing to forge an alternative way of living worshiping and thinking Basing themselves on the most recent research on Sufi institutions the contributors to this volume substantially expand our understanding of the vicissitudes of Sufism by paying special attention to its organizational and economic dimensions as well as complex and often ambivalent relations between Sufis and the societies in which they played a wide variety of important and sometimes critical roles Contributors are Mehran Afshari Ismail Fajrie Alatas Semih Ceyhan Rachida Chih Nathalie Clayer David Cook St phane A Dudoignon Daphna Ephrat Peyvand Firouzeh Nathan Hofer Hussain Ahmad Khan Catherine Mayeur Jaouen Richard McGregor Ahmet Ya ar Ocak Alexandre Papas Luca Patrizi Paulo G Pinto Adam Sabra Mark Sedgwick Jean Jacques Thibon Knut S Vik r and Neguin Yavari **NON-MUSLIMS IN MAKKAH AND MADINAH (1503 - 1853) (IIUM PRESS)** Spahic Omer,2024-01-04 This book investigates the accounts of six European non Muslims who managed to secretly visit the cities of Makkah and Madinah and to record their travels as well as impressions The protagonists were Ludovico di Varthema from Italy Vincent le Blanc from France Joseph Pitts from England Ali Bey el Abbassi Domenec Francese Jordi Badia i Leblich from Spain John Lewis Burckhardt from Switzerland and Richard Francis Burton from England The six men performed their feats in their capacities as adventurers explorers soldiers and spies One yet was a slave The visits spanned a period of three and a half centuries from 1503 as the time of the first visit by Ludovico di Varthema to 1853 as the time of the visit by Richard Francis Burton The period covered was perhaps one of the most

dramatic periods in the history of the Hijaz region in particular and also in the history of Islam West Orient Occident relations in general The visits and the travellers accounts reveal much about challenges faced by Islamic culture and civilization in early modern times Those challenges pertained to the rise of Western civilization and its imperialistic tendencies modernization radical anti Islamic polemics the waning of Islamic civilization and Muslim schism Education, Inclusion, Pluralism and United Nations Sustainable Development Goals Sher Rahmat Khan,2024-12-23 This book offers a compelling analysis of education's promise to achieve inclusive pluralistic and sustainable societies These globally shared challenges are examined through a detailed analysis of the cultural politics of education in postcolonial Pakistan The analysis provides a window into the ways that the intergenerational traumas of colonialism neocolonialism globalisation and forms of extremism continue to present significant challenges for postcolonial Pakistan Drawing on postcolonial theories and curriculum theory the author develops a critical discourse analysis of the cultural politics that shapes education in Pakistan The analysis identifies key elements of this cultural politics such as religious and cultural dynamics geopolitical challenges the need to promote unity and cohesion employing history for nation building and gender relations and the ways in which these elements intersect to shape the possibilities of delivering on the promise of inclusion pluralism and sustainable development

Contemporary British Muslim Arts and Cultural Production Sadek Hamid,Stephen H. Jones,2023-06-01 This unique collaboration between scholars practitioners and Muslim artists profiles emerging forms of contemporary British Muslim art prompting a debate about its purpose and its inclusion in UK society It features analysis of Muslim art as a category as well as reflective accounts of people working in theatre popular music the heritage sector and ancient and modern visual arts often at the margins of the British arts industry Dealing with sociological and theological themes as well as art history and practice the volume provides a timely intervention on a neglected topic The collection discusses diverse topics including how second and third generation British Muslims as part of a broader generational shift have reworked Sufi music and traditional calligraphy and fused them with new musical and artistic styles from Grime to comic book art alongside consideration of the experiences of Muslim artists who work in the

theatre museums and the performing arts sectors It is a must read for students and researchers of theology and religious studies Islamic studies fine art cultural studies and ethnic and racial studies The Rise, Growth, and Decline of Indo-Persian Literature Ravindra Mohan Chopra,2013 **Mystical Islam** Julian Baldick,1989 Covers the origins of Sufism and early influences particularly from Christianity the rise of the great Sufi organizations the thought of Sufism s main theorist and systemizer Ibn Arabi Rumi and the Whirling Dervishes relations with Shi ism in Iran Sufism in the heyday of the great empires in Iran India and Turkey and relations with Turkey and Egypt during the nineteenth century as well as Sufi practices in the twentieth century Page 4 of cover **Sufism in the West** Jamal Malik,John Hinnells,2006-04-18 With the increasing Muslim diaspora in post modern Western societies Sufism intellectually as well as sociologically may eventually become Islam itself due to its versatile potential Although Sufism has always provoked considerable interest in the West no volume has so far been written which discusses this aspect of Islam in terms of how it is practised in Western societies Bringing together leading international authorities to survey the history of Islamic mysticism in North America and Europe this book elaborates the ideas and institutions which organize Sufism and folk religious practices The chapters cover the orders and movements their social base organization and institutionalization recruitment patterns in new environments channels of disseminating ideas such as ritual charisma and organization reasons for their popularity among certain social groups the nature of their affiliation with the countries of their origin Providing a fascinating insight into how Sufism operates within different spheres of society Sufism in the West is essential reading for students and academics with research interests in Islam Islamic history and social anthropology Sufis in Western Society Markus Dressler,Ron Geaves,Gritt Klinkhammer,2009-06-02 In recent years Sufism has undergone something of a revival as a spiritual alternative to other manifestations of Islam This book investigates the development of Sufism in Western societies with a regional focus on North America and Europe Exploring a number of issues relating to the dynamic tensions between religious globalization processes and specific sacred localities this book looks at the formation of Sufi movements that have migrated from their place of origin to become global religious networks Sufi groups are highly differentiated and often inaccessible so the origins and development of Sufism in the West have not been widely studied Employing a comparative approach based on regional fieldwork and case studies this book addresses theoretical issues and gives a comprehensive analysis of distinct communities and the development of regional branches of Sufi orders providing an international perspective on Sufism in the West With contributions from well known international experts on the topic the book addresses Sufi orders in the context of the transnational networks in which they are operating and the constraints of the localities in which they live This book will be of interest to scholars and students of religion Islam and Sufism in particular Thus Spake the Dervish Alexandre Papas,2019-06-24 Thus Spake the Dervish explores the unfamiliar history of marginal Sufis known as dervishes in early modern and modern Central Asia over a period of 500 years It draws on various sources Persian chronicles and treatises

Turkic literature Russian and French ethnography the author's fieldwork to examine five successive cases each of which corresponds to a time period a specific socially marginal space and a particular use of mystical language Including an extensive selection of writings by dervishes this book demonstrates the diversity and tenacity of Central Asian Sufism over a long period Here translated into a Western language for the first time the extracts from primary texts by marginal Sufis allow a rare insight into their world The original French edition of this book *Ainsi parlait le derviche* was published by Editions du Cerf Paris France Translated by Caroline Kraabel

Recognizing Sufism Arthur F. Buehler, 2016-08-31 Sufism is all too often associated just with mysticism in the West The author of this new textbook a former pupil of Annemarie Schimmel suggests that conflating Sufism and mysticism is only partially valid He shows that the vast majority of Sufi practice both historically and in the contemporary world has little or nothing to do with an esoteric transcendence but is rather focused on contemplative activity Such practice might involve art music devotional shrine visitation even politics and psychology Placing Sufism in a wider Islamic contemplative context enables Arthur F Buehler to examine Sufi history as well as current application against a backdrop that is richer and more inclusive than that portrayed in many competing introductory surveys Discussing the origins of Sufism the development of Sufi lineages via three founder figures Sufi lodges and the role of Sufism in colonial resistance Sufi poetry Sufi shrines and Sufism in the West the author rescues his topic from the idea that it means only union with the divine In this original new treatment Sufism emerges as complex and multi layered

Classical Persian Sufism Leonard Lewisohn, 1993 CLASSIC PERSIAN SUFISM FROM ITS ORIGINS TO RUMI is a unique introduction into the rise and development of Persian Sufi spirituality and literature Written in the form of essays the book focuses historically upon the first six Muslim centuries and captures the mood of the mystics meditative interiorized highly sophisticated vision of Islam

Sufism Nile Green, 2012-02-20 Since their beginnings in the ninth century the shrines brotherhoods and doctrines of the Sufis held vast influence in almost every corner of the Muslim world Offering the first truly global account of the history of Sufism this illuminating book traces the gradual spread and influence of Sufi Islam through the Middle East Asia Africa and ultimately into Europe and the United States An ideal introduction to Sufism requiring no background knowledge of Islamic history or thought Offers the first history of Sufism as a global phenomenon exploring its movement and adaptation from the Middle East through Asia and Africa to Europe and the United States of America Covers the entire historical period of Sufism from its ninth century origins to the end of the twentieth century Devotes equal coverage to the political cultural and social dimensions of Sufism as it does to its theology and ritual Dismantles the stereotypes of Sufis as otherworldly mystics by anchoring Sufi Muslims in the real lives of their communities Features the most up to date research on Sufism available

Sufism Mark J. Sedgwick, 2003-09-01 For more than a millennium Sufism has been the core of the spiritual experience of countless Muslims As the chief mystical tradition of Islam it has helped to shape the history of Islamic societies Although it is the Sufi face of Islam that has often appealed to Westerners Sufis and

Sufism remain mysterious to many in the West and are still widely misunderstood In this new redesigned paperback edition of this bestselling book a scholar with long experience of Sufism in the Middle East Southeast Asia and Europe succinctly presents the essentials of Sufism and shows how Sufis live and worship and why As well as what Sufism is and where it comes from the book discusses Sufi orders not only in the Islamic world but also in the West The political social and economic significance of Sufism is outlined and the question of how and why Sufism has become one of the more controversial aspects of contemporary Islamic religious life is addressed This book assumes no prior knowledge of the subject It is a penetrating and concise introduction for everyone interested in Islam and Islamic societies

Sufism in an Age of Transition Erik Ohlander, 2008-02-28 Although the early thirteenth century was a critical period in the development of Sufism it has received little scholarly attention Based on heretofore unexplored sources this book examines a pivotal figure from this period the scholar mystic statesman and eponym of one of the earliest ar qa lineages Umar al Suhraward In situating Suhraward s life work in its social political and religious contexts this book suggests that his universalizing Sufi system was not only enmeshed within a broader economy of Muslim religious learning but also furnished social spaces which allowed for novel modes of participation in Sufi religiosity In doing so this book provides a framework for understanding the increasingly ubiquitous presence of intentional Sufi communities and institutions throughout the late medieval Islamic world

Sufism and Society John Curry, Erik Ohlander, 2012-06-12 This book examines the relationship between Sufism and society in the later medieval and early modern Islamic world Thematically organized it includes case studies drawn from the Middle Eastern Turkic Persian and South Asian regions It looks to reconceptualize the study of Sufism during an under researched period of its history

The Heritage of Sufism Leonard Lewisohn, 2018-04-30 The first volume in a three volume set this is a study of the rise of Persian Sufi spirituality and literature in Islam during the first six Muslim centuries This collection of 24 essays covers the key achievements of the Muslim intellectual and cultural tradition in history mysticism philosophy and poetry It demonstrates the positive role played by Sufi thinkers during this period The subjects covered include Sufi masters and schools literature and poetry spiritual chivalry divine love Persian Sufi literature Rumi and Attar
