Doran,2008-11-06 Historically the state of Ohio has maintained an active role in the promotion of southern gospel music Many gospel artists including some of the Nation s finest were either born or lived a portion of their life in Ohio Development of these ministries and the events that have taken place along the way has become a valuable part of Ohio s history Over the past two years desiring to preserve a portion of this history I have completed extensive research interviewing gospel artists throughout the state I then compiled this information into a unique collection of history to be shared with everyone To help the reader more fully appreciate life on the road the stories of these gospel artists are presented within the context of eight road tours covering the entire state of Ohio Travelling along on each tour we will experience a variety of emotions from laughter to frustration At each stop we will

learn some fascinating facts about the town and while in town we ll stop by and visit with a few of those southern gospel artists and or groups who claim the town as part of their heritage Each tour will end with a short walk down memory lane as we view photos of those gospel artists whom we have just visited So come on Open the book climb on board and prepare yourself for eight exciting tours across the great state of Ohio where we ll meet some truly inspiring people Hope you enjoy the book **Continuum Encyclopedia of Popular Music of the World Volume 8** John Shepherd,David Horn,2012-03-08 See **Catalog of Copyright Entries** Library of Congress.
