Fulfilling Your Days By David Oyedepo :

Poverty, the Bible, and Africa Isaac Boaheng,2020-08-31 Poverty reduction is a worldwide concern yet if the church is to play an effective role in its alleviation an approach that is both biblical and contextual is required In Poverty the Bible and Africa Isaac Boaheng formulates a theology of poverty that engages Scripture African traditional wisdom and contemporary African concerns to create a paradigm for understanding and alleviating poverty in Africa Boaheng highlights that whatever our cultural context God frowns upon materialism extravagance and love for riches yet the author also demonstrates why a contextual theology must address people s societal and cultural needs alongside spiritual ones If we desire a model for poverty reduction that is both theologically sound and contextually appropriate we must facilitate an encounter between the teachings of Scripture and the socio economic political and religious realities of a particular context Combining in depth cultural analysis with careful exegetical reflection this book offers refreshing insight into the challenge of confronting poverty in Africa Boaheng s approach however is relevant far beyond the continent and is transferable to any context where others are seeking to effectively understand and combat poverty **Fulfilling Your Days** David O.
